July Report on Business Failures Best of Any Month Since Early In 1907- All Show Gain.

NEW YORK, July 30 - R. G. Dun's Co.'s. weekly Review of Trade tomorrow Will

Crop reports are favorable, especially for corn and spring wheat, with winter wheat nearly harvested. Indications point to the early enactment of the new tariff. The excellent conditions in the iron and steel

tive, they frequently state that further business would come from them on various

lines after their return home.

The shoe trade is not active, but some improvement continues and fair orders are placed by wholesalers. Leather buyers entinue to hold off, but the market is
