A Delicious, Nourishing Meal for 5 Cents

YOU don't believe it, do you? Here it is: Take two SHREDDED WHEAT BISCUITS; heat them in the oven to restore crispness, pour hot milk over them; add a little cream and salt to suit the taste.

Or, if you don't like milk, try it this way: Heat two Biscuits in oven to restore crispness; then dip them quickly in salt water, place a piece of butter on the Biscuit, allowing it to melt into the shreds.

Or, heat the Biscuits in oven, dip them in milk, drain, and fry in butter, after which they may be served with a little cream, if desired.

A little fruit makes the meal even more wholesome and adds little to the cost. Try one of these tomorrow.

Shredded Wheat is made of the choicest selected white wheat, cleaned, steam-cooked and baked. Try it for breakfast to-morrow with milk or cream. The Biscuit is also delicious for any meal in combination with fresh or preserved fruits.
