Our Very Best Showing Men's Fall Suits, Top Coats, Raincoats, Etc.

That something better in men's suits so noticeable in some clothing is
strikingly apparent in the Bennett Fall lines. Suits that are designed not
only to fit your person but your personality as well, are points that define the
difference between mediocre and high class tailoring. Whatever your station
in life, your occupation or age there's just the suit here to meet your require-
ments.

The new fall suits and top coats we show emanate from the master tailors.
Some are conservative, some moderately brisk, others with all the snap and
ginger of the breezy young collegian.

There's a distinctiveness in fabric, fit and design to our suits imparting
a self-satisfied feeling that comes only from the knowledge of being correctly
apparelled. The new lines get their best showing tomorrow.

building formally turned over to him in a

Liggett Will Say
Car Was Going
Seven Miles Per
Hour

That Will Be One Defense of Autoist
Who is Charged with Man-
slaughter.

Judge Crawford of the police court heard
a part of the testimony in the case of Guy
Liggett, who is charged with manslaughter.

Liggett is charged with running down
John M. Campbell on Sherman avenue,
near Lake street, on the evening of August
21 with his auto.

Campbell alighted from a Sherman
avenue street car before it stopped as Liggett
was approaching in an electric automobile.

Campbell stopped in front of the auto, and
was run over. He received injuries which
caused his death.

Dr. J. C. Bishop, the attending physician,
was the first witness called. He testified
as to the condition of the man when he
was summoned and about the particulars
concerning the removal to the hospital and
up until he died.

Other witnesses were put on the stand
and examined. The trial progressed until
noon, when court adjourned, and Judge
Crawford announced that it would be con-
tinued until next Wednesday.

Witnesses testified that Mr. Liggett was
running his car at the rate of between
seven and eight miles per hour, and the
defense will make an effort to show that
Mr. Campbell was killed by an unavoida-
ble accident.

Mr. Campbell alighted from the car be-
fore it had come to a full stop and the
defense will try to show that the auto-
mobile would have passed the point where
the accident occurred before Mr. Campbell

COLORED MINISTERS REFUSE
TO BE SPONSORS FOR DANCE

Order Their Names Removed from
Posters Announcing Grand Ball
for Emancipation Day.

Three sheet posters advertising the coming
celebration by the negro people of
Omaha of Emancipation day next Wednes-
day contain the names of Rev. William
W. S. Dyeet, pastor of the African Meth-
odist Episcopal church, and Rev. John Al-
Philip the Deacon, Episcopal, among those
of twenty-five others as members of the
general committee.

The names of the two clergymen were
placed on the bills without their consent
and they are highly incensed over it, es-
pecially Rev. Mr. Dyeet, whose church is
opposed to dancing—and dancing is to be
one of the amusements at the celebration.

The names of the committeemen are
printed immediately after the announce-
ment of the "Grand Ball" at the close of

the day's exercises and the Methodist min-
ister said at first glance it would appear
that he was one in charge of this dance.

Those in charge of the celebration are
now engaged in tramping around town
pasting strips of blank paper across the
names of the two clergymen appearing on
the bills, effectually obliterating them from
view.

Republicans Are
Getting Ready to
Open Campaign

Call County Committee to Meet Sat-
urday, September 25, to
Make Plans.

The republican county committee will
be called to meet Saturday afternoon of
next week to formulate plans for the
coming campaign. Myron L. Learned, the
new county chairman, will return during
the week from a protracted visit east and
will attend the meeting. Vice Chairman
N. P. Swanson will call the meeting.

The proposed meeting for this week was
postponed on account of the festivities
but committee members and candidates
believe some action should be taken toward
formulating the fall campaign before all
interests are centered in the Ak-Sar-Ben
carnival.

"I am confident we have not lost any
thing by delay up to the present, as I
hear good reports from all sections," said
Mr. Swanson, "but we must not run any
risk and a month for a campaign is not
any too long."

Retiring Chairman of the committee lays
special emphasis on the necessity of get-
ting the voters out to register.
The next registration day is Tuesday,
