SIBLEY LAW IS HELD VALID

Express Companies May Appeal to and remands the suit. Commission If Rates Don't Suit.

Supreme Court Refuses to Grant a Rehearing in the Nonpartiann Judiciney Law Case-Postmasters Indicted.

(From a Staff Correspondent.) LINCOLN, Sept. 25 .- (Special.)-The suprome court today upheld the constituticnality of the Sibley law, which reduces raise on express business In per cent beviolating the law. This order is now made Kelso A. Morgan. Justice Reese and Judge W. B. Rose did cember 6, on application of the plaintiff. not sit in the case. By the order of the

rates prescribed by the Sibley law. and the injunction is made permanent. The syllabus of the opinion is as follows: several terms.

Holding of the Court. Holding of the Court.

Statutes fixing maximum rates which corporations, joint stock companies or persons whose property is devoted to public use, may charge and receive as compensation for their services, are presmued to be constitutional; and the burden of proof is on him who challenges their validity to show by a preponderance of the evidence that the legislation complained, of clearly contravenes some provision of the constitution.

DANISH LUTHERANS AT BLAIR

Annual Conference of Nebraska District Now in Session.

BLAIR, Neb., Sept. 25.—(Special.)—The annual conference of the Nebraska district of the United Danish Evangelical Lutheran the legislation complained, of clearly contravenes some provision of the constitution.

Chi Omega—Ella Wells, Beatrice, and Ruth Cull, Oakland.

Alpha Chi Omega—Mary Smith, York:

when an attempt is made to strike down a rate statute, it is incumbent on the attacking party to make full, fair and complete disclosure of all of the revenue derived from the business and the disbursement of the same for all purposes, including salaries paid to all of its officers, agents and employes, so that it may be determined whether such salaries and exenditures are necessary as well as rea conable in amount. When the courts are called upon to ad-adge an act of the legislature fix...

tion for the use of its property and for conducting its business.

A court of equity ought not to interfere with and strike down an act of the legislature fixing maximum express rates before a fair trial has been made of continuing the business thereunder and in advance of any actual exphrience of the practical result of such rates.

Where it reasonably appears from a consideration of all the evidence that the rates complained of are not confiscatory, but af-

constitutional on the ground that it pro-oldes drastic pensities for its violation, unless it appears that the penalty clause was the inducement for its passage, and with that clause eliminated the remainder of the act is incomplete and incapable of en-
