# Scott's Bluff Country?

Such an investment means a constant income-in fact, we believe that land will be paid for from the crops and leave you a surplus every year. Here this because others have demonstrated that it can be done.

We offer these lands upon the easiest sort of terms, one-fifth down, with we ofter these lands upon the easiest sort of terms, one-fitth down, with ten years to pay the balance. Now, what will the land do for you? It will produce from 200 to 400 bushels of potatoes per acre, and potatoes bring a good price. It will grow from 15 to 25 tons of sugar beets to the acre. It will give you as fine alfalfa as you ever saw growing, ten tons to the acre in a season. It will produce from 30 to 125 bushels of oats to the acre. It will grow all sorts of vegetables and on onions alone you can make a fine living.

Get back to nature; live the simple life; get out into the finest sunshine

# A Big Sugar Factory

Is to be built at Scott's Bluff in time to care for the 1910 crop. It will cost a million and a half dollars. That means a lot of money paid out in wages. The little towns are all growing fast, new settlers are building all through the valley. If you are a good mechanic, you can hold down a job and also hold on to
