**BOTNA DITCH CONTRACT LET**  
Interested Land Owners May Appeal to Court.

The Board of County Supervisors yesterday took final action in the matter of the Northwestern drainage ditch, ordering its construction, to be completed by January 1, 1911. This action, however, is contingent upon the court's interesting no objection, as several of the interested land owners have appealed from the action of the board in establishing the drainage district.

J. H. Mayne was appointed engineer in charge of construction at a salary of \$5 per day, and Mr. Mayne, J. K. Murchison and R. V. Churchill were appointed commissioners to inspect and classify the lands that will be benefited by the improvement.

J. H. Mayne was also appointed engineer

#### INTEREST IN FRUIT SHOW

Unusual Number of Special Prizes Are to Be Offered.

#### SEVERAL STATES TO EXHIBIT

Northwest Fruit Section Taking a Great Interest and Will Have Larger Exhibition Than Last Year.

Interest in the approaching fruit exposition of the National Horticultural congress is widespread, as evidenced by the numerous additions to the already long list of special premiums. These come from all parts of the country and the most of them are in the form of handsome trophies. Many of the donors of these prizes express the desire that the selection of the form of the trophy be left to the discretion of the directors of the congress, simply designating the amount of money they are willing to contribute to the purchase of the premium.

The directors have thus far obtained a considerable sum, which will permit of the placing of a large order with some responsible firm and thus secure, it is anticipated, much greater value for each trophy or silver cup to be offered. The special premium list now in the hands of the press of publication contains a number of these special trophies, but the number will be largely increased by the time the complete official premium list is printed.

Among the offerings received at the office of Superintendent Freeman Reed yesterday was a donation from The Rock Island and one from the Evans of Omaha, Wash., proprietor of the Okanogan nursery, among the largest on the Pacific coast. Offers are received almost daily from manufacturers contributing merchandise to be given as exposition premiums.

Many to Exhibit.  
Superintendent Reed has received official notification that state exhibits will be sent from Iowa, Nebraska, Maryland, Wisconsin, Michigan, Idaho, Utah and Washington, each under state auspices.

A. A. Schenck of Omaha, engineer of maintenance of the Northwestern railway, west of the Missouri river, asked for a conference with Superintendent Reed yesterday afternoon concerning a big exhibit from Oregon. Mr. Schenck is the owner of a large fruit ranch in the famous Hood river district. He left for there last evening and will not return until he comes with the Oregon and Washington delegations with big exhibits for the exposition. He will join Mr. Shepard and other exposition workers in furthering the interests of the fruit in the coast country. All of the big fruit growers in the Hood river district are enthusiastic workers for the exposition and the exhibits they will send to Council Bluffs will be the best that that famous section can produce.

William Toole of Baraboo, Wis., president of the State Horticultural society of that state, sends the official program of the organization and writes Superintendent Reed that the annual meeting of the society will be held on August 25, when the interest taken in the forthcoming exposition will be the subject of much discussion. A representative of the National Horticultural congress is asked to attend the annual meeting.

**EX-FIRE CHIEF JONES IS DEAD**  
Engineer Held Blamable by the Coroner's Jury.

Robert W. Jones, former chief of the Council Bluffs fire department who was caught and crushed between two freight cars while making a coupling Friday night in the local yards of the Rock Island Railroad company, since he had been employed as a switchman here last January, died at an early hour yesterday morning in Mercy hospital where he was taken after the accident.

At the inquest held yesterday afternoon by Coroner Treyner, the jury, composed of H. G. McGee, Ovide Vien and Frank Compton, brought in the following verdict:

That R. W. Jones came to his death while in the discharge of his duty as a switchman in the yards of the Rock Island Railroad company in Council Bluffs, and we believe the engineer, D. C. Keasey, who had charge of the engine at the time of the accident, and we recommend that the coroner hold said Keasey for further investigation.

In accordance with the recommendation of the jury Coroner Treyner issued a warrant for Engineer Keasey and he was taken into custody by Constable Baker of Justice Cooper's set. Keasey's preliminary hearing was set for Tuesday morning in Justice Cooper and in the meantime he is at liberty on a \$1,000 bond with State Senator C. Saunders, local attorney for the Rock Island railroad, as surety.

The only witnesses examined at the inquest were the members of the switching crew. They were James Jensen, fireman; D. C. Keasey, engineer; C. A. Shultz, switchman and W. J. Taylor, engine foreman.

The testimony of these four witnesses was conflicting and there was a dispute as to whether Engineer Keasey was given a signal to back the car which resulted in the fatal accident to Jones, as he claimed he was.

Jones was a member of the fire department for several years and in 1906 was appointed by the city council as chief of the department. In 1907 on the appointment of the Fire and Police commission under the new law Jones was dismissed from the position of chief after charges had been filed against him. Jones and his friends ascribed his dismissal to politics and Jones instituted quo warranto proceedings to test the right of the commission to displace him. In the district court the decision was adverse to Jones who appealed to the supreme court where the case is now pending.

Jones was an athlete, who always kept in perfect training. He and his brother, H. L. Jones, who was also a former member of the fire department, were well known for their horizontal bar and trapeze performances. They exhibited under the name of Herbert brothers and for a number of years worked through Iowa, Nebraska and neighboring states.

He was 34 years of age at the time he slides his wife, four brothers, Henry Jones of Rockwell City, Ia.; Edward Jones of Anthon, Ia.; Charles Jones and H. L. Jones of this city and one sister, Miss Cora Jones of Omaha. He was a member of the Fraternal Order of Eagles, the Knights of Pythias, the Knights of the Maccabees and the Woodmen of the World.

The funeral will be held Monday afternoon at 4 o'clock from the residence, 328 Scott street. The services at the house will be conducted by Rev. F. A. Case, pastor of the First Baptist church, while the Eagles will have charge of the services at the cemetery.

I do first-class work reasonable I make suits for \$25, shirts, \$5. I also do alterations to suit. Would you give me a trial? The Fashion, ladies' tailoring, R. H. Elmlein, proprietor, Late First Orkin Bros. 22 S. Main St.
