troin the crippled Jobbers today in a slow game. The acore was 7 to 5. Both sides hit the ball hard and often, but three or four of Lincoln's hits were due to errors of omission by the disrupted Wichita in-field. This really lost the game for Johns, who pitched a steady game despite the fact 7 that the hit column looms as if he were insped hard. Three flies fell in the infield v hick should have been easy outs but went for hits. In the ninth Wichita got two on with no outs, when Hughes walked and Pennell hit safely. Westerzil sacrificed and Johngon was sent in to relieve McCafferty. The best Holland and Green could do was 1 to point on easy flies.
