Council Bluffs MILK ORDINANCE FAILS

Intended to Permit Omaha Dealers to Sell in the City.
ONLY TWO VOTES FOR MEASURE

Paving of Madison Avenue Knocked Out by Tackling Another Proposition Onto It Which is Not Favored.

Councilman Jensen's amendment to the new pure milk ordinance failed of passage at the meeting of the city council yesterday afternoon. Councilmen Morgan, McMillen, Rhoads and Younkerman voted against a suspension of the rules and the amendment consequently, somewhat to the surprise of Mr. Jensen, had to go over. Councilman Olson voted with Mr. Jensen and Councilmen Bellinger and Rigdon were absent.

The proposed amendment makes a more liberal provision as to pasteurization than provided in the ordinance as it now stands. It permits the sale of milk pasteurized outside of the city and states that such milk has been first inspected by the city food inspector without cost to the city. The amendment, it is understood, is designed especially to benefit dairy companies in Omaha selling in Council Bluffs.

A resolution providing for the paving of Madison avenue between 21st street and 23rd street failed of adoption, owing to the fact that at the instance of Councilmen Morgan and Younkerman a provision for the paving of Hyde avenue between Benton and Harrison streets was tacked onto it. Councilman Olson was opposed to the paving of Hyde avenue on the count of most of the abutting property being unimproved and he voted against the resolution. As a resolution ordering paving requires the vote of two-thirds of the council, or six votes, the resolution failed of adoption.

An ordinance changing the name of the street heretofore known as Benton street extension to Hyde avenue was passed under a suspension of the rules. In order to reduce the cost of the proposed paving on Hyde avenue the council by resolution decreased the width of the thoroughfare to twenty feet to twenty-six feet. The resolution for paving these two streets will be brought up again at the meeting next Monday night, when it is expected it will receive sufficient votes.

Lots Ordered Filled.
A resolution was adopted ordering the filling of several lots on A. venue E. between Ninth and Tenth streets, which at present are filled with stagnant water, which has overflowed into the cellars of adjoining houses. The owners of these lots will be required to comply with the order within ten days, otherwise the city will do the work and assess the cost against the property. In order that there might be no delay in the matter the city clerk was instructed to advertise for bids for filling these lots.

An ordinance granting George B. Powell, representing the Omaha Grain exchange, permission to extend the office building which the company plans erecting with standard scales at the intersection of Pearl and Main streets on property owned by the city four feet on each side, was passed under a suspension of the rules. The company under its ten-year lease from the city intends, it was stated, to erect a brick office building 1250 feet long.

The contract with the Miracle Pressed Stone company of Minneapolis, Peter Nelson and the Council Bluffs Concrete company for their respective shares of the cement sidewalks were approved and ordered signed by the mayor. The contracts with the Miracle company amount to \$6,000 with the Nelson company to about \$6,000 and with the Council Bluffs Concrete company to about \$1,000. J. P. Wickman secured about \$7,000 of the work, but the contracts with him were not presented for approval at yesterday's meeting.

Councilman Jensen called attention to the fact that the street railway company had so far failed to fulfill its promise to erect a guard rail between its tracks and Indian creek on East Broadway. The banks of the creek along Broadway were badly washed during the recent floods and the place is considered dangerous in its present condition. Mayor Maloney said he would take the matter up with the officers of the street railway company at once.

City Electrician McKinley was directed to at once remove a telegraph pole belonging to the Postal company at Oak and Pierce streets, in front of the Oscar Keeline property. One of the councilmen inquired as to what was to be done with it.

Capital Postmaster Quits.
Jack Hefflinger, postmaster at the state house, tendered his resignation to Governor Carroll today. Owen Byrne is expected to be his successor. Hefflinger was sergeant-at-arms of the house for many sessions of the legislature. When asked what he was going to do he laughingly replied he would work politics, as outdoor work agreed with him best.

Rolling on Pharmacy Law.
Attorney General Byers today sustained the new Pharmacy commission which it has no authority to transfer itinerant vendors' licenses, taking a position against C. W. Larson, the late secretary, and the practice of the old board.

Bleached Flour Seized.
On instructions of United States Attorney M. L. Temple, Marshal Bidwell today seized 20 sacks of flour at Fort Des Moines in the quartermaster's department on orders that it was artificially bleached. The flour was shipped to the army post by the Updike Milling company of Omaha.

Arrested for Bootlegging.
John Young of Marshalltown was taken before Commissioner McArthur of the federal court today on a charge of selling liquor to Indians. In default of bonds he was placed in the county jail.

Story at State Fair.
Word was received today from F. B. Conaway, editor of the Ames (Ia.) Intelligencer that the Story County Boosters have decided to attend the Iowa state fair in a body and will bring as many of the Story county people to the fair on that day as possible. A wireless telegraph outfit that has been used in Ames between the Intelligencer office and the chaletauque grounds, is to be brought to the state fair and maintained between there and the observatory building at Fourth and Locust streets.

Boone people are going to do something of the same kind and will use the Intelligencer to come to Des Moines on August 30, and at that time will install a complete exhibit of the manufacturing interests of Boone.

Keeping Up the Same Old "Gate"

It's the flavor that set the gait for the imitators—it's the same flavor that still bars them, and keeps Kellogg's in a field by itself. No one has been able to even approach it in either taste or tender crispness. There's a good reason for this.

Kellogg's—The Genuine

TOASTED CORN FLAKES

is the original—the first flakes made from corn. The process of preparing has been kept secret. So the imitators could not produce in a few months what took us years to perfect.

\$1,000 GOLD AND SILVER TROPHY FOR THE BEST EAR OF CORN TO BE KNOWN AS THE W. K. KELLOGG NATIONAL CORN TROPHY

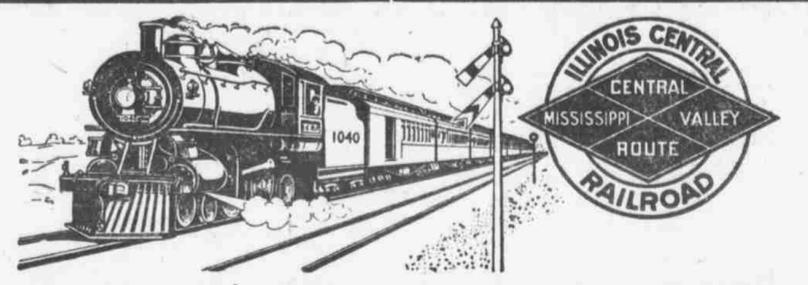

To be awarded at the National Corn Exposition, Omaha, December 12 to 18, 1909

For the purpose of encouraging the better breeding in corn for improving the quality, W. K. Kellogg, President of the Toasted Corn Flakes Co., offers a \$1,000 beautiful gold and silver trophy to the person growing the best ear of corn in two different seasons, the first season's specimen to be sent to the National Corn Exposition, Omaha, Neb., before Nov. 27th, 1909. This offer is open to every man, woman and child in the United States. It will be judged by the leading corn authority of the world, Prof. F. G. Holden. Watch this paper for further particulars.

The police raided the rooms over the 8th and 10th streets at the corner of Broadway and 10th street, Wednesday night and arrested Margaret Wood, Cecil Brown and Lorraine Black. The first named put up a cash bond of \$250 and her hearing in police court yesterday was continued until this morning. The other two women forfeited cash bonds of \$150 each yesterday by failing to appear in court.

John Stephens was arrested last evening on a warrant from the court of justice in Gardner on the charge of threatening to kill his wife, Mrs. Laura E. Stephens, from whom he is separated, and who is suing him for divorce here. Stephens has been working on a farm in Nebraska, but returned to Council Bluffs last Saturday. His wife and four children have been living on the fruit farm of J. B. Mathews, for whom Mrs. Stephens has been working as housekeeper. Stephens hired an automobile and drove out to Mathews' farm and forced his wife to accompany him to the city. Mrs. Stephens says her husband made several threats to kill her. In default of bail, placed at \$1,000, Stephens was committed to the county jail.

STREET CAR FRANCHISE OPINION

Attorney General Byers to Confer with Improvers.

Attorney General Byers has notified City Solicitor Kimball that he expects to come to Council Bluffs some day next week to confer with him regarding the franchise rights of the street railway company in Council Bluffs. This is a question which the attorney general was requested to determine by the improvement clubs in the western part of the city at the time it was sought by the clubs to obtain a 5-cent rate between this city and Omaha.

The city council, at the request of the improvement clubs, submitted the matter to City Solicitor Kimball and he has since given the question considerable study and investigation. There are a number of ordinances granting franchises for street railway purposes to different companies, under which, it is said, the Omaha & Council Bluffs Street Railway company is operating in Council Bluffs, and the question

of what franchise rights will exist under these charters is a complex one.

So far as City Solicitor Kimball is concerned he will after reaching a conclusion as to what rights still exist under the franchises, embody his findings in an opinion to the city council. What further steps, if any, will then be taken by him will depend upon that body.

RUSH TO GET CASES INTO COURT

Railroads Defendants in Numerous Damage Suits.

Saturday will be the last day for filing suits for the next term of district court, which opens on Tuesday, August 31, and consequently business is rushing in the clerk's office. The docket for the August term promises to be a heavy one.

Judge E. B. Woodruff of Glenwood will hold a session of court here tomorrow morning and on August 31 he will open his first term of court in Council Bluffs. Judge Woodruff succeeded Judge Macy of Harlan on the bench of the Fifteenth Judicial district.

Mrs. Ida M. Culver, administratrix of the estate of her deceased husband, Sampson G. Culver, has brought suit against the Northwestern Railway company for \$30,000 damages for the death of her husband. Culver, who was a railway mail clerk, was injured in the Union depot yards in Omaha on March 18, 1907, while in a mail car, which was run into by a Northwestern locomotive. Culver's skull, it is said, was fractured and his brain severely injured. After a lingering illness of over two years he died as the result of his injuries at his home in this city on May 25 of this year. Mrs. Culver sues for \$15,000 damages up to the time of her husband's death and for \$15,000 for the pecuniary loss to his family by his death.

The Rock Island Railway company is being defendant in a \$100,000 damage suit brought by Charles O. Scott, a commercial traveler. Scott alleges as a cause for the action that on May 17 of this year he boarded a northbound passenger train at Clendon, Neb., a town about thirty miles south of Lincoln, and that, although willing to pay his fare, a brakeman attempted to push him off the car and finally kicked his satchel to the ground in order to induce Scott to fall off.

Jesse C. Dimmel is plaintiff in a \$1,000 personal injury suit against the Union Pacific Railroad company, by which he was formerly employed in the shops. While assisting in holding a driving box in the shops Dimmel's thumb, so he alleges, was crushed in the machinery. He was, he says, unable to work for two months on account of the injury.

Chris Johnson asks \$1,000 damages from the Wabash Railroad company for personal injuries alleged to have been received February 12 of this year. Johnson was employed in the local yards of the Wabash as a car cleaner and alleges he was ordered to use a ladder while at work cleaning one of the coaches. The ladder slipped and Johnson fell and in falling injured his foot.

The Burlington railroad is defendant in an action brought by Joseph Michener, who seeks to recover \$1,000 for alleged injuries to a shipment of horses from Great Falls, Mont., to South Omaha. Though he places the actual damage at \$240, Michener only sues for \$1,000 to prevent the railroad company from taking the action into the federal court.

Alvin Gray and inhuman treatment to kill him, Marcellus Spaur, yesterday filed suit for divorce from Nina Spaur, to whom he was married eight years ago.

Mrs. Nettie Larson has brought suit for divorce from West Larson to whom she was married in Omaha on April 23, 1905. They only lived together for two months as the defendant, so Mrs. Larson alleges, was in the habit of amusing himself by presenting a loaded revolver at her head and threatening to shoot her.

Cruel and inhuman treatment and habitual drunkenness are the alleged causes which induced Mrs. Mary K. Sturges to seek a divorce from Arthur H. Sturges to whom she was married in Lincoln, Neb., on October 28 of last year.

Mrs. Lou Mahoney seeks a divorce from George M. Mahoney, whose wife she became in Washington county, Tenn., on November 25, 1894. She charges her husband with becoming addicted to drink and that as a result he failed to support her.

Mrs. Georgia Bethers, wife of Jacob Bethers, has filed suit against LeRoy Hawes for \$1,000 damages for alleged libel.

H. W. Whitebook, in a suit filed yesterday, asks \$1,175 damages from the Miller Brewing company for alleged breach of an oral contract for the leasing of a certain building in this city.

U. G. Cox has brought suit against J. P. Gilkinson, editor and part owner of a local labor publication for the dissolution of the partnership between him and Gilkinson, for an accounting and for the appointment of a referee or receiver. Cox and Gilkinson engaged in a partnership to publish the Union Labor Lodge and General Information directory of this city.

Federal Receiver for Beach.
Dell J. Clark of this city has been appointed by Judge Smith McPherson of the United States court, receiver of the Courtland Beach Amusement company. The application for the appointment of a receiver was made by William R. Gourley, president and general manager of the company and others, following an action brought by some of the creditors in the district court against the company. In the district court proceedings William Arnd of this city was made receiver.

COUNTY OFFICERS' CONVENTIONS.
Clerks of the Court Want to Hold Office for Life.

SIoux CITY, Ia., Aug. 19.—(Special Telegram.)—The Iowa supervisors this afternoon decided to hold their next annual convention in Cedar Rapids, which probably means that the auditors, treasurers and recorders will vote likewise. Mason City, Fort Dodge, Spirit Lake and Des Moines also were considered.

The treasurers re-elected the following officers: President—W. S. Ellis, Montgomery county. Vice President—James A. Falen, Dubuque county. Secretary—Colonel Halgrims, Humboldt county. Treasurer—W. S. Wadsworth, Winnebago county.

The auditors, clerks and recorders will hold elections tomorrow. F. W. Sargent, city attorney of Sioux City, in an address before the clerks, recommended the appointment of the clerks of the district court by judges and that they should hold office for life.

The auditors had one of the liveliest sessions, going hard after the legislature for refusing to raise the salary of their offices. The conventions will adjourn tomorrow.

STOCKHOLM, Aug. 19.—The end of the labor troubles which became acute in Stockholm the early part of this month is in sight. The leaders of the various unions have opened negotiations with the employers with the object of having the men resume work.

Rioting occurred last night at Gotenburgh and mounted policemen were called out to disperse the mob.

Children Should Drink Good Ginger Ale

Don't be afraid to let the children drink all the Hydrox Ginger Ale they want. Made as we make it they cannot get too much. And it will keep off many a stomach ache from too much fruit and green things. Genuine ginger essence is a time-proved remedy, and combined with pure carbonic acid gas it is a splendid aid to digestion.

Hydrox GINGER ALE

is made from the best ingredients—with purity carried to the extreme. Our ginger root comes from Jamaica. We make the extract ourselves in our own factory. We make the fruit extracts used for flavoring from the fruit itself—use only the best table sugar for sweetening. We might use saccharine at much less cost. But sugar is 97 per cent nutriment—nothing is better for children. We use water double distilled and aerated—inspect every bottle before and after filling. And all Hydrox Ginger Ale is aged six months. Yet it costs no more than the ordinary.

Try a bottle today at one of the stores named—then order a case for your home. Your dealer will get it if you insist.
