Wash Dresses and Suits Get Right of Way Saturday

Could any sale be more timely and more interesting to the great majority of women. Bennett's pave the way for greatest economies on the sale line in the highly attractive garments from makers of great prominence who use only standard materials and whose designs are recognized as the finest in the trade. Therein lies the subtle fascination in tomorrow's LINGERIE DRESSES—We purchased more than two hundred dainty princess or one-piece dresses of very sheer mull, in white, pink, blue lavender. Each is designed with a wealth of lace insertions and tuckings, very artistically designed, values to \$12.00—all in one big lot, priced at \$6.95

Men Save \$2.50 to \$5.50 On These Summer Suits

Here's tailoring art coupled with honest and fashionable materials, at a price whittled down to the finest point. No tailor can give you a more perfect-fitting suit or more stylish, and yet he would charge you twice as much. Any clothing dealer would ask you \$15.00 and \$18.00 at the least, and wouldn't be over-charging you. That's what they have been selling for here until now. Inventory is coming July 1st, and we must reduce stock several thousand dollars. That's why the price is \$12.50

Directoire Corset Models

The illustration portrays the ultra-fashionable corset for the current season. It's the model over which the late style gowns are designed, because it imparts youth and that subtle slenderness to the figure that is now so essential to well dressed women. This corset has the long directoire skirt, made of light weight batiste, beautifully finished with embroidery. Non-rustable boning and two pairs supporters; adapted to average figures. Another style is medium long hip and extra high bust. These are ideas worked out usually in high priced corsets only, we have them now for 98c

HAYDEN'S

The New 88 Note ANGELUS PLAYER PIANO

The pianos taken in exchange by the average piano dealer are traded off by their owners, because they have worn out and have out-lived their usefulness.

The Pianos Taken in Exchange By Hayden Bros.

come upon the market because their owners want to possess an Angelus, Knabe Angelus or an Emerson Angelus. These are the only perfect player pianos and any one can play them after one lesson. Most of the pianos so exchanged are of high grade makes and often as good as new; the difference is of great importance to the buyer.

Hayden's is the Best Place to Buy a Used Piano

Our Exchange Department contains real bargains in used pianos all the year round. The following list of used instruments now on sale should interest all value seekers in this line. Remember, all these uprights are in very fine condition; they have been thoroughly overhauled in our repair shop, where they have passed through the hands of experienced piano builders, direct from THE KNABE FACTORY.

- One Baldwin Piano; regular price, \$550... sale price, \$260; One Schaeffer; regular price, \$400... sale price, \$220; One Ivers & Pond; regular price, \$350... sale price, \$150; One Smith & Barnes; regular price, \$375... sale price, \$200; One Chickering Bros.; regular price, \$450... sale price, \$270; One Ebersole; regular price, \$400... sale price, \$230; One Crown; regular price, \$300... sale price, \$125; One Sohmer; regular price, \$500... sale price, \$100; One Haines Bros.; regular price, \$425... sale price, \$240; One Price & Teepie; regular price, \$390... sale price, \$200; One J. & C. Fischer—this is the original "Fischer" manufactured in New York and established in 1842; regular price, \$555... sale price, \$275

We wish to convince prospective buyers that this sale bears none of the characteristic "earmarks" of ordinary "hurry up," made to order bargain sale. On the contrary we have been planning for several weeks to make this something unusual—something uncommon, an opportunity for those desiring to invest in a good reliable piano of extra quality at a moderate price.

Besides these second-hand pianos you will find three carloads of nice brand new pianos, direct from the large eastern factories at tempting prices. The quantity we give and the prices we make are a powerful appeal to every prospective piano buyer, to secure a good piano that will always give satisfaction.

DO NOT BUY ANY PIANO UNTIL YOU INVESTIGATE THESE GREAT VALUES which we offer. IT WILL PAY YOU TO TRADE WITH THE ONE-PRICED PIANO HOUSE.

We give special attention to all mail orders, and if it is not convenient for you to call and purchase a piano, you take no risk when you order from us by mail.

Small payment down and the balance in easy monthly payments, will buy you one of these fine pianos.

Write today if you cannot call.
