BLAME ON STREET RAILWAY

Railroad Company Makes Report on the Crossing Accident.

DELAY NAMING PENSION AGENT

Cummins to Have the Say Who is to Have the Big Office—Concerted Effort to Retain Base Ball Franchise.

(From a Staff Correspondent.)

DES MOINES, Sept. 11.—(Special Telegram.)—Blame is placed on the street railway for the collision on West First street during fair week, in which a Rock Island passenger smashed into a carload of people, by the report of the Rock Island road, filed with the State Railroad commission today. Thirty-one persons on the street car were injured. The Rock Island states that the street car company's flagman gave the street car "a short flag," which means that it had little time in which to get across ahead of the passenger. According to the contract between the Rock Island and the street railway the street railway furnishes it own flagman. The Rock Island asserts it had the right-of-way, but that an examination of its train showed the air brakes were set, showing that the engineer tried to stop as soon as he saw the street car was attempting to pass.

Delay Naming Pension Agent.

The selection of a pension agent for the Iowa-Nebraska district, the office of which is located here, will not be announced before next December and possibly not for another year. Agent Willcox's commission expires next December. Congressman Hull, who has always named the pension agent, has announced he will allow Senator Cummins to name the agent. The matter is one settled by the entire Iowa delegation in congress. It may decide to put it off for a year, when the other federal appointments coming to this state will be decided upon.

If the appointment is allowed to the Seventh district at the next meeting of the delegation, Cummins will immediately announce his selection. There are a number of candidates and there is no intimation who the senator has in mind.

Effort to Save Ball Franchise.

A meeting of Des Moines business men was held today to devise plans for getting better attendance at the home games of the Des Moines base ball team in order to insure keeping the team here for the balance of the year and for next year, Owner Higgins having threatened to take it to St. Joseph. It was decided to ask the street railway company to give better service, it being claimed that was the chief difficulty. Another meeting is to be held in a few days, when a proposal will be made to Higgins of support for next year.

Following the three-game series with Topeka starting today, the Des Moines team will travel. On the return there will be eleven games with Omaha and Sioux City on the home grounds, closing the season.

GAS EXPLOSION PROVES FATAL

Pressure Run Up Too High on Crude Machine.

IOWA CITY, Ia., Sept. 11.—(Special Telegram.)—John Lens, aged 13, is dead, Harold Thompson, aged 19, is dying, and John Zimmerman and Ernest Rehn were seriously injured in an explosion here today of a crude gas plant designed to charge automobile generators. The gas tank was subjected to a pressure of 275 pounds when the accident occurred.

FAMILY CURED OF SKIN TROUBLES

Two Little Girls had Eczema Very Badly—In One Case Child's Hair Came Out and Left Bare Patches—Father's Head Sore from Childhood—In All Three Cases

CUTICURA MET WITH ITS USUAL SUCCESS

"I have two little girls who have been troubled very badly with eczema. One of them had it on her lower limbs. I did everything that I could hear of for her, but it did not give in until warm weather when it seemingly subsided. The next winter when it became cold weather the eczema started again and also in her head where it would take the hair out and leave bare patches as large as a quarter of a dollar. At the same time her arms were sore the whole length of them. I took her to a physician and he said that she had two distinct types of eczema. I continued with him for several weeks and the child grew worse all of the time. Her sister's arms were also affected in the same way. My husband came home one day with a box of Cuticura Ointment and a cake of Cuticura Soap. I began using them and also the Cuticura Pills and by the time the second lot was used their skin was soft and smooth as it had not been before for the winter. We keep the Cuticura Soap and Cuticura Ointment constantly by us and when any little roughness or irritation appears on their skin I quickly dispel it with the Cuticura Remedies. My husband has used them with most satisfactory results for a sore head which has troubled him from childhood. Mrs. Charles Baker, Albion, Me., Sept. 21, 1908."

Cuticura Ointment is one of the most successful remedies for torturing, disfiguring humors of the skin and scalp, including loss of hair, of infants, children and adults, ever compounded, in proof of which a single anointing with it, preceded by a hot bath with Cuticura Soap, and followed by mild doses of Cuticura pills, is often sufficient to afford immediate relief in the most distressing forms of itching, burning and scaly humors, eczemas, irritations and inflammation, permit rest and sleep and point to a speedy cure when all else fails.

Cuticura Soap (25c.), Ointment (50c.) Resolvent (50c.), and Chocolate Coated Pills (25c.), are sold throughout the world. Potter Drug & Chem. Corp., Sole Props., 137 Columbus Ave., Boston.

POWER PROJECT AT IOWA FALLS

Interstate Power Company Has Plan to Dam Iowa River.

IOWA FALLS, Ia., Sept. 11.—(Special.)—Last night the city council met to consider the proposed electric light and street railway franchise which the Interstate Power company is asking for a period of twenty-five years, and if found acceptable in the ordinances submitted by the company to issue a call for a special election for the people to vote on the granting of the two franchises. This brings to public notice the preliminary work that has been conducted here for several weeks by M. G. Albrook of Delhi, Ia., the representative of the Interstate Power company, which claims its head offices in Chicago and which is said to be incorporated under the laws of Idaho several weeks ago.

Mr. Albrook secured an option on the mill property and water rights owned by Harp & Roberts, the consideration being stated as $12,500. Under the terms of this agreement the company is to pay $500 to bind the bargain and each party to the contract is to post a certified check of $2,000 in a local bank as a guarantee that both will fulfill the terms of the contract of sale. Other options have been taken by Mr. Albrook in the city on properties that will be affected if his proposed water power plant materializes. It is stated the company proposes to invest $500,000 or more in a big water power plant here, and that among the details are a thirty-foot dam across the Iowa river a short distance below the Oak street bridge. This will create an immense reservoir running back between the high banks of the Iowa river at this point the distance of a mile or more. In addition a supplementary reservoir is offered in a lake covering several acres in the west part of the city. It is estimated the plant will develop between 2,500 and 3,000 horse-power and will grind out electricity at such a low rate that electric lighting and power rates will be revolutionized in this part of the state. It is proposed in the ordinances now pending to place the maximum rate for lighting at 10 cents per K. W. hour and the power rate at 8 cents per K. W., with the right to make lower rates to large consumers. This is a reduction of one-third in the present lighting rate. The company also proposes to light all the city buildings free and to furnish forty 2,000 candle-power street lights at $2 each per month, or about the same as now paid for eight lights of like power. It is reported that the company has secured options on the Hampton, Eldora and other lighting plants.

Auto Day a Success.

DENISON, Ia., Sept. 11.—(Special.)—Acting on the suggestion of the Review the business men of Denison have made a great success of their Auto day. One thousand persons living outside the city limits and whose trading place is Denison came to town and had a free ride in the best autos the citizens owned. From 10 in the forenoon to 5 at night autos were driving about the streets and roads near by filled with farmers and their families, many having their first ride of this kind. It was a great day for the merchants, the stores being crowded all day. It gave parents a chance to give their children an auto ride and thus made a day which will be a notable event in their lives.

Business Change at Creston.

CRESTON, Ia., Sept. 11.—(Special.)—A change was announced yesterday in the ownership of the Creston Brick and Tile works, one of the largest industries in the city. W. C. and H. L. Tramp have bought out the interest of Charles A., the youngest member of the firm, and will in the future be the sole proprietors. No change will be made in the policy of the plant. The retiring member of the firm will leave for the Pacific coast in a few days and will locate in the west.

Young Economist from Boone.

BOONE, Ia., Sept. 11.—(Special Telegram.)—Howard G. Brownson, Ph. D., son of Rev. Mr. Brownson, pastor of the local Baptist church and the youngest instructor of the University of Pennsylvania, returned to his work this morning. Brownson, when only 22, occupied a chair as professor of economics in the University of Illinois summer school during the last year, and now occupies a similar position at Pennsylvania.

May Be Policeman's Slayer.

PIERRE, S. D., Sept. 11.—(Special Telegram.)—Deputy Sheriff West of Beadle county this evening brought back a man giving the name of Joe Hadsell of Cedar Rapids, Ia., who, from his talk when drunk, is believed to be one of the party who killed Policeman Hawley at Huron last Wednesday night.

Iowa News Notes.

BRIEF IN NORMAL CASE

(Continued from Third Page.)

Montgomery, are pioneers of York, having moved here nearly forty years ago. They were very active in the upbuilding of York.

M'COOK—The dedication of the new Evangelical Lutheran church of this city will take place Sunday, September 19. The dedicatory sermon in the morning will be delivered by Rev. R. Finster of Culbertson. In the afternoon Rev. L. Grotheer of Oxford will deliver a similar sermon in English.

WEST POINT—The regular triennial state council for Nebraska of the Catholic Knights of America has been called to meet at Hartington on October 19. The history of the order in the state during the last three years has been marked by great activity and an increase of membership of over 20 per cent. Fourteen flourishing branches of this order now exist in Nebraska. The present officers of the council are: president, Very Rev. Joseph Buesing, West Point; secretary, Charles Weiss, Hartington; treasurer, John H. Lindale, West Point.

WEST POINT—Mrs. M. Glein, aged 80 years, died Friday evening at the home of her daughter, Mrs. Caroline Sloke at West Point. The deceased was the mother of Edward Glein, a member of the Peters Trust company of Omaha and of three married daughters. Funeral services will be held Sunday under the auspices of the German Lutheran church, of which the deceased was a lifelong member.

BEATRICE—Beatrice council No. 134, Knights and Ladies of Security, held a meeting last night and elected these officers: T. V. Rhodes, president; N. H. Harsh, first vice president; J. W. McKissick, second vice president; Mary Campbell, corresponding secretary; Harriet Davis, financier; Bud Davis, prelate; Augustus Schwartz, conductor; Roy Wilcox, guard; George Wilcox, sentinel.

NEBRASKA CITY—The members of the Cowoth club, a social organization having a membership of nearly 200 of the best young men of this city and a finely furnished club quarters in one of the largest buildings in the city, met last evening and elected its board of managers for the ensuing year as follows: Harvey Teten, George Slack, Reeves Birkby, Herbert Stanford and Frank Bartling.

PONCA—The city council at its meeting last night elected Clarence Kingsbury to the office of city attorney. By a unanimous vote they decided to proceed with the case of Charles Foot against the city marshal, who had captured Mr. Foot on suspicion of bootlegging in Ponca. The marshal secured two quarts of whisky in Mr. Foot's possession, but released Foot on the advice of the mayor. The case will be called in court September 20.

KEARNEY—Elmer Miller, the boy arrested for stealing a bicycle, a horse and a saddle, was arraigned before Judge Halloweil Friday morning and committed to the State Industrial school here. Miller's past record was straight and clean, upon investigation, and it appears that his only motive for taking the property was to get away from the people he was living with. He was formerly an inmate of an orphans' home in Omaha.

KEARNEY—A certain well known traveling man out of Omaha, but residing in Kearney, ordered a barrel of seventy-two quarts of beer from Grand Island, and some of his friends, for a practical joke, got the beer from the express office and consumed same. The drummer is hunting for his friends and his friends are in the meantime helping him hunt for them, but they really think it doubtful whether there is any beer in those seventy-two bottles. The express agent feels most keenly over the matter.

LEIGH—Joseph J. Kucera, a farmer living eight miles northeast of here, committed suicide on Wednesday by taking strychnine. Mr. Kucera had been in town in the afternoon, and in the evening, while the other members of the family were busy outside with the chores, he went into the house and took the poison. There was no apparent reason for the act, as he was in good circumstances and his home life was pleasant. Mr. Kucera was 55 years of age and is survived by a wife, one son and three daughters.

YORK—The opening of the York college, the Ursuline academy, and the York business college and normal schools this week and the large numbers coming from nearly every county in Nebraska, from nearly every state west of the Missouri river has every indication of a larger attendance of York's educational institutions than in years past. New departments have been added and several educators have been added to teaching forces, made necessary by the large increased attendance. York takes great pride in its high school and its colleges in which 2,000 scholars and students attend.

BEATRICE—Joseph Brabec, the Bohemian farmer residing near Barneston who has had considerable newspaper notoriety of late, was yesterday sentenced to thirty days in the county jail for drunkenness. Thursday night he became intoxicated, drove his children out and attempted to fire his home. Neighbors interfered and he was lodged in jail at Liberty until yesterday, when he was sentenced to the county jail. Friday Mrs. Brabec instituted habeas corpus proceedings against her husband for the custody of the children, but as they are now in her possession the case was dropped yesterday.

BEATRICE—A remarkable incident occurred here yesterday on a Rock Island west-bound passenger train. As the train, in charge of Conductor Charles Elsham left Beatrice a woman, who was talking with some friends across the aisle in the coach, missed her little daughter. A thorough search of the coaches was made, but the girl was not found. The grief-stricken mother appealed to the conductor, who stopped the train and backed into Beatrice, over a mile, to find the child, who had left the train and gone to a house near the station. The only plausible explanation is that the girl, who is a somnambulist, stepped off the train at the depot in her sleep.

LEIGH—Many important business changes have been made in our business circle during the last week. On Tuesday S. B. Hoesly sold his automobile garage to Gus Hahn, H. P. Buhman and E. D. Wurdeman. The new firm also purchased the livery barn of Mr. Hoesly. The latter has built up a very successful automobile business here during the last two years, and will go to Madison, where he will open up a new garage on a larger scale. On Tuesday H. P. Buhman sold his interest in the general mercantile business of Buhrman & Moeller to John Brock. The complete transfer in this deal will not be made until some time in February, when an invoice will be taken. Mr. Buhman has been a member of the firm of Buhman & Moeller for a number of years.
