American Beauty
Corsets

Ten Distinct Models
One to Ten Dollars

In every essential detail American Beauty Corsets measure up to the fashionable woman's ideals. When correctly fitted these corsets impart that grace and poise to the figure so dear to the feminine heart. No other corset so readily lends itself toward producing the long slender hipless effect now the popular vogue. The effectiveness of the new one-piece gowns will be wonderfully enhanced when fitted over a foundation produced by an American Beauty Corset.

We have a model for each individual figure and a corsetier trained in the art of the proper adjustment and fitting. These services are at the disposal of every customer.

American Beauty Corsets are stayed with pliable rust-proof boning. They come in fine summer weight batiste—daintily trimmed and fitted with hose supporters.

About Trading Stamps

Every now and then we hear that some unscrupulous fellow has started a report that trading stamps are to be discontinued. It's false, trading stamps are a fixture here; we shall continue to give them with every purchase, every day in every department. Ask for your S. & H. Green Trading Stamps every time you buy.

OMAHA GETS BULK OF TRADE

Local Dealers Land Largest Orders from Diers Bros. Against Four Other Cities.

Buying for ten stores at once, Diers Bros., a big Nebraska mercantile firm, has been holding a meeting in Omaha with representatives of some of the largest wholesale houses in the United States and after all had made offers and prices, the Omaha houses secured the big majority of the orders.

Representatives of houses in Cleveland, Chicago, St. Louis, Kansas City and St. Joseph met the buyers for the Diers Bros. in Omaha. All lines were carefully gone over and big orders for dry goods placed, the Omahans getting the majority of the orders. The line of women's suits and cloaks carried by Omaha houses captured the orders against all competitors, the same being true of blankets and flannels.

While in the city Fred Diers, president of the Nebraska Retailers' association, discussed plans for the next meeting of the association, which is to be held in Omaha next February. It is planned to make this meeting the largest gathering of retailers held in Nebraska and Commercial Diers told the officers of the Commercial club that he fully expected it to be a record breaking meeting.

Curfew Will Ring and Kids Must Get

Alexander Hoagland's Bell Will Run Children Off Streets at Nine O'clock.

Alexander Hoagland is dead, but his curfew still lives and will "toll the knell of parting day" hereafter for kids who fail to get under the parental roof on time. Indiscriminate roaming of Omaha streets after dark by children under 14 years is to come to a sudden end.

The curfew will be enforced by the police aided by officers or the juvenile court. This was determined by Chief Donahue and Judge Estelle at a conference held between them Saturday morning.

MAN WITNESS WHERE BOTH SIDES TO SUIT ARE WOMEN

His Testimony Counts for Little, as the Case Goes Directly Opposite to It.

Abraham Horvitch has come to the conclusion that it does not pay to be a witness in an assault and battery case, particularly when the parties concerned are of the weaker sex.

About two months ago Jennie Greenspon was made defendant in an assault and battery case on the complaint of Sarah Bonestein, who charged that the defendant had struck her on the head several times with a big stick.

Automobile Falls Hundred Feet

Car Leaps Over High Precipice with Occupant, Who is Killed.

ELKINS, W. Va., June 26.—Word has just been received here of the death of F. G. Mausey, cashier of the Bank of Dublin, who was killed when his automobile became unmanageable and leaped over a precipice. The automobile and occupant fell 100 feet.
