DEMOCRATS WIN BALL GAME

Minority Scores Only Victory of Year Over Republicans.

UNIQUE IN BASE BALL ANNALS

Result Stands 26 to 16 in Favor of Jeffersonians After Terrific Contest Lasting Seven Innings.

WASHINGTON, July 16.—With "Uncle Joe" Cannon looking on and powerless to call the minority to order or bring in a special rule shutting off base hits, the democrats of the house of representatives walloped all sorts of tariff schedules out of the republicans at American League park today and won the most famous congressional base ball game on record by the thrilling score of 26 to 16. The minority wanted to make it 16 to 1, but the republicans defeated that proposition once again. The democratic victory—the first of the extra session—was followed by a cloud-burst: The deluge did not descend until the seven-inning battle had ended, with the stout members all puffing and groggy from running bases and chasing balls, and the less members prone on the grass from exhausted energy. The crowd which witnessed this game was equally weary—from laughter. The throng present included most of the distinguished government officials. President Taft did not attend. He was at Chevy Chase with Vice President Sherman, playing golf.

More Fearful and Wonderful. In that game that was scored eight or nine or ten runs, when a fly went winging out into left field, straight at Heflin. The portly Alabamian, who played in

lined up at 4 o'clock the nine republicans were as stalwart a party of men as was to be found in all the land, while all the democrats were of a pure Jeffersonian

The first victory of the day for the free traders was won at the gate. The game was supposed to be for Ohio, but everybody seemed to have a pass.

"This certainly is funny," said the old gatekeeper, as the passes poured in. "If I got a pair-for ticket I wouldn't know where to put it."

The republicans were captained by Representative Tener of Pennsylvania, who played short. Representatives Gaines and Burke were the battery.

The democrats' leader was Representative Kinkaid of New Jersey, who played second, and wound up a brilliant record by making a double play at the end of the seventh, with Nicholas Longworth as one of the unwilling victims. Representative Webb of North Carolina pitched for the democrats, and outside of the fifth inning, when the republicans equalled the democrats' high inning score of 10, he "had the game well in hand."

Representative Oldfield of Arkansas was the catcher. It was in battery work that the democrats excelled, although their slugging was a revelation to base ball enthusiasts.

There were some funny mixups at the plate all through the game. Once a thin democrat began to chase a fat one around the bases after making a long hit to center, caught up with him at third and then the two ran home together. Catcher Burke got the ball in plenty of time to make the most phenomenal double play on record by tagging the two runners out with a "take this and that," but he dropped the ball. Nearly every player wore a hat, and after stealing a base, some one invariably had to go back and retrieve his "skypiece." The stay-at-home white uniforms of the Washington American league team were in great demand. Some old time grays and blues were also scattered about the diamond.

The problem of securing a satisfactory umpire was solved by the selection of Rev. James Reynolds of Red Bank, N. J.

CHANGE IN BOSTON NATIONAL

Frank Boverman is Succeeded by Harry Smit as Manager.

BOSTON, July 16.—President John S. C. Dovey of the Boston National League club announced tonight that Frank Boverman had resigned as manager of the team and that Harry Smit, a catcher, had been appointed in his place.

Boverman's reasons for resigning are that he could not get a winning combination out of the players and objected to the trading of Johnny Bates, the clever outfielder, to Philadelphia for two pitchers.
