Isn't Imported

There is no need to pay twice the price of Hydrox for "imported," to get a first-class ginger ale.

Hydrox, at three times the cost of imported, couldn't be made any better.

You pay for Hydrox the same as "imported" costs, minus the import duty. The difference is only in price, not in quality. In many cases you even get an inferior grade in imported. But the only way to know is to test them.

GINGER ALE

Match the best imported ginger ale that you know with Hydrox in gas. Our water is double distilled actual comparison. Abandon all prejudice. Then decide. and aerated. Here's what we do to get quality: We import Ginger Root from
