INQUIRE AT LEF. certain terms and wired some of his "feelings" to the division superintendent at habitants are denied this right by reason of city or town. This is said to be the first time that this question has been ruled upon and in his decision Judge Woodruff calls attention to the fact that this point has never been decided by the supreme court of the state.

This question was involved in proceedings brought by R. C. F. Chambers, district superintendent of the Iowa Anti-Saioon league, against "Colonel" W. H. Beck, who for many years has conducted a saloen at Manawa. Chambers charged that Beck

The fill of the division superintendent at Ottumwa, who finally decided as there were passengers to go the special had better make the trip. In the meantime nine of the others waiting there decided not to go, leaving but six of the number to board the special when it rolled up to take on "the crowd." The special carried six ocaches, and each man had his own special car. As the train rolled away so did some of Larimer's anger, and after the first that this question has been ruled upon and in his decision Judge Woodruff to the division superintendent at Ottumwa, who finally decided as there were passengers to go the special had better make the trip. In the meantime nine of the others waiting there decided not to go, leaving but six of the number to board the special when it rolled up to take on "the crowd." The special carried six ocaches, and again. Now straight, the next time to suit Broken Bow and then the other fellow. But no lines can be drawn to suit Broken Bow, the county seat—we are defined this right by reason of the passengers to go the special had better make the trip. In the meantime nine of the others waiting there decided not to go, leaving but six of the number to board the special way and hills in all kinds of country and weather, and lines have been deather. As the train rolled away so did some of Larimer's anger, and after the country seat. for many years has conducted a saloon at Manawa. Chambers charged that Beck was in contempt of court in that he was in contempt of court in that he was ago against him by continuing to sell intoxicating liquers outside of the limits of an incorporated city or town.

Judge Woodruff's ruling, if sustained by

Council Bluffs members today:

Mesdames Lee Evans, chairman; F. C. Hendricks, Frank Silver, F. E. Deul, Les did some of Larimer's anger, and after reaching the city he informed the agent to give him the bill for the special he had compelled him to run and he would pay it all. As there was no authority the matter was fropped. Mr. Larimer and his party trudged about Das Molnes all day in the trudged about Des Moines all day in the rain and mud and on going back to their to get the pig to yield to coaxing, nor special at night for the homeward trip found it full of passengers who had decided to return that way, and now Mr. Larimer is wondering if he ought to settle notice.) all that bill after all.
