Thompson and the Assessment.

1,954,482

Thayer

W. H. Thompson, attorney general, does not consider himself one of the state officers who has failed to pay his campaign assessment, though he holds no receipt for the \$240 taxed against the candidates for

state offices. Mr. Thompson has in his letter files copy of a letter which he wrote to Chairman Keifer during the campaign regarding the assessment, in which he said inasmuch as he had to pay for his living out of the salary of \$2.000 appropriated for the pay of the attorney general of this state. he could not pay the \$240. He paid \$50 cash and then his own expenses while out speaking, which amounted to about \$100 more. In his letter Mr. Thompson stated that he would rather resign from the ticket

# \$35 Suits to Order \$15 On Sale Saturday

## One More & Blown Away

Republican State Convention. The official call for the republican state convention was issued by Chairman Keifer gates, on the basis of one at large from each county and one for each 150 votes cast for O. C. Bell, republican candidate for elector at the election in 1908. Counties are urged to perfect their committee organization and report at once to the state chair-

OMAHA INDIANS IN COUNCIL

Extension of Trust Period for Lands is Discussed.

WALTHILL, Neb., July 16 .- (Special.)a view to protesting against the same. It was also stated that the restrictions as now held over Omaha Indian money and land was illegal and unjust. Not more than twenty-five Omaha Indians were present, and the matters under consideration were discussed by Mr. Chase. matters were considered, but it was decided to adjourn the meeting of the counil without action until Friday, July 23. with Thomas L. Sloan and ex-Deputy ever raised in this section. United States Marshal James Allen, the two latter parties not taking any active

part in the discussion.

Fuzzled Over New Law. BEATRICE, Neb., July 16 -- (Special.)-The Board of Supervisors was in session yesterday and discussed at length the new law regarding deputy assessors. The board had difficulty in interpreting the law, for the reason that two sections seem in conpeople, and with four assessors in Beatrice the law is violated, as there is not a ward in the city that has a population of 4,000 persons. County Attorney McGirr has been asked for an opinion in the matter.

M'COOK, Neb., July 18.—(Special.)—Last inght, at the initiative of the Anti-Saloon and Civic Purity league of this city, the places of illreputs in this city were raided pects to begin building at once.

MAYOR OUSTS CITY ATTORNEY

Row on Between Officials at Wymore Ends in Removal. BEATRICE, Neb., July 16 .- (Special.)-At a meeting of the city council of Wymore last evening Mayor Rawlins announced the removal of City Attorney McCandless. He gave two reasons for his action. First, that Mr. McCandless did not attend meetings regularly, and, second, that he was opposed to the administration. The council was a tie in voting on the mayor's action. McQuinn and Mohrbacher supported the mayor and Stewart and Lasher voted against him. Mayor Rawlins then cast his vote to break the tie, and while there was some question regarding his authority in the matter, he announced that the vote would stand unless the law interfered. As park commissioners to succeed Mr. Mc-Candless Mayor Rawlins appointed the following: Furnas park, W. H. Wellemeyer; McCandless park, Z. K. Brown; Arbor State park, George Schoff.

Wymore Sees New Line. WYMORE, Neb., July 16 .- (Special.)-A bunch of Union Pacific surveyors was working in this vicinity last week and has given fresh life to the rumors that that road will build into this city. It comes from fairly good authority that no active work will begin until next year. At that time the road will build into this city from Beatrice, crossing the Blue river at that point and keeping on high ground until a point south of Barneston, or near that city, 12 is reached, where the present line will be joined. The present line, according to the report, will be used as a siding, as on it are three stone crushers and two flour mills. A report has also been circulated of the city will be started in a short time. It is said that the company has found that Governor Shallenberger, accompanied by the rock is not suitable for concrete work. those of his colonels who are not in open being too soft. It is available for ballastrebellion and have the price, will leave ing and the entire output of the plant will be used for that purpose. The crusher has been closed over a year.
