Reeley Pitched Good Ball But the Stonx Came to the Rescue at the Very Last and Batted Out the Game.

Omaha, 2; Sloux City, 3. A minth inning rally did it.

Keeley pitched remarkable ball for eight innings, but when it came to the crucial test in the fatal ninth, those terrible Stoux samped all over him and batted out the Topeka at Denver. game. The score was even, 1 and 1 when the ninth started and Weich had Cincin been retired when Hunter landed on a beaut and drove it to the middle field fence for three sacks. Edmondson was next up and Keeley worked hard with him. Cadman missed one chance to retire him by dropping a foul tip, but he afterwards Kesley had the Indian sign on him for the third out. The first two balls pitched went for strikes and then Keeley tried the Belden, lf.....

Two three sackers and the tie Adams, p. was broken. Babe Towne was sent in to bat for Shea and he drove in another run by a hit past Pendry

Omaha came back hard in the last of the Wooley, cf.... ninth, but fell just short of tieing the Kunkle, 2b.... score. Kane and Pendry opened with singles and advanced another base each when Stowall let Pendry's hit rell by him. Davidson died to the pitcher and Kane scored on Cadman's out, short to first. Anderson, sa Hollenbeck was sent in to bat for Keeley Harris, p ... and a hit meant a tie. Hollenbeck hit the ball hard, but Hunter could reach it and the game was lost.

Freeman started to work for Sloux City. but after he had pitched five innings he asked to be retired as he was a little shaky. Chabek pitched out the game and while he was exasperatingly slow, he pitched good ball. Keeley was very steady until the ninth and pitched shut-out ball, the only run made by the Soo' being caused by errors.

Omaha did the first scoring in the first

inning on a hit, two errors and a sacrifice. Stovall singled and Pendry juggled Shea's grounder. Freeman sacrificed them on a Bader if sack. Smith hit one at Fox, which the Colligan, manager threw wild to the plate and Dwyar. Stovall scored.

TENNIS TOURNAMENT IN DAKOTA Decline in Corn Causes Speculator to Sell Stock Freely. NEW YORK, Aug. 9 .- Speculators in stocks expressed their disappointment over GRAND FORKS, N. If an old sore existed simply because the flesh was diseased at that particular spot, it would be an easy matter to apply some remedy directly to the place that would kill the germs; or the diseased flesh might be removed by a surgical operation and a cure effected. But the very fact that old sores resist every form of local or external treatment, and even return after being cut away, shows that back of them is a morbid conse which must be removed before a cure can result. Just as long as the pollution continues in the blood, the ulcer remains an open cesspool for the deposit of impurities which the circulation throws off. S.S.S. cures and Sores by purifying the blood. It removes every trace of impurity and taint from the circulation, and thus completely does away with the cause. When S.S.S. has cleansed the blood, the sore begins to heal, and it is not a surface cure, but the healing process begins at the bottom, soon the discharge ceases, the inflammation leaves, and the place fills in with firm, healthy flesh. Under the purifying and tonic effects of S. S. S. the system is built up, and those whose health has been impaired by the drain and worry of an old sore will be doubly benefited by its use.
