DOUGLAS DEADLOCKS BOARD

Members Present Unable to Decide on Merchandise Assessment.

OTHER COUNTIES ARE SETTLED

Indications Are State Will Again Be in Debt at the End of the Biennium on Basis of Proposed Levy.

(From a Staff Correspondent)

LINCOLN, Aug. 11.—(Special.)—The determination of Secretary of State J. P. Fink to force an increase in the valuation of the merchandise of Douglas county or secure a reconsideration of the action of the State Board of Equalization in increasing the value of bag stock, has delayed action on Douglas county's assessment, until the return of State Treasurer Brian. Even then it is possible no agreement can be reached and that it will be necessary for the board to defer action until the governor gets back from the northwest.

So Secretary Henry Seymour was instructed to proceed to certify out the valuation of all the other counties, together with a statement showing the amount of money each county is expected to pay in taxes.

Without Douglas county the total valuation of the state is \$252,236,066. The levy of 4 1/2 mills for the general fund will raise \$1,143,638; the university 1 mill levy will raise \$252,236, making a total of \$1,395,766, the total state and school tax to be paid by all the counties except Douglas, until 1911.

Analysis of the work of the board indicates that the state will again be plunged in debt under the economical nonpartisan democratic administration, notwithstanding the republican administration has just recently wiped out a \$200,000 debt.

The total appropriations to be paid out of the general fund amount to \$3,575,965. It is estimated that of this sum \$600,000 will be realized by fees paid to the state and money received from miscellaneous sources. This will leave a total of \$2,975,965 to be raised by levy. One-half of this to be raised the first year will be \$1,488,484.

The total assessed value of the state is approximately \$260,000,000. The levy for the general fund on this is 4 1/2 mills. This will realize \$1,143,638. It is estimated that 25 per cent of this will be collected, or \$285,909. This leaves the state a surplus of only \$117,579. It is estimated now that the state will be in debt at least \$200,000 by next February. And the board has abolished the levy for the redemption fund to pay off this debt.

Taxes by Counties.

The following table shows the amount of taxes each county will have to pay for state and university purposes for the year 1910 compared with 1908.

Table with columns for County, 1908, 1909, and Taxes charged. Lists counties from Adams to York with corresponding tax amounts.

Without Douglas county. Hence Journal Copy Ready. Treasurer Cone, chief clerk of the late house of representatives, visited his office for a change today and announced that

Young Woman Dies of Grief

Parents Prevent Elopement and Girl Succumbs to Sorrow.

Parents Prevent Elopement and Girl Succumbs to Sorrow.

CHESTER, Neb., Aug. 11.—(Special.)—The death of Miss Ruth Youngman at the home of her parents in Chester this morning is the climax to a series of sensational events which until now have been kept from the public generally.

Miss Youngman was the daughter of Dr. Youngman, who has practiced medicine here for many years. About two years ago Floyd Lutz, a local barber, began paying attentions to Miss Youngman, which was opposed vigorously by the girl's parents. This, however, did not change the minds of the young couple. They frequently met and resolved to put their earnings in a common fund, and opened a bank account in the girl's name and in June, when the deposits had reached \$300, they planned their elopement. The father learned of the bank account and as the girl had not yet reached her 18th birthday he immediately appropriated the funds for his own use. Undaunted by this the lover obtained other funds and eloped with his sweetheart. A telephone message from the late father asked the sheriff to receive them from the bank, and soon the couple was again in Chester. Stung by the disobedience of their daughter the father and mother determined to break up the affair and for weeks refused to allow the girl to leave the house without their consent. Three weeks ago the girl became ill from anxiety and grew worse from day to day until her death this morning.

BOY SHOCKED BY BARN DOOR

Wire Screen Becomes Charged with Electricity from Supposed Defective System.

GRAND ISLAND, Neb., Aug. 11.—(Special.)—Rudolph Bock, son of A. J. Bock, has been subjected to a severe electric shock last night. He went out to close a wire door of the barn. The wire in the door was charged by coming in contact with an electric switch and when the father heard the lad's cry for help he found the boy fastened to the door, unable to let go. The door was pulled away from the switch and the boy fell to the ground. He was unconscious for a time, but has fully recovered this morning. The many accidents of the kind and the recommendation to the city authorities of a recent coroner's jury will no doubt lead to an inspection of the entire wiring system.

Urban Goes to Denver.

Ralph O. Urban of Omaha must go back to Denver and stand trial on a charge of forgery. Governor Shallenberger honored the requisition issued by the governor of Colorado before he left town last night. The hearing was had in the case Monday and action was postponed pending a message from Denver.

Hopewell Acting Governor.

Lieutenant Governor Hopewell is expected here tomorrow to preside as chief executive of the state during the absence of Governor Shallenberger. The first thing on the docket tomorrow is another hearing on the requisition issued by the governor of Illinois for the return of one Pospical of Omaha, wanted for wife desertion.

Mixup Over a Health Meeting

Announced for Epworth Assembly, but Meeting Place is Denied.

(From a Staff Correspondent.) LINCOLN, Aug. 11.—(Special Telegram.)—The State Health association and the Epworth assembly had a little misunderstanding this afternoon, which resulted in the meeting called by the Health association for the Epworth park not being held.

The officers of the State Health association, which is devoted to educational work in eradicating tuberculosis and other diseases, say arrangements had been made for holding the meeting in one of the assembly buildings, but at the last moment the privilege was denied because the program was of an advertising nature, from the assembly viewpoint. On the other hand, the Epworth assembly officials say they supposed the meeting was held as scheduled in the building assigned. The stories vary greatly and no one can be found tonight who appears to know the straight of the affair.

WEED CAMPAIGN IN OTOE

Mayor and County Commissioners Order Property Owners to Get Busy at Once.

NEBRASKA CITY, Neb., Aug. 11.—(Special Telegram.)—The county commissioners have given notice to all farmers to comply with the law in the matter of cutting weeds about their places and that unless it is done and roads kept clear the work will be done and charged up to their property. This is the first time this law has ever been enforced in this county. The commissioners are following the example set by Mayor Jackson, regarding the cutting of the weeds in this city. In both instances the fifteen days of this month is the limit, when the weeds must be cut by the property owners in both city and county.

Third Accident for Boy.

GRAND ISLAND, Neb., Aug. 11.—(Special.)—Stewart Barber, son of Rev. O. B. Barber, is convinced that he has not had the "rule of three" and has had enough of accidents. About two years ago he was thrown from a horse against a telephone pole and was injured so seriously that for a time, life was despaired of. Five weeks ago, at a Sunday school picnic, he fell from a swing and broke his right arm. He has scarcely recovered from this injury when, last night, he made a mistake in jumping from a springboard and broke the left arm.

Contest Over Water Works.

KEARNEY, Neb., Aug. 11.—(Special.)—The water works situation in this city is the most important issue to be voted on in connection with the primaries next Tuesday. The question will be whether to issue bonds to the amount of \$150,000 to buy the present plant from the American Water company or to issue same to build a new plant. The first proposition will be submitted to the people Tuesday and should it be defeated the latter will be voted on later.

Two Million Dollars for a Bakery

that's a big price to pay for a bakery —you could build one for a few hundred—but you couldn't bake eight million

Shredded Wheat Biscuit

in it every week in the year, and if you could, they wouldn't be so clean, pure or wholesome as the Biscuit that are baked in our two million dollar sunlit bakery. Food Fads may come and go, but Shredded Wheat goes on forever. A perfect food for the complete nourishment of the human body. Always pure, always clean, always nutritious, always the same. Two Shredded Wheat Biscuits with hot milk for breakfast will supply all the energy needed for a half day's work. Your grocer sells it.

Shredded Wheat is made of the choicest selected white wheat, cleaned, steam-cooked and baked. Try it for breakfast to-morrow with milk or cream. The Biscuit is also delicious for any meal in combination with fresh or preserved fruits.

THE ONLY "BREAKFAST CEREAL" MADE IN BISCUIT FORM

conducted by the pastor, Rev. Richard Pearson.

STANDARD MUST PAY DUTY

Oil Company Runs Up Against New Phase of Tariff Law.

INVOLVES INSULAR SHIPMENTS

Ten Per Cent Collected on Oil Packed in Imported Tins on Which Drawback Had Been Paid.

WASHINGTON, Aug. 11.—The Standard Oil company will have to pay a duty of about 10 per cent ad valorem on oil it has exported into the Philippine islands since the new tariff bill became effective, although oil under that measure is admitted into the United States and the Philippines free of duty. This imposition of the duty results from the fact that the oil in question "the growth and product of the United States" was put up in cans made from imported tin, on which the drawback had accepted a drawback in view of the fact that the tin were for the export trade. Had the standard not asked for and received the drawback on tin used in making its cans the oil, together with the container, would have been admitted into the Philippines free. While the amount of duty that will be paid by the Standard on these shipments is not large, the decision is regarded as of importance in establishing a precedent.

OUTPUT OF PACKING HOUSES

Light Movement of Hogs Compared With Last Week and Last Year.

CINCINNATI, Aug. 11.—(Special Telegram.)—Price Current says there has been a light movement of hogs the last week. Total western packing was 360,000, compared with 405,000 the preceding week and 330,000 for the same week last year. Since March 1 the total is 10,600,000, against 11,750,000 a year ago. Prominent places compare as follows:
