years in Denver, the thermometer reaching 98. CLUB READY FIRST OF MONTH

Railway Men's Quarters Will Be Occupied in Just Few More Days.

Al. Barker, superintendent of the Barker block, expects to have the new quarters of the Omaha Railway Men's club ready for occupancy by July 1, and the club is ready to take possession. The rooms are on the second floor of the block and occupy all the space except that which will be used by the Corn Exchange bank. They are large and commodious and well lighted, having the large windows on Fifteenth street and on the south as well. There are three large rooms and smaller apartments. The south room will be used as a billiard room, the middle room for dining and the large north room for reading and lounging. The paper hangers are nearly through with their work and the billiard tables are being installed.

Woman's Work

Activities of the Organised Bodies Along the Lines of Un-dertaking of Concern to Women.

From Mrs. Sarah Platt Decker, ex-prest dent of the general federation comes the suggestion that chairmen of all standing committees unite in asking clubs to include a "Federation Day" in their programs next year. A consideration of the work of the general federation is especially asked. such a program would do much toward familiarising club women generally with the aims and the work of the great national organisation,

With the July issue the woman's club ournals have been suspended for the sumner, or until October L The general adin consequence, almost, necessitates this suspension. Miss Louisa B. Poppenheim and her sister, Miss Mary Poppenheim, former members of the executive committee of the NEW HAVEN, Conn., June 28.-An elec- general federation and editors of The Key will also be suspended until autumn. I is being whispered that an effort will be made at the Cincinnati biennial to make an Ohlo publication the official organ instead of The Bulletin. The Bulletin has certainly served well as a medium of desseminating club news and for the presen tation an ddiscussion of the various inter ests of the general federation and club women over the country

> In view of the proposed plan for beginning its club house fund next autumn, members of the Omaha Woman's club will be interested in the following cutting from a Denver paper: The Woman's club has just closed one

of the most prosperous years in its entire history. It was indeed fortunate that a firm and clear-nighted pilot was at the helm during the years of the financial crisis, and the gradual return to prosperous conditions, but under the wise and capable management of Mrs. Charles H. Jacobson the club not only overcame every on deposit, which is by far the largest balance in the treasury for many years. Not only is the club treasury in tals prosperous condition, but every department has DENVER, Colo., June 28.-Two trains in a good stred bank balance, which is enhas been paid on the mortgage on the Jacobson's regime have been the finest, from a literary standpoint, ever attempted That these things have been appreciated is evidenced by the fact that the club membership has increased 25 per cent and

now numbers 700. MOVEMENTS OF OURAN STRAMSBEPS.
