ROURKES FAIL TO HIT BALL

Champs Win Third of Series in Hollow Style.

SANDERS' CAREER IN BOX BRIEF

From Pitches for Visitors and Holds Omaha to Single Hit Until Eighth, When Alderman is Sent In.

Omaha, 2; Sioux City, 7.

The Sioux hit the ball and the Rourkes could not.

That was the whole story of the third game of the series which was won by those restless Soo, who persisted in pounding two of Pa's premier pitchers all over the lot.

Sanders started out to work, but did not last long. Smith opened on him with a double, and after he had died at third on Campbell's grounder to Sanders, Andreas hit to Davidson, but the new man ran in and the ball scooted by him for three sacks. Manager Fox did not wait a minute, but pulled Sanders out and sent Lower in. That sturdy youth got away with the inning all right, and for three more innings he held the Soo safe. Then the bombardment began.

From pitched better than he knew how all through the game. He relied entirely on his speed and got away with it until the eighth inning, when the Rourkes woke up and forced him to retire in favor of Alderman, who held the game safe the rest of the route.

Quite an argument came up in the opening inning, when Sanders retired. Holmes had announced to the scorers that Shea was to catch and that he would bat in eight position in the batting order. After Sanders retired and Lower was called in, Ducky changed his plans and sent Towne to bat. Fox maintained that he had to stick to his batting order, but Umpire Clark held that, as the men had not been to bat yet, Holmes had a right to send them up in any order he choose.

The wisdom of sending Towne in instead of Shea was shown right away, for Towne knocked a long sacrifice fly on which Andreas scored from third. He afterwards got two hits in the game.

Rally in Eighth Fizzles.

The Rourke family could not hit From. The only hit made for seven innings was by Lower in the third after two were down. In the eighth Omaha made a slight rally, and for a time looked dangerous, but Alderman was called in and saved the day for Ducky. Fox reached first in the eighth on a hot grounder which Hunter fumbled. King followed with a three-sacker, which scored Omaha's first run. Kane popped one to Andreas and Welch was hit for the second time. Pendry scored King with a single and Welch went to third. Holmes thought he had better be safe than sorry, so he yanked From out and called upon Alderman.

A neat little squabble ensued at this point. Fox had called upon Hollenbeck to hit for Davidson. When Ducky saw this he motioned for Alderman to go in. Fox changed and sent Schipke to bat, when Holmes changed and had From stay. The "ump" ruled that Holmes had to make the first move to break the deadlock, and Alderman went on with the game.

Notes of Game.

Alderman and Hollenbeck again today.

After today's game the Sioux and the Rourkes will leave Omaha for quite a visit abroad.

Dr. Welch made the feature catch of the game on a hard run after H. Welch's drive to right.

King got a hard rap when Campbell's grounder took a bad bound and hit him in the chest.

Dr. Welch was soaked twice with a pitched ball and walked once. The doctor does not take kindly to being hit.

Red Fisher had a bad fall in trying to get Edmondson's long fly. The ball was falling just inside the fence and Fisher was about to nail it when he fell over one of the fence braces. Ed made third on the fall.

DENVER WINS BY BUNCHING HITS

Scores Four Times in Each of Two Innings.

DENVER, Colo., August 10.—Denver won a loosely played game today by bunching six singles in the fourth inning. Neither pitcher could prevent hitting, but Olmsted was more effective in pinches. Topeka made all the long hits, each coming with men on bases. Catches by Fenlon and Belden in left field were features, as the two players stayed nearly out of the park to be at the right place. Denver opened strong in the first inning, two bases on balls, an error, two sacrifices and three hits, giving four runs. In the sixth Olmsted started a batting rally by just pushing a ball past the pitcher, it stopping far short of the second baseman. Then five hits following, gave four more runs. Topeka began in the second, a base on balls, Stankard's error, Anderson's three bagger and Kaufman's single, giving three runs. In the next inning Fenlon's three bagger and two singles gave two more runs. In the fifth, Kunkle's single, Stankard's error and Fenlon's single gave another. In the eighth, Wooley's single was followed by Geier's three bagger, the latter going out at the home plate. Score:

SHANER TOO FREE WITH PASSES

Hits Following Make Game Easy for Pueblo.

PUEBLO, Aug. 10.—Shaner passed eleven of the locals today and hit one, and the Indians hit often enough to pile up a big score. Jackson was also hit hard, but was effective in pinches. The locals scored in every inning except the sixth, bases on balls, errors and misplays which did not get into the box score being responsible for most of the tallies. Weaver was put out of the game in the second inning for disputing a decision, and Manager Holland announced that the game was being played under protest. Wichita bunched its hits in the first and fifth innings, but was never dangerous afterwards. Score:

GAMES IN NATIONAL LEAGUE

Pittsburg Wins from Boston in the Twelfth Inning.

PITTSBURG, Aug. 10.—Pittsburg defeated Boston today. Brown was wild in the first inning and forced in a run on consecutive bases on balls but thereafter did not allow a hit until the seventh inning. The winning run was scored when Gibson was given a free pass, advanced to second by Adams' sacrifice and scored on a single by Leach. Clarke was put out of the game in the eleventh innning for making a remark distasteful to Klem and Wagner took his place in left field. Score:

ATHLETICS DEFEAT TIGERS

Philadelphia Takes Three Out of Four from Detroit.

SUMMERS OUTPITCHES PLANK

Latter is More Effective in Pinches and Allows But One Run on Ten Hits—Great Crowd Sees Game.

PHILADELPHIA, Pa., Aug. 10.—Philadelphia today defeated Detroit for the third time in the series of four games. The score was 2 to 1. The game was the most exciting played during the series. The crowd numbered 19,000. Summers' outpitched Plank, the former being hit safely less frequently and also having better control, but Plank steadied himself in the dangerous situation and wound up the game by causing Crawford and Cobb, Detroit's best hitters, to give easy chances when the bases were filled.

Plank brought in the first run of the contest in the third inning, when his drive, which would ordinarily have been good for only a single, bounded over Killifer's head and gave him a home run. Philadelphia made two more runs in the seventh inning, Collins and Oldring scoring. Detroit scored its only run in the eighth inning. McIntyre singled, and after Bush filed to Hartsel the former was safe at second when Barry muffed Plank's throw on Crawford's grounder. Cobb singled, filling the bases. Killifer's sacrifice fly to Oldring scored McIntyre. Score:

Naps Defeat Highlanders.

NEW YORK, August 10.—Cleveland knocked Hughes off the rubber today in less than two innings and won its only game of the series, 4 to 1. Berger pitched brilliant ball, but the real feature of the contest was the work of Lajoie. He made a double and two triples in four times at the bat and twice robbed Elberfeld of hits by remarkable stops. New York's one run resulted from Austin's single, which Hinchman fumbled, allowing the batter an extra base. Laporte's hit and Demmitt's sacrifice fly brought him in. Score:
