LARGE BASS FOR CUT-OFF LAKE

# Big Lot Promised by Fish Commissioner O'Brien.

"We expect soon to have a nice lot of large base for Cut Off lake," said W. J. O'Brien, fish commissioner of Nebraska, at the Merchants Monday. "I am satis-fied that the Omaha Rod and Gun club and the authorities are doing all possible to protect the fish in the lake for legiti-mate fishermen and for that reason we will put in a large number of fish this fall. The fish will be of large size. We now

meet R. H. Paimer, who won a hard five-set match from F. G. Colston today, while T. C. Bundy, the Los Angeles expert, will play Cragin and F. C. Inman, the Met-ropolitan champion, will have C. F. Touch-ard for an opponent. The experts were inclined to favor Clothier, Bundy, Mc-Loughlin and Inman as the most probable survivors for the semi-finals. If you want a banded, costly looking cigarif you insist on ornamented boxes and don't care what you pay for a lot of ornamental fandangoes-you won't buy Cobs. They're too rough-too cheap looking-the packages are too ugly-the box is too common.

Cobs are made of well ripened Havana. Cobs don't pretend to be fancy-they're the crudest of all cigars. But what they lack in appearance they more than make up in gualityand in value, and in aroma, and in smoo.hness, and in taste.

Just because everything else but the cigar has been economized on down to the mill-Cobs don't have to be. They can be sold nine for 15 cents and be made of the same leaf as the best 10 cent Havana cigar.

Not for men who want to economize or who have to-but for all men who want the best smoke.
