PASSES LOWER'S UNDOING

BOTH TEAMS WEAK WITH STICK

Denver Only Secures Three Hits, a Home Run Being Only One of These Which Figured in the Scoring.

DENVER, Aug. 17.—Bases on balls and errors were the undoing of Pitcher Lower today, for Denver could not hit his delivery, and, excepting at the moments most worth while, his support was fine. Adams was also extremely niggardly with hits, Omaha having made but four up to the ninth inning. Rain began to fall soon after the game started and lasted part of five innings, but not stopping play, Maag was given his base in the first inning, went to second on Belden's sacrifice and scored on Pendry's error. Stankard drew a base on balls to open the second inning for Denver, went to second when Haas was given his base and scored on an error by King. Jones was given first in the sixth inning, went to second on Bohannon's sacrifice and scored on Stankard's home run. With one man down, Omaha got three men on bases in the fourth inning, but Adams struck out Greene, and Gonding's easy fly was caught by Hartman. Omaha's real chance was in the ninth. Pendry, who had previously been given first each time up, made a hit. Cadman, batting for Greene, followed with a single, and Gonding made another. Hollenbeck, batting for Lower, sacrificed to center, sending in a run. Fisher struck out and Fox was retired at first. Score:

Pueblo Unable to Score Until Des Moines Eased Up.

PUEBLO, Colo., Aug. 17.—Des Moines hit Swift hard and consistently and at the same time played the Indians off their feet, thereby winning the first of the series with ease by the score of 9 to 2. The locals did not give Swift as good support as the score indicated. After the visitors had taken a lead of nine runs they settled down, as Biersdorfer was effective when there were men on bases with the exception of the eighth inning. The fielding features were furnished by Curtis, Corhan and Dwyer. Score:

WICHITA COMES UP FROM BEHIND

Wins a Game Which Appears to Be Hopelessly Lost.

WICHITA, Kan., Aug. 17.—With the count, 5 to 0, against them, the Jobbers took a brace today and finally batted out an 8 to 5 victory. The game was slow and uninteresting for the most part, enlivened occasionally by hair-raising catches by Sciuter, Davidson and Pettigrew. Davidson's marvelous fielding kept the count down for Wichita. It was Cole's last game with the Jobbers. He will leave tonight to join the Chicago White Sox. Gagnier was put out of the game in the eighth for disputing the umpire. Score:

MANAGER LAJOIE RESIGNS

Act Due to Poor Showing of Team and Demand of Patrons.

CLEVELAND, O., Aug. 17.—Napoleon Lajoie voluntarily tendered his resignation as manager of the Cleveland American League base ball team tonight to take effect as soon as a successor can be appointed by the directors of the team. Lajoie will continue to play with the team.

Lajoie's resignation is due to the large amount of criticism he has been subjected to on account of his failure to make a better showing with the team this year. Rumors of dissension among the players on account of Lajoie's alleged personal unpopularity have been rife. This, coupled with the team's losing streak on the last eastern trip caused many patrons of the game to demand his resignation. The club owners defended Lajoie.

No successor for Lajoie has been appointed and the club owners say they are undecided as to whom they will appoint.

In his letter of resignation, Lajoie said:

"I hereby tender my resignation as manager, to take effect as soon as you can select someone to take up the duties of the position.

"I feel that my obligation to you, to the public and to the players compel me to take this action at the present time. You have given me liberal support as manager for the last five years, and I feel that if any one can accomplish more with the club than I have been able to do, you deserve to have an opportunity to take advantage of the same.

"The Cleveland public has been very loyal to me under many trying circumstances. I feel that any criticism directed toward me in the past or at the present is not due to any personal feeling toward me, but has been and is solely because of a conscientious desire to see Cleveland have the winning team and it is but natural for them to put the blame on the manager who does not give them one. It has been my desire to make Cleveland the pennant winner, but if someone else can do this more quickly than I can I feel that it would be a mistake for me to allow my personal ambition to stand in the way because I want just what the public wants—a winner—and I know that it is much more important that we all get our desire than that I should be manager.

"Besides my obligation to yourselves and the public, as above stated, I feel that it is my duty to the other players on the club to give them relief from the abuse and criticism which is being heaped upon them. Just at present the boys are being subjected to a lot of abuse because of our failure to win and they are being unjustly accused of not trying and being unwilling to play for me. In my heart I feel that the players are being wronged. Not a man on the club has ever refused to do anything I have asked of him. My retirement should certainly put a stop to this criticism of the players, because it will remove the opportunity of charging them with disloyalty.

"In conclusion I wish to pledge myself to the patrons of the club who have always treated me so royally under all circumstances that I shall work just as hard as a player to give them the winner which they so richly deserve.

"I wish to thank you and the public for the loyal support which has been given me during the last five years and each and every player on the club for the hard and conscientious work he has done under my management. Very truly yours,

"N. LAJOIE"

Lajoie joined the Cleveland team in 1902, jumping from the Philadelphia National team to come here and play second base. In 1904 he succeeded William Armour as manager of the club. It has been reported that he received a salary of $10,000 a year.

GASPER PITCHES FINE GAME

Two Runs Made by Cubs Are Result Largely of Erratic Support—Evers and Beecher Injured.

CHICAGO, Aug. 17.—Overall's pitching shut out Cincinnati, 2 to 0, today. He allowed only four scattered hits and struck out nine men. Gaspar pitched well, but his support was erratic when Chicago scored its two runs. Evers was hit in the mouth by a batted ball before the game and was badly cut. Beecher dislocated a finger when he collided with the fence chasing a foul in the eighth. Score:
