POSTOFFICE INSPECTORS AFTER BROKERAGE FIRMS

Number of New Yorkers Charged with Using Mails to Advertise Worthless Mining Stock.

NEW YORK, Aug. 30.—A squad of postoffice inspectors has begun an investigation of complaints against a number of firms doing a stock brokerage business on the curb on Broad street.

CONVICTS TURN MOONSHINERS

Eight Guards Are Displaced for Failure to Detect Prisoners Making Whiskey.

PITTSBURG, Aug. 30.—Eight guards at the Western penitentiary have been dismissed, it is alleged, because they failed to detect some of the prisoners making whiskey in the big prison.

Are you looking for a room?

An easy way is—not to wear out shoe leather—but to look through the list of rooms offered for rent on the want ad pages of The Bee. There you will find practically a complete directory of the desirable rooms with sufficient information to enable you to judge which will meet your requirements. Then, by inspecting these, you will be sure to find what you want.

New Explosive in Coal Mines May Be Cause of Big Strike

PITTSBURG, Pa., Aug. 30.—Representatives of coal operators and miners in the Pittsburgh district are in joint conference today for the purpose of reaching an adjustment of a dispute regarding the use of a new explosive in mining coal.

White Murderer Has Been Appointed Librarian at Mattewan Asylum

MATTEAWAN, Aug. 30.—In their search for proper occupation for Harry K. Thaw, the Mattewan authorities have appointed him librarian.

Eighteen Blocks Swept Clean

Eighteen blocks of residential and business houses were entirely washed away. The more wealthy people of Monterey, together with the American residents, are contributing to the mayor's fund, which is being expended for food.

Appeal to America for Aid

WASHINGTON, Aug. 30.—Consul General Hanna, at Monterey, Mex., on behalf of the officers of the American colony there, has made an appeal to the American people to assist the destitute sufferers at Monterey.

Considerable Difficulty Will Be Experienced Before the Matter is Settled

Considerable difficulty will be experienced before the matter is settled, it is said, because the state authorities have ordered the use of the flameless or "safety" powder, while the miners strenuously object to it, asserting that it shatters the coal and reduces their earnings.

A BIG JOB, BUT HE HAD A LONG REST

From the Philadelphia Record.

Burlington Has Plan for Line to the Atlantic

Report It Will Secure the Tennessee Central as Link in Proposed Airline.

NASHVILLE, Tenn., Aug. 30.—The Burlington system is shortly to establish an air line through Nashville connecting the grain fields of the northwest with the Atlantic coast.
