Council Bluffs

READY FOR AUTO TOURISTS

Council Bluffs Club Will Entertain Gliddenites Today.

CITY IS DAILY DECORATED

City Will Greet Visitors on Their Arrival Instead of Meeting Them Fifty Miles Up State.

Council Bluffs autolists instead of going out about fifty miles to meet the Glidden tourists as previously arranged and announced will remain at home to greet the visitors. This was decided upon yesterday afternoon at the meeting of the executive committee of the Council Bluffs Automobile club which has in charge the plans for the entertainment of the visiting autolists.

This change in the original plans was decided upon as it was thought that a number of cars from this city would only be in the way of the incoming autos.

Instead of going out to meet the tourists the committee announced yesterday that it desired every owner of an automobile in the city to turn out with his or her machine this afternoon to greet the visitors. Owners of autos are requested to assemble on Pearl street opposite the Grand hotel at 1:30 o'clock this afternoon and then proceed to Broadway where they are to line up on the south side of the street east of Fourth street and the checking in platform.

The city is rapidly assuming a gala appearance and business houses and other buildings along Broadway, Pearl and Main streets and residences in the immediate vicinity of Baylis park are being gayly decorated with red, white and blue bunting.

Baylis park is being made gay with bunting and strings of colored incandescent lights. The decoration committee under the direction of Charles A. Reno had a large force of men at work yesterday and by noon today the decorations, it is expected will be all in place.

Members of the Council Bluffs Automobile club and their friends were to be seen yesterday wearing Glidden badges. The badge consists of a red button on the south side of the red button, on which are the words "Council Bluffs Automobile club," and fastened to it by the pin are two streamers of red and yellow silk ribbon with the words "Glidden Tour, July, 1909." In addition, all the cars of the club are carrying blue pennants, on which, in yellow letters, are the initials "C. B. A. C."

Official headquarters were opened yesterday in the "Red room" of the Grand hotel, the windows of which open on First avenue. Here Charles R. Hannan, secretary of the Council Bluffs Automobile club, with his assistants, George S. Wright and Charles Test Stewart, installed themselves. A bulletin board has been placed outside the window, and on it yesterday afternoon were placed bulletins of the day's journey of the Glidden tourists from Mankato to Fort Dodge. Today bulletins will be posted at frequent intervals on the trip from Fort Dodge to this city, and other announcements which may be of interest to the general public.

The train of Pullman cars in which the Glidden tourists will sleep during the remainder of the tour will be stationed across Tenth street at First avenue. The street at this point will be closed to vehicle traffic, by order of the city council, while the train is here.

The following additional reception and entertainment committee has been appointed to look after the comfort and welfare of the visiting autolists during their stay in the city: A. W. Casady, Carl Morgan, John McNamee, Otto Schmidt, James McMillan, W. P. Hughes, C. A. Laubach, Colonel W. F. Baker, T. A. Barker, Victor E. Bender, Augustus H. W. Binder, W. L. Butler, John Mulgrew, C. H. Chisum, Ed. Canning, A. A. Clark, Fred E. Cox, L. H. Cutler, William Coppock, R. T. Davis, E. H. Doolittle, John P. Davis, Leonard Everett, A. P. Fair, Frank A. Fox, A. C. Graham, E. L. Green, George G. Hammon, C. M. Hart, E. E. Hart, A. S. Hazleton, A. E. Hinton, J. H. H. Merritt, William Moore, Chris Jensen, Edward Kretschmer, J. T. Kleyer, Israel Lovett, W. A. Maurer, John Melchior, J. E. Merritt, William Moore, Thomas Maloney, J. W. Mitchell, J. C. Mitchell, G. L. McAlpine, W. E. McConnell, C. W. McDonald, Charles M. Nicholson, John Olson, J. W. Perogy, T. N. Peterson, E. Price, R. A. Quinn, H. F. Rohrer, George H. Richmond, W. S. Rigdon, D. E. Stuart, Henry Sperring, B. M. Sargent, Charles E. Swaine, Dr. Trevor, Ernest Tucker, F. T. True, H. Van Brun, W. I. Walker, J. E. Wallace, A. Wickham, John J. Woodward, O. Younkerman, L. Zurrnuehlen.

The members of this committee are requested to meet at headquarters in the Grand hotel at 1:30 o'clock this afternoon to receive their badges and instructions.

WANTED TWO CARRIERS TO CARRY THE BEE. APPLY BEE OFFICE, 15 SCOTT STREET.

Funds for Christian Home. As the result of a canvass by Frederick E. Cox and Walter Stephan, the sum of \$1,000 has been raised for the Christian Home.

Council Bluffs

Home by the members of the Council Bluffs Commercial club and other citizens.

This sum was raised to what was known as "World Peace No. 4." In this week's publication, issued by the Christian Home, Manager H. R. Lemon pays tribute to Messrs. Cox and Stephan and extends his thanks to all those who subscribed to the fund. The list of contributors and the amounts donated by each are given in the publication. The subscriptions ranged from \$5 to \$100.

The total receipts in the general fund of the institution last week amounted to \$1,000, being \$1,000 above the current needs of the week and decreasing the amount needed in the contingent and improvement fund for 1909 to \$1,007.47. In the manager's fund the receipts were \$17, being \$18 below the needs of the week and increasing the deficiency in this fund to date to \$74.84.

No guess work in our methods. We have all the latest and most improved apparatus for accurately testing the eyes for defective vision.

You can rely upon our work and methods of fitting glasses. Here you get years of experience and my personal attention. W. W. MAGARRRELL, Optometrist, 206-8 City National Bank Building, Council Bluffs, Ia.

The Fashion, ladies' tailoring, H. H. Emelin proprietor, late fitting, 314 Main street. I do first-class work reasonable. I make suits for \$12. skirts \$5. I also do altering to suit. Would you give me a trial? 23 South Main street.

HANGS HIMSELF TO DEAM

Body of Unidentified Man Found at Sand Pit.

The body of an unidentified man was found yesterday afternoon suspended from a beam under the loading platform in the Wickham sand pit, near the upper end of Big lake, about two and a half miles north of the city.

The discovery was made by W. R. Moon, of 204 South Twentieth street, Omaha, who went to Big lake on a fishing trip. At noon Moon sought shade from the heat of the sun under the platform.

While sitting himself in a comfortable position and spreading his lunch on a paper in front of him, Moon noticed an offensive odor. He decided to investigate before partaking of his lunch, and, making his way back under the platform, discovered the body of the man hanging from a beam. Decomposition had set in and the body was discolored and bloated.

The team from which the body was suspended was only about four feet from the ground and the autopsy had evidently strangled to death, as the knees were almost touching the earth. The body, which was in a crouching position, was suspended by a small cord such as is used to wrap heavy packages. The cord with a slip knot had been tied around the neck.

The discovery took away Moon's appetite for any lunch, and he hastened to the cottage of Careaker Riddle, at the lake. Riddle at once notified the police, who in turn notified Coroner Treyner.

The body was taken to Cutler's undertaking establishment. Search of the clothing failed to reveal anything which would give a clue to the identity of the suicide. The dead man was apparently about 45 years of age and had the appearance of a frame of considerable weight. He was dressed in a dark suit, a black sateen shirt, dark vest and coat and a black hat. The man had a heavy sandy mustache and several days' growth of beard. He was about six feet in height and of heavy build. Coroner Treyner expressed the opinion that the body had been hanging at least two days.

20 Per Cent Discount Sale. Commencing Wednesday morning we place on sale our entire stock of up-to-date shoes at 20 per cent discount. No goods bought for this occasion. Everything regular stock. We save you 20 cents on every dollar's worth of shoes you buy. Duncan Shoe Co., 23 South Main street.

July Clearance Sale. 20 per cent discount on ninety patterns of picture mouldings we are dropping from stock. Also on pyrography sets and on framed pictures. Alexander's, 333 B'way.

Drainage Ditches Make Good. According to the report of Engineer Seth Dean at the meeting yesterday of the Harrison-Pottawattamie joint drainage ditches in the two counties demonstrated their efficiency during the recent heavy rains and attendant flood conditions. There was, however, considerable damage to crops in the fields from the rainfall which because of the high stage of the Missouri river could not be drained.

Two small breaks were reported by Mr. Dean in the levees along the Willow creek ditch but these could be easily repaired. The Willow creek ditch carried practically all the water that flowed into it, declared Mr. Dean in his report regarding the ditch to the contractor. Mr. Dean reported had not yet removed it and the board decided to take the matter in hand. It will meet July 29 in Missouri Valley and look the ground over. In the event that the Western Dredging company which has the contract for this ditch fails to remove the sediment, the board will take steps to have the work done and deduct the cost from balance due the firm.

It was decided to construct a levee along the south side of the Boyer river channel at the head of Cut-Off No. 1, as soon as the right of way should be obtained. The supervisors of Pottawattamie county at the close of the joint meeting held a short session at which thirteen saloon licenses were ordered refunded and some minor matters attended to. The board adjourned to August 10 at which time some local drainage matters will be attended to.

Uncalled for Jewelry Repairs. We would consider it a great favor if persons having uncalled for jewelry repairs would call for same before we move into our new location. Emil H. Leffert.

ELECTRIC LINE TO RED OAK

Plans to Build Two Links Between That City and Des Moines.

PAROLED MAN COMMITS SUICIDE

Fritz Reel, Who Killed Carl Leake Several Years Ago, Takes Carbonic Acid—Power to Raise Rates.

(From a Staff Correspondent. DES MOINES, Ia., July 20.—(Special Telegram.)—At a meeting of farmers and bankers and other citizens of Red Oak, Adel, Suart and other cities between Red Oak and Adel with Des Moines business men today it was practically decided that the interurban from Red Oak to Adel to connect with the interurban from there to Des Moines will be built. The right of way, and the bulk of the stock has been secured and the financing arranged for.

They ask now that the Des Moines people extend the line that runs from Des Moines to Perry on to Adel. Judge Deemer of the supreme court is at the head of the Red Oak delegation and banker E. H. Leach of Adel is at the head of the interests there. Another meeting will be held in a few days.

Paroled Man Kills Himself. Fritz Reel, a paroled convict, carbonic acid today and died some hours later. He is thought to have brooded over his killing Carl Leake many years ago as well as over marital troubles of recent origin.

Lowland Crops in Poor Shape. According to the weather and crop report issued today by Director Chappell thousands of acres of corn on the lowlands in Iowa will never mature and though on the highland the crop is in good shape taking the state as a whole the crop is bound to be short.

Power to Raise Rates. Railroad lawyers this afternoon submitted briefs and arguments to prove that the railroad commission has authority to raise railroad rates. The claim that the commission did not have such authority is being made by the shippers who claimed it could only lower the rates. The question will probably be submitted to the attorney general. At the hearings today the commission continued the petition of the manufacturers to cut out the requirements as to crates for buggies and sporting lunches. After having been asked they should take a higher classification to give the manufacturers a chance to submit something more definite. The railroads argued their petition for abrogation of the order requiring the small car charge when a small car is ordered and a large car used claiming there are nothing but large cars used now.

20 Per Cent Discount Sale. Commencing Wednesday morning we place on sale our entire stock of up-to-date shoes at 20 per cent discount. No goods bought for this occasion. Everything regular stock. We save you 20 cents on every dollar's worth of shoes you buy. Duncan Shoe Co., 23 South Main street.

YOUNG BALLOONIST IS HURT

Struck Head on Brick Building as Balloon Rises and May Die.

BOONE, Ia., July 20.—(Special.)—Word was received in this city yesterday of an accident which will be fatal, that has befallen Roy E. Fye, of this city, a balloonist, now traveling with Gifford Bros. big carnival attractions. The accident occurred in Sibley, Ia. His death is expected at any moment, as his fall from a great height caused many serious injuries.

Fye was making a balloon ascension, his scheduled time being 6 o'clock, the balloon had been strung up next to the two-story city hall building, which was the unfortunate young man struck in falling from the balloon. He went up with the balloon by the usual hand hold, throwing his feet up to make the ascent head downward. In doing this he lost his ankle hold and not having his usual safety rope fast, striking the city hall building a glancing blow, about five feet from the top of the structure. When he lost his hold on the balloon, the bag was 100 feet in the air and soaring rapidly. One of his arms, three ribs and his nose are broken and his head is badly bruised.

Twenty per cent discount on our entire line of hammocks. Peterson & Schoening Co.

MEADOW BROOK FARM IS SOLD

Famous Iowa Estate Brings Big Price—Sold by T. L. Ashford.

BOONE, Ia., July 20.—(Special Telegram.)—Meadowbrook farm, one of the most beautiful farms in Iowa, was sold today by Colonel T. L. Ashford for \$15,200. It had been purchased a few days ago for \$13,000, netting Ashford a neat sum on the investment. The purchaser of Meadowbrook is Ed Mackey, he will make his home there.

Let us figure your contract on painting. We know we can satisfy you. H. Borwick, 211 South Main street.

Musicians Coming to Omaha.

IOWA CITY, Ia., July 20.—(Special.)—Prof. and Mrs. Henry G. Cox of the university school of music leave soon for Omaha where they will open a private studio. Professor Cox has established himself firmly in this city as a director and organizer of musical organizations and his success in the musical line has been pronounced.

If You Are Fat and Hot Read This Article

There is no necessity of fat people suffering as they do. Fat people are so good-natured they do not care how they look or how they get along during the hot weather. As a matter of fact there is a natural fat reducer that in the past several years has been demonstrating that it will reduce fat and not leave the body or leave big, flabby rolls of skin and wrinkles. This method is the famous Marmola prescription, which is now prepared in tablet form to meet the needs of fat people in the summer and to enable them at all times to take their fat reducer after each meal. One of these little tablets taken after a meal turns that meal into good food for the blood and stops all fat-producing elements from going into the system. Marmola Tablets has an army of men and women who testify to its success. And you would tire reading what they say of its triumph. Marmola tablets not only stop producing fat in the body, but they reduce flesh at the rate of from 12 to 15 ounces a day. They are harmless and do nothing but assist nature to give to the body the normal shape. They are sold at all drug stores, price 75c, or you may write The Marmola Company, Dept. 32, Detroit, Mich.

Boy is Badly Injured.

TABOR, Ia., July 20.—(Special.)—Joseph Ovington, the 14-year-old son of Mrs. Ovington, a widow, of Tabor was seriously injured in a runaway accident while on the way home with John Alstrope, a young farmer living northeast of town. When about two miles north of Tabor the team became unmanageable and ran away, throwing both man and boy out. The latter landed on his head and has been in more or less of a comatose condition alternating with severe convulsions ever since, but seems easier and more rational today. His mother was called home from Tabor where she has been relatives for some months. Mr. Alstrope escaped with some severe bruises and a black eye.

WANTED TWO CARRIERS TO CARRY THE BEE. APPLY BEE OFFICE, 15 SCOTT STREET.

GLIDDENITES AND A CIRCUS

(Continued from First Page.)

and mechanics finally gave up the search for them and prepared for an early morning absorption of information tomorrow before the start.

Today's running time for the 18.4 miles was 6:27. A quiet tip had gone forth that the roads in places were execrable. As a consequence every man started to make up time from the minute he checked out. The result was that the first cars in, the Pierce-Arrow and Marmon, were over an hour ahead of their schedule, the route producing few of the terrors predicted for them. Some humpy going, with now and then a bad chuckhole were found from Elmore in a distance of eighty-four miles. Almost every company interested in the tour has received reports from scouts along the route to Council Bluffs tomorrow, and all are keeping their information secret. As a consequence every driver suspects some other driver of knowing more of the route than he does. The indications are that on this account the cars will be herded together on the road like sheep, every man scorching when every other man does, and all slowing up when the leaders do, on the
