LATHAM SETS NEW RECORD

French Aviator Makes Flight of Nearly Ninety-Miles Miles. ALSO BEATS WORLD FOR TIME Bleriot Machine Badly Wrecked by Striking Barrier in Front of Tribune—Scores of Races to Date.

RHEIMS, Aug. 26.—Hubert Latham, the French aviator, today took glorious revenge for the hard luck which he experienced in his recent attempt to cross the English channel and his indefatigable but hitherto unsuccessful efforts to accomplish such a notable achievement during the present meeting by establishing a new world's record for distance, 154 kilometers (95 miles), or 95.8 miles.

Nothing could have exceeded the beauty and impressiveness of the prolonged flight. In grace of lines no other airplane here compares with Latham's monoplane. The slightly tilted planes from the long skiff-like body give it a resemblance, when close to a winged canoe, while sailing high up in the air it looks from a distance like a mammoth dragon fly.

Beautiful and Impressive. Nothing could have exceeded the beauty and impressiveness of the prolonged flight. In grace of lines no other airplane here compares with Latham's monoplane.

Record of the Machines. Today's contests altered the classification for the Prix de Champagne, the figures now stand as follows: Latham, 154 kilometers; Paulhan, 131; DeLambert, 116; Latham, 70; Curtis, 50; Lefebvre, 21.
