is again proving A Big Success

These great price reductions have demonstrated to the people of Council Bluffs that when Hunter says sale and bargain prices he means exactly, what he advertises. The great bargains that have been prepared for this 9 cent sale outclass all previous efforts we have put forth. What you can get for 9 cents in desirable merchandise will be so surprising to you that you will not hesitate to invest many 9 cents. Every 9 cents means a big saving to you. Do not miss it, come and see for yourself, it will be time well spent. The sale will last August 23, 24, 25, 26, 27, 28, 30 and 31.
