TWO MORE AUTO RECORDS

Strang Makes New Mark for Hundred Miles at Indianapolis.

TEN-MILE RECORD BY ZENGEL

Driver of Chadwick Car Further Reduces Time Made by Chevrolet Thursday—Day Passes Without Accidents.

INDIANAPOLIS, Ind., Aug. 20.—Strang and Zengel shared the honors of the second day of the automobile racing meet on the new Indianapolis speedway. The former won the fastest 100-mile race ever held in this country. The latter made a new ten-mile record. Not a single accident of a serious nature marred the day's racing, and this was a welcome relief after the tragedy of yesterday. The only accident reported was a bruised arm sustained by Barney Oldfield in the ten-mile free-for-all race, in which Zengel made his new record. A crowd of about 15,000 spectators crowded the big stands and hundreds of automobiles filled every inch of desirable parking space. The feature of the day was the easy victory of Strang, who drove a Buick in the 100-mile race, the star event of the day. Strang led all the way from the start and won by about ten miles, in the exceptional time of 1:32:44. At first it was thought that was a new 100-mile record for this country, but the officials announced that they had decided to allow the mark of 1:32:18, made by Chevrolet in the first 100 miles of the 250-mile race yesterday, to stand, despite the fact that Chevrolet did not finish the race. Strang, however, beat Chevrolet's records for nearly all the distances between twenty and 100 miles. Strang's time was more than 11 minutes better than the 100-mile track record made by Burman at Columbus, O., on July 3 of this year. Burman's record was made on a one-mile track.

Comparison of Records.

A comparison of the time made by Strang today and the record made on a one-mile track clearly demonstrates the possibilities of the new speedway, which is the only two-and-one-half-mile track in the world. Following are the figures:

Distance	Strang	Record	Holder
20 miles	18:41-7-10	18:42-3-10	Oldfield
30 miles	27:30-3-10	28:28-3-10	Oldfield
40 miles	37:01-6-10	38:41-4-10	Oldfield
50 miles	46:44-7-10	48:12-12-10	Clements
60 miles	56:14-11-10	58:46-6-10	Clements
100 miles	1:32:44-5-10	1:44-1-10	Burman

Dewitt, in a Buick, finished second to Strang in the long race in 1:41:32-8-10, and Stillman, in a Marmon, was third in 1:42:37-6-10. Harroun, in a Marmon, was the only other of seven starters to finish. The Buick (Chevrolet), Marmon (Monson) and Marmon (Stutz) dropped out early in the race.

Strang never stopped once during the 100 miles, his car working like a carefully adjusted piece of delicate mechanism. His race was uniform throughout and the speedy car continued to reel off lap after lap and mile after mile with remarkable uniformity. He increased his lead all the way and never once was he forced to take a rival's dust.

The American Automobile association will not withdraw its sanction from the meet, as its officials are satisfied that the speedway owners have done all in their power to make the course safe. Every inch of it was oiled and tarred and the bad spots repaired as much as possible. The absence of the stifling clouds of dust thrown up by the racers yesterday helped greatly in the speed and also minimized the chances for serious accidents.

New Ten Mile Record.

Before Strang started on his race the honors had gone to Zengel, who established a new ten-mile record in his Chadwick. This was the second time in the meet that this record had been broken. Chevrolet reduced Oldfield's old mark of 9:13½, yesterday when he won a ten-mile race in 8:56-4-10 and Zengel slashed this to 8:23-10 in the ten-mile free-for-all today. Aiken, in a National, who finished second in the event, had the honor of breaking Chevrolet's old mark, as his time was 8:22-4. The fifty-mile race was practically a walkaway for Wright and Schwitter in the Stoddard-Dayton cars. They were the only drivers to finish out of the five starters. Wright won easily, taking the lead after the ten-mile mark was passed and holding it to the end. Schwitter was leading at the

Judge Hamer May Move to Omaha

Kearney Candidate for Supreme Judge Satisfied with Showing Made at Primary.

Judge F. G. Hamer of Kearney, close competitor with Judge Fawcett of Omaha for third place for the nomination for supreme court judge, was in the city last evening. "I had figured it out from my estimates that I would land the nomination," said Judge Hamer. "But anyway I am well satisfied with the showing I made and with the support given me by my friends. I made a campaign without saying anything against any of my competitors, and if I have lost I will line up for the winners just as strong as I know they would for me, if it is found that I have won."

The Judge intimates that he might move to Omaha and make his home if the official canvass shows the nomination of Fawcett instead of himself for supreme judge.

EVERY MINUTE COUNTS here now. We are virtually "pushing the calendar" to get over to 1518-1520 Farnam street, (Balduff's old location), where one of the most unique "Young People's Outfitting Establishments" in America is now being arranged. Later announcements will tell all about the surprises to be expected of the new store—in the meantime we must bend our every effort to rid ourselves of the stocks yet remaining at our PRESENT location. No consideration is being shown for actual value on Small Women's, Misses', Girls' and Infants' attire necessities; prices on these have been forced down to where they will "move things swiftly." And never before has a newspaper heralded such reductions as we offer on Boys' and Youth's Clothing and Furnishings. This shoe stock is melting away at amazing reductions—hundreds of pairs at "HALF PRICE" as announced here. But one thing certain—cost or no cost—labor or no labor—we are going to dispose of EVERYTHING in THIS store before opening out in the forthcoming NEW one.

DISHONOR AMONG THIEVES

Counterfeiter Roberts Blames Brother for Their Arrest.

CONTENT WITH MILLION PESOS

Says He Could Have Negotiated Them in Mexico, but His Pal's Ambition Spoiled It.

LOUISVILLE, Aug. 20.—Flippancy with a dignified station agent of the Louisville Nashville railroad and dishonor among thieves are among the causes revealed today for the arrests of John Roberts, the million-peso counterfeiter, yesterday. Roberts, confessedly chief maker of the spurious notes was readily located near Simpsonville, because the station agent, approached by Deputy United States Marshal Blaydes, remembered that a "fat guy" in alighting from a train with a brass-bound trunk some days before had called him "Old Sport."

The treachery ascribed by John Roberts is against his brother, Marion, who, he says, stole some of the Mexican notes from the trunk and used them to make the proposition to J. M. Fetter & company, Louisville brokers, which led to Marion's entrapping and capture.

John Roberts, who with his brother is in jail under a \$10,000 federal bond, said that when he had made his "million" he had considered it enough for any man and had, one dark night sunk the plates from which the notes were struck in the Ohio river.

John Roberts examined Mexican money carefully when he was employed as an engineer on a Mexican railroad and during the last five years in New York had been experimenting in the making of pesos until his work became almost perfect. Had Marion Roberts shared only the small ambitions of his brother and been content to go with John a week ago to Mexico and disposed of the "million," John declares that they would have been living off the proceeds for years to come.

With the exception of a negro who acted as dryman to cart from the counterfeiter "mint" at Harrods Creek, in this county, the bogus 100-peso Mexican notes to this city the police have put behind the bars all those supposed to have been connected with the \$100,000 counterfeiter enterprise unearthed in Kentucky yesterday. John Roberts, who was in charge of the making of the spurious money; Marion Roberts, John's brother, who handled the negotiable end of it; Nannie Harp, Marion's housekeeper, and Will Koenig, who confessed to having printed the notes, were all arrested. Mrs. Harp and Koenig were released. Koenig under \$1,000 bond and Mrs. Harp on her own recognizance.
