President Despain Makes Formal Protest Against Work of Umpire George Clarke-Other Western Lengue Scores.

LINCOLN, Neb., Aug. 6.-The Links made it fairly close with Omaha for eight innings today, but the visitors rushed in Boston ... five scores in the ninth, and were the victors by a score of 9 to 2. McCafferty walked four batsmen in the last round and was touched for as many hits. McGee lasted two innings, but was relieved brcause of wildness. Keeley pitched strong ball, except in the fourth, when the Links bunched three hits for one run. President Despain of the Lincoln club has entered such a strong protest against the bus at St. Paul; Louisville at Kansas City. umpiring of Clarke that the league president, N. L. O'Nelll, wired today that he had left Chicago today on a hunt for umpires. The Lincoln magnate will insist upon Clarke's removal The Lincoln club has purchased the release of Third Baseman Cockman from St. Paul. Cockman is to join the Lincolns next Monday in Des Moines. Pitcher Johnson, whose release was purchased from Lincoln by Sloux City, left today to join the Champs in Des Moines. The score: LINCOLN

DENVER BATS OUT VICTORY Grisslies Make Seven Runs in Fourth

and Fifth Innings.

DENVER, Colo., Aug. 6.—(Special.)—Hard hitting at the right time gave Denver to day's game. Fine catches by Cassidy and Jones and superb fielding by Hartman were other features. Denver was again made to call upon Henry Olmstead to save the game, as Wichita began taking liberties with Wasson's delivery in the fourth inning. Henry was equal to the task, going in with two men on bases and none out and preventing a score. Denver's score in the second was due to an error by White, the only one of the game, and a hit by Stankard. Then in the first of the fourth Wichita made two runs by getting three hits off Wasson. In the last half of—the linning a three-base hit by Jones, another and Fifth Innings. hits off Wasson. In the last half of—the inning a three-base hit by Jones, another of the same sort by Hohannon, a deliberate base on balls to Stankard, a hit by Hartman and a sacrifice by Olmstead gave Denver three runs and the tead. Four runs in the fifth were due to two balls, a two-barger by Jones and a home run by Bohannon. Wichita's run in the eightn was earned with three singles, score;

fight practically unmarked.

English is quick and scientific, but he, too, lacks the punch that carries the sleeping powder. There was only one knockdown, when English put the sailor to the floor, but the latter was on his feet in an instant.

In the seventh round English had things his own way and hit the sailor when and where he pleased, but could not knock him out. At the close of the round Kelley tottered to his corner and his seconds tossed a sponge to the center of the ring and Referee Dave Cole announced English the The attendance was about 500.

### Rifle Matches at Sea Girt Range

Experts Will Gather for Eight Days of Competiton Early Next Month.

WASHINGTON, Aug. 5.-From Camp Perry, O., where the national rifle matches will be shot, a large number of the state and regular service teams will go to Sea Girt. N. J., to compete in the matches of the New York, New Jersey and Pennsylvania State Rifle associations, which will be shot simultaneously from September 3 to Il inclusive. Governor Fort will open his summer home for a time during the matches and there will be the usual number of distinguished visitors. The association of American International Riflemen, which is limited to members, alternates and officers of international teams, will hold its annual banquet during the matches and there will be other social functions at the clubhouse of the New Jersey State Rifle association, both of a formal and informal character. A historic match will be revived this year under the auspices of the International Riflemen, who are the creme de la creme of the shooting world. It is the Nevada match, which has not

been shot for fifteen years. In the early '70s some Nevada enthusiasts put up a trophy for long range shooting at 600, 900, and 1,200 yards. It is composed of Nevada's products, gold and silver, and cost \$500, with a sentimental value far in excess. For some reason the match was abandoned in 1894, after having been shot from 1875 to that date. Since then the old Springfield rifle has been abandoned, having been o succeeded by the Krag and then by the new Springfield. Black powder has given way to smokeless and so rapid have been the improvements in ammunition that the general efficiency of the 1909 ammunition over that of 1908 is estimated at not less than 10 per cent. Experts are tired of the 1,000 yards range, where "centers" are too numerous to attract more than passing notice and are looking forward with pleasure at trying Uncle Sam's new rifles and ammunition at 1,200 yards for the first time. required to give a bond of \$500 for its safety and will receive a bronze medallion of it to become his trophy. There will also be a number of cash prizes.

Another interesting new matche will be the Maxim long range match at 1,000 yards, Jacob Gehrig of Benson, a well known in which the Maxim "silencer" is perturner, has been engaged as assistant phys. mitted. Mr. Maxim has given \$200 and a Alicen Wilson. ical director for the Young Men's Chris- gold medal for this match, which will be ical director for the Young Men's Christonia gold medal for this match, which will be tan association. Old Trotter Wins the \$2,000 Purse in Straight Heats in Spite of His Pronounced Lame-

Beas.

KALAMAZOO, Aug. 8.-The grand circult meeting wound up with great racing and the fastest heats of the year. In the two-minute pace The Eel was favorite and justified the opinion in which he was held The first heat saw Hedgwood Boy trail The Eel all the way. In the stretch Hedgewood Boy got as far as The Eel's flank, but hung there until he broke, The Eel winning under a drive. Hedgewood Boy broke on the last turn in the second round and Citation and Alleen Wilson took up the chase. It was a spectacular finish and The Eel won by a nose from Citation, while she beat Alleen Wilson as much. The time is the season's record and within a quarter of a second of Joe Patchen's stallion record for two heats.

The 2:11 trot also proved a hard race and the veteran Country Jay lasted just long enough to get the decision. This 13-yearold gelding won the first heat by a neck, the second a little easier, and in the third, after racing the last sixteenth head and head with Carroll, was given the heat. It was the closest finish of the week and the showing of Country Jay was all the more wonderful because of his pronounced lameness. The other races were easily won. From here the horses go in three directions, a majority to Cleveland, where the new track will be opened Tuesday, and the rest to Grand Rapids and Galesburg

the blood; the cuticle is always healthy where the circulation is free from impurities. When the blood is infected with acrid or unhealthy matter it cannot perform its natural work of nourishing the skin, regulating its temperature and preserving its normal softness, pliability and healthfulness. Instead it irritates and inflames the delicate fibres and tissues around the pores and glands and produces some of the many forms of akin disease. The itching and stinging so often accompanying skin affections are produced by the deposit from the blood of the acrid humors with which it is filled, into the sensitive membranous fiesh lying just beneath the state and surrounding the countless nerves, pores and glands. This explains why scratching the outer skin affords no relief from the itching and burning. S. S.
