BEST MEETING OF LEAGUE

Bluffs Delegates Enthusiastic Over Municipal Convention.

DISCUSS RAILROAD TAXATION

City Attorney Kimball Comments the Bill Presented to the Last Legislature as Best Yet Devised.

The best meeting of the league ever held, declared Councilmen Jensen, Skoldholm and Younkerman, who returned last night from Fort Dodge, where they attended the annual convention of the Iowa League of Municipalities.

City Solicitor Kimball, chairman of the legislative committee of the league, in his report gave an exhaustive review of the terminal tax legislation advocated by the league and passed by the legislature at its last session.

While your chairman still believes that the law proposed was the best law that could be framed for taxation of railroads within the state, said Mr. Kimball in his report, "we are not unalterably opposed to any other fair plan.

The city clerks and treasurers in attendance effected an organization. City Treasurer Trues of Council Bluffs became a member of the executive committee.

Owing to the street car strike Mayor Maloney was unable to attend the meeting as he had planned.

IN HURRY FOR STREET RAILWAY Railway Commission Jogs Over Commission on D. & D. Line.

N. S. Ketchum, one of the state railroad commissioners for Iowa, came here yesterday for the purpose of holding a conference with President Wattles of the street railway company relative to the opening of the new extension of the company's line to the Iowa School for the Deaf.

The school will open for the new year on October 1 and the authorities were anxious that the new line should be in operation by that time. The State Board of Control became somewhat anxious over the delay in opening the new line and appealed to the railroad commission to use its influence in hastening the completion of the line.

President Wattles told Mr. Ketchum that the company would do everything in its readiness within a week or two and that unless strict conditions interfered, the new extension would be in operation by the time the school opened.

Barber oil heaters, clean and safe, no smoking. Garigan of Sioux City, Iowa, has a special high mass, assisted by Monsignor Fourstein of Le Mars. One hundred and fifty persons chanted the service. The castles were accompanied solemnly to the station by the entire Knights of Columbus lodge and placed in a special car for transportation to Sioux City.

Iowa State Campaign On in Earnest

Candidate for State Superintendent First to Open Up His Headquarters.

DES MOINES, Sept. 23.—(Special Telegram.)—A. L. Hemminger of Keosauqua arrived in Des Moines today and opened his campaign for state superintendent. He is the first candidate for an office to set into the field and the campaign for 1910 may therefore be said to be open.

Mack J. Groves of Estherville, the democratic nominee for railroad commissioner on the last ticket, and Claude R. Porter, one time democratic nominee for governor, were sprung today for the position on the Board of Control to succeed Hamilton.

Three hundred army officers and their wives and as many civilians and their wives attended the military ball tonight tendered by the Des Moines people to the army men. It was the largest and grandest affair of the kind ever given in Des Moines.

Leroy Twining, a Des Moines druggist, and Miss Edna Vorhes will be married Saturday in Atlantic, Ia., at the home of Senator James Bruce, whose wife is a sister of Miss Vorhes.

Governor Carroll is expected home tomorrow from his tour of the state institutions with the Board of Control and it is understood from persons with whom he has talked that he may recommend some changes in the law at the next session of the legislature.

The governor found on his trip that while the board has looked after all the business affairs and other details of the state institutions in a manner above reproach he became convinced that they could not have the time to investigate the care of the patients. Published reports that the governor will make the management of the state institutions the campaign issue with the Board of Control regarding the feeding of tubercular patients.

Mack J. Groves, the democratic nominee for railroad commissioner, is being supported as the democratic member on the Board of Control to take the place of Hamilton, who has resigned. Groves lives in Estherville, where he owns more than 1,000 acres of farm land which he actively manages.

Senator Lambert, who is serving on the finance committee of the Board of Education and has been mentioned for the position is also a practicing attorney and owner of banking interests.

track and absolute protection. The sheriff and prosecutor and police—they will be absolutely right on the job during working hours."

In a letter written a few days later the same man informs the person who received mail from postoffice box No. 4, which was Mabray's box, that the location referred to is only twenty minutes' ride from the heart of New York City and that as to the "fixing," it can be done for \$75 a week, "which will cover everything, that is the sheriff, the chief and prosecuting attorney."

Another letter cited in Des Moines, Ia., and signed F. R. Marts, enclosing \$2,000 "to apply as forfeit money on our deal pending."

Dear Friend: Just a short note to inform you that we are doing business at the old stand. Owing to the large amount of business we have had with you, we have decided to move to our new location, so you can see we are in a position to transact any kind of business with you, and we guarantee absolute satisfaction. Let us hear from you in enclosed envelope so we can note any change in your address. With best wishes, P. O. BOX NO. 4, P. S.—Your number is 16.

Another letter, dated Iowa City, Ia., December 1, 1908, is made part of the indictment, and reads: "Mr. J. C. Cracker, Davenport, Ia., I can get \$5,000; have to take a draft. Have you got any money? How much? Can you raise. Write me tonight. Can go on Monday if I am well enough. Yours respectfully, P. O. BOX NO. 4, P. S.—Your number is 16."

Secret is one of the alleged victims of Mabray and his associates. F. R. Marts of Polk City, Ia., whose letter heads indicates that he is in the general merchandise business in that city, writes to James Gates, Omaha, Neb., on October 2, 1908, and offers \$2,000 to apply as forfeit money on our pending deal, subject to our written conditions. He also offers \$2,000 to apply as forfeit money on our pending deal, subject to our written conditions.

The indictment alleges that Gates' real name is R. B. Herriman and that he is an assistant of Mabray and resided in Omaha at the time the letter was written.

Other letters exchanged between Marts and Mabray's assistants indicated that Marts lost an additional \$2,000 before discovering the nature of his transactions.

Names of the Victims. The indictment gives the names of eighty-five persons who are alleged to have been victims of Mabray and his associates. The list is as follows:
