Frank Gotch, world's champion wrestler, who is in Omaha for a day or two, probably will go back on the stage when the season opens. He has a flattering offer from the Empire circuit and thinks he will accept it. There is little encouragement for him to devote his time to wrestling, as he has beaten all the men who are able to make a showing against him and is ashamed to take any more easy money. Of course there isn't any dire necessity for his going on the stage, for he still has half a desen of those farms left and his \$60,000 in fhe Humboldt, La, who has beaten the best men of every country, can no longer say he is unbeatable. But it took an auto-mobile to do it. Gotch and a party of riends were on their way from his home in Humboldt yesterday in an automobile, with Gotch as chauffeur.
