DETROIT IDEAL

No person of ordinary judgment will look at a Detroit Ideal Gas Stove and then go and buy some other. No person that knows anything about the Detroit Ideal will buy any other. There is nothing sold in Omaha today in the shape of a gas stove that in any way compares with it. It has the reputation wherever it is known as being in a class by itself. If you see it it will make that impression on you. If you use it it will confirm that impression. Always see others first if you contemplate buying a gas stove and then come and see the Detroit Ideal; it will save you the trouble of having to come back. We cannot name all its good points here so we will name only a few. It is the only gas stove made that has patent shallow one-piece drilled orifice burners. They do make a hotter fire with the same gas. Every burner has a patent gas pressure regulator. It is the smoothest and finest baking gas stove made. It is made of the same material that steel ranges are made of and will last a lifetime. The Morris Brothers, plumbers, formerly of Chicago, who know what the Detroit Ideal was before they came to Omaha, have provided all their residence property with them, and have an order with us now for more. They say they would not consider any other kind of a gas stove. If they could not get them here they would send for them.

They provide their property with the best of everything in order to get desirable tenants.

We sell them on small monthly payments or a cut price for cash. Remember we have the patent gas savers. They do save the gas.

Police Recover Part of Plunder

Get Back Eight Hundred of Two Thousand Dollars Negro Women Took from Reno Victim.

The police have recovered \$800 of the \$2,000 stolen from Charles Falco of Reno, Nev., on the night of July 20, at the room of a colored woman, Quedella Robinson, alias "Quetta" Robinson, Thirtieth street and Capitol avenue. The money was returned by Olie Jackson, an accessory after the fact, on the night of his arrest. The rest of the \$2,000 has not been secured by the police.
Jackson and Robert Robinson, an accomplice, were arraigned in police court Friday morning, and their preliminary hearing fixed for next Tuesday morning. Their bond was set at \$5,000 each. A short time ago "Quetta" Robinson and Grace Doyle, who stole the money while the Robinson woman entertained Falco, were bound over to the district court and the bond fixed at \$2,000 each.
Advertisements in The Bee and be happy.

Storms Prove Expensive to City

Entail Cost of Five Thousand Dollars for the Repair of Sewers.

Heavy storms during the last few months have cost the city about \$5,000 in the way of repairs to sewers.
During the first seven months of the year \$1,743.39 was taken out of the sewer maintaining fund for repair work. This is about twice as much as was spent for the same work during a like period last year. The increase, according to City Engineer Craig, is due to the excessive rainfall, which on four or five occasions burst sewers in several parts of the city.
Sewer Foreman Hutton, who has had his crew employed constantly on repair work the last six weeks, reports that the sewers are now in about the same state as before the heavy rains began last May.
A Bloody Affair
Is lung hemorrhage. Stop it, and cure weak lungs, coughs and colds with Dr. King's New Discovery, 50c and \$1.00. Sold by Beaton Drug.
