How to Make the Fat Comfortable in Summer If you are fat and have difficulty in breathing or walking or eating and if you find the heat is exhausting to you during the heated term you will be interested in knowing that the famous Marmola prescription is now being prepared in tablet form and that one of these little tablets taken after each meal and at bedtime will reduce your fat at the rate of from 12 to 15 ounces per day.

Scenes at the Murder. Pate was the first witness called and he rehearsed the scenes of the night of the murder, telling what he and Hamilton did before they went to bed; relating how he was aroused from his sleep by a rap on the door and how Hamilton was called and two shots fired in the office and later three more fired outdoors.

JEWELERS HEAR PRESIDENT (Continued from First Page.) replied by First Vice President A. E. Paegel of Minneapolis. The reports of the national secretary and treasurer intended to return to her home at Florence from St. Paul last Saturday and that she was persuaded to remain over Sunday. She now repeatedly says she wished she had gone Saturday as she had planned.

THAW BADLY RATTLED. It was shortly after this declaration that Mr. Jerome called Thaw to the stand. He was pale and apparently shaken, and kept moving and wiping his eyes glassed. The district attorney put some rather incalculable notes written by the prisoner in evidence and asked him to explain them. After parrying back and forth and laborious explanations by Thaw as to the meaning of certain writings he said: "I want you to know, Mr. Jerome, that many of these notes you call suggestions were written at the request of my lawyers."

Gentle Dentistry Should the gentleman from Wyoming read these lines, I'm sure he'll not mind my referring to his case. He had three teeth extracted, three nerves removed and a seventh tooth bridge inserted, all in two sittings. "They can't do it in our country, Doc," said he. The only reason I could do so much for him in so short a time is that I did not hurt him.

THE NEW WOMAN Made Over by Quitting Coffee. Coffee probably wrecks a greater percentage of Southerners than of Northern people for Southerners use it more freely. The work it does is distressing enough in some instances. I must have had a woman of Richmond, Va., write: "I was a coffee drinker for years and for about six years my health was completely shattered. I suffered fearfully with headaches and nervousness, also palpitation of the heart and loss of appetite."
