KEELEY EASY, OMAHA LOSES

Little Senator Unable to Stop Des Moines in Rampage.

PA LEAVES HIM TO LAST

Iowans Use Three Pitchers When They See Game is Doubtful—Peevish Glenalvin Chases Rourke Off Grounds.

DES MOINES, Ia., Aug. 2.—Des Moines and Omaha played another strenuous game today, Des Moines winning 8 to 7. Omaha again gave Des Moines a big scare in the latter part of the encounter and Dwyer was compelled to change pitchers three times. McGregor started and with the exception of the first inning, pitched good ball. He was a little wild in the seventh and Biersdorfer was put in. He became wild in the ninth and Lange went in. He passed two men, forcing in a run, but struck out Gonding for the last out in the game.

Des Moines batted Keeley in timely fashion. Hard batting tied up the score in the first inning, after Omaha had scored three runs. The batting of McGregor and Niehoff was noteworthy. Twelve sacrifice hits were made during the game.

In the eighth inning Rourke's remarks from the bench riled Glenalvin and the Omaha manager-owner was chased to the far end of the park, from where he watched his team make a gallant fight for the game. Score:

SIOUX CITY WINS IN ELEVENTH

Fans Object to Close Decision and Chase Umpire to Clubhouse.

LINCOLN, Aug. 2.—Sioux City bagged an eleven-inning game from Lincoln today by a 4 to 3 score. The Links both outbatted and outfielded the Champions, but were nosed out at the wire. McCafferty pitched a strong game until the ninth inning, when Andreas and Towne were passed to first with two out. Welch lifted a high fly to Green, who lost it in the wind and let it go for a three-bagger. The tying runs scored on the play. Edmondson's two-sacked and Welch's hot single to center sent the winning run to the plate. Hogreiver made a dash for home on a steal in the tenth inning. Towne jumped a yard in front of the plate, took From's pitched ball and tagged the runner. Manager Fox claimed the run should score on interference with the batsman, but Clarke ruled again against Lincoln. Fox then protested the game, filing written notice with the umpire. After the game a crowd of 300 fans pelted Clarke with cushions and chased him into the club house, where he was protected from violence by the Lincoln players. Score:

WICHITA PILES UP BIG SCORE

Eighteen Hits Off Wright Result in Fourteen Runs.

WICHITA, Aug. 2.—The Jobbers treated Rasty Wright shamefully today, pounding his offerings for eighteen hits and fourteen runs, while the visitors gathered but four runs off Brennan. Brennan pitched another easy game, lobbing the ball over in a careless manner, depending upon his teammates to keep him out of trouble. They did, in all but two innings, when Downie and Fenlon each secured a home run, with one on base. Score:

Locke Pitches Shutout Ball, But Errors Let in One Run.

PUEBLO, Colo., Aug. 2.—Locke pitched shut-out ball today and, although a change lineup piled up five errors behind him, Denver never had a chance. Olmstead was given one of the worst beatings of the season, twelve hits, many of them being for extra bases, being secured. Denver secured the first tally in the second on two errors and after that they were held safe, two fast double plays aiding Locke. Two catches of line drives off Jones' bat by Pritchett, one of them being converted into a double, being the feature of the game. Score:

PULLIAM IS LAID TO REST

Funeral of Base Ball Magnate Held at Louisville.

HEYDLER IS HIS SUCCESSOR

Secretary of National League is Promoted to Be Its President—Many Games are Postponed for Funeral.

LOUISVILLE, Ky., Aug. 2.—The body of Carry Clay Pulliam, late president of the National league, was brought back this afternoon to Louisville, the city he called "home" and from which he departed twelve years ago to begin the rapid climb which landed him at the top in the base ball world. The body arrived in Louisville shortly after 11 o'clock in charge of Mr. Pulliam's brother-in-law, C. W. Cain of Nashville; John Heydler, Mr. Pulliam's close friend and acting president of the National league and a guard of honor composed of club owners and men influential in the affairs of the American and National leagues, the American association and other base ball organizations. The coffin was taken to the chapel of an undertaking establishment, there to be viewed by a great number of friends.

Among the honorary pallbearers were B. B. Johnson, president of the American league; John A. Heydler, secretary of the National league; John E. Bruce, secretary of the National base ball commission; President Dreyfuss of the Pittsburg club, President Stanley Robison of the St. Louis club, President John Dovey of the Boston club, President Ebbetts of the Brooklyn club, President William Shettsline of the Philadelphia club and a number of men prominent in Louisville affairs.

It was a day of half-masted flags and deserted grounds in memory of Mr. Pulliam in the more important cities where the national game is known. The Southern league carried its flags half furled and President Kavanaugh requested that no games be played.

Instead magnates, players and friends of Mr. Pulliam gathered at his grave.

Heydler Succeeds Pulliam.

LOUISVILLE, Ky., Aug. 2.—Not more than an hour after Harry C. Pulliam, late president of the National league, had been buried in Cave Hill cemetery, this city, John Heydler of Cincinnati, secretary of the league, had been chosen president in his place, at a special meeting of the directors.

There was some feeling, of which President Charles W. Murphy of the Chicago team was spokesman, that it was indelicate to name Mr. Pulliam's successor at this time, but the league's immediate need of a qualified head was such that the directors decided upon an immediate election.

Besides electing Mr. Heydler, who is to fill Mr. Pulliam's unexpired term, the directors concerned themselves only with paying tribute to Mr. Pulliam. They designated the remainder of his salary as president during 1909 to his estate, and they appointed Garry Herrmann of Cincinnati, Barney Dreyfus of Pittsburg and C. W. Murphy as a committee to select and have erected in Cave Hill a monument to Pulliam.

In addition to this they provided that the players in the National league shall wear crepe for thirty days. The meeting was attended by four of the five league directors—Murphy, Dreyfus, Ebbets of Brooklyn and John Dovey of Boston. Garry Herrmann, the absentee, will reach Cincinnati tomorrow from the west.

President Heydler's Career.

NEW YORK, Aug. 2.—John Arnold Heydler, the new president of the National league, has been its secretary since 1902. He was born in La Fargeville, N. Y., on July 10, 1869. He learned the printing trade in Rochester and later went to Washington, where he was employed by the government.

For three years Mr. Heydler was one of the substitute umpires of the National league. While sporting editor of a Washington paper he helped the American league gain a foothold in that city. He is universally popular with club owners, managers and players.

Respect for Pulliam.

Bat and ball were laid aside by thirty professional base ball clubs today out of respect to the memory of Harry C. Pulliam, president of the National league, who was buried at Louisville, Ky., this afternoon. This is the first time in base ball history, it is said, that all clubs of the National and American leagues simultaneously refrained from their sport.

The New York State league was the only minor organization to call all of its games, but two games of the Eastern league, those at Rochester and Buffalo, were postponed.

St. Paul Wins in Tenth.

COLUMBUS, Aug. 2.—St. Paul put Columbus out of the first division by winning a ten-inning game, 7 to 6. Each error of commission by the home players was costly. The deciding run was scored on Murray's hit, Geyer's wild throw to second and an outfield fly on which Kruger secured a double play at first. Umpire Hayes ruled that Murray crossed the plate before the third out was made. Leise kept the score from being tied in the tenth by an ankle-high catch of Congalton's drive. Score:

BUFFALO, N. Y., Aug. 2.—Protests have been filed with Chairman Hower by representatives of the Premier Motorcar company and the Moline Motorcar company against the award of first prizes in the Glidden tour to two Pierce-Arrow cars.

The protests are based on allegations that the Pierce-Arrow cars were not penalized for the absence of rear lamps.

LOUISVILLE PROTESTS A GAME

Based on Decision Which Caused Mobbing of Umpire.

LOUISVILLE, Ky., Aug. 2.—Manager Chivington of the Louisville club has protested the second game of yesterday's double-header won by Minneapolis. The protest is based on a decision by Umpire Conahan, which angered several thousand fans to a degree that required twenty-five policemen to protect Conahan and his colleague, Umpire Owens, as they walked off the field. Hughes and Packard had crossed the plate while Dunleavy was running out a slow infield hit. First Baseman Gill of Minneapolis reached for the throw, which was wide, and the ball in the mixup rolled into the field. Conahan called Dunleavy safe, but ordered Hughes and Packard back to bases, claiming Dunleavy had interfered with the ball.

DEAL FOR DONLIN IS OFF

Isman Announces Trade for Magee Will Not Be Made.

PHILADELPHIA, Aug. 2.—Felix Isman today announced the failure of the deal whereby the Philadelphia National league base ball club was to get Mike Donlin from the New York Nationals in exchange for Outfielder Magee of the local club.

Mr. Isman announced that he had decided not to enter his option for the purchase of an interest in the club. He said:

"My principal idea was to have Mike Donlin as captain, manager and player. This included the deposing of Mr. Murray as manager. The other owners could not see the matter in this light and this afternoon I notified the parties to the negotiations that I would not buy the stock."
