Evidently they lacked the luck. The Rourkes batted well on this tri Some of the men, notably Jim Kane, hav shot their averages away up. Kane batte like a flend, and in the last game he mad three of the five runs.

The pitchers have not done well. Not man has been reliable for the full nin finnings all the way through the trip.

"But we are not discouraged," say Manager Fox. "That western trip has a ways been bad for Omaha; our experienc this time is nothing new. We should hav done better, but now that we are home for a long series we are determined to mak a spurt and give Des Moines and Slour City a lively fight for that flag. Most o our defeats out west were by close score and we had much bad luck."

Cardinals Win from Giants. NEW YORK, Sept. 2.—Marquard struck out eleven men in seven minings today, but his support was so poor that in this time St. Louis made five runs, which was enough to win from New York. St. Louis' victory was its first after nine straight defeats. Beebe relieved Raleigh in the sixth after New York had scored twice and stopped the locals' run getting. Score:
