PUEBLO PILES UP BIG SCORE

Wildness of Shaner and Bond Aid the Indians.

PUEBLO, Aug. 8.—Shanner and Baird were both wild today, walking ten men, which, with timely hitting by Puchlo, resulted in a big score. Wichita had a lead of two runs in the first inning, but after that Locke pitched good bail, keeping them scattered. In the second inning two men passed, Walter's single and Mitze's two-bagger, an out and Curtis' single netted four runs. In the third inning the locals secured seven runs off one hit. Shanner forced in one while Baird forced in two others, while Cole dropped an easy fly with the bases full, three runs scoring. Splendid catches of hard drives by Curtis and Middleton were the features of the game. Score:

Now that it is all over, doesn't it seem strange that a man would ever have thought of trading Outfielder Magee for Mike Donlin? Mike has been out of the game for a season. What he might do is a problem. What Magee is doing is known to all—he is one of the best fielders and batters in the business. Besides Donlin is going and Magee is coming. Nor is it a cinch that Donlin would compare with Billy Murray as a manager. No base ball man did think of making the trade. was Felix Isman, a stockholder,
