Base Hall club today clinched the 1909 pennant of the National league. Although the eam was defeated by New York by a core of 13 to 9, Philadelphia's victory over Chicago assured the pennant for the Pittsburg club. Should Chicago win every game now un I the close of the season and Pittsburg

would still be in the lead at the close of the season by half a game. A wild demonstration was enacted on Forbes field today at the close of the game with New York when the Philadelphia-Chleago score was posted on the bulletin

board. The crowd made a rush for the

bench of the local players, but they had retired to their dressing rooms. Before the game today, Manager Fred with a purse of gold amounting to a little over \$600, the gift of local base ball erithusiasts. Mayor William A. Magee of this city made the presentation and lauded the work of Manager Clarke and the mem-

bers of the Pittsburg team. Toady's game was a swatfest pure and of the argument. The locals used four pitchers, but all were hit freely. Ames two singles, two doubles and a triple netted the home club five runs. New York scored early in the game, securing a comnanding lead that could not be overcome. Pittsburg won the National league pennant in 1901, 1902 and 1903, this being the fourth time and giving Manager Clarke the distinction of being the only man in the National league today with such a record. Only three other manager of major league teams ever had a better record, they being Anson, Selee and Hanlon, whose teams won pennants five time.

Five players on the Pittsburg team at present hold the record of being the only ones ever members of a club that won the pennant four times. They are Manager Clarke, Shortstop Wagner, Center Fielder Leach and Pitchers Leever and Phillippe. Pittsburg is the best hitting team in either major league, having 1,282 bingles to their credit, including 304 doubles, eighty-eight triples and twenty-four home runs, and is second in fielding, Chicago being first. The Pittsburg team is remarkable in the

fact that the second division of its lineup is the hardest hitting aggregation of any second division in any major league club. these four men, Miller, Abstein, Wilson and Gibson, having batted in more runs than the second division of any other team. An Interesting feature of Pittsburg's winning the pennant today is the fact that O'Connor was catching for the local team when the pennant was clinched, and the only other game he caught this year was

on May 5, when his three hits helped Pittsburg defeat Chicago, thus placing Pittsburg in the lead in the race. Catcher George Gibson has caught 139 consecutive games, his claim to a world's First a Singging Match, but Second four more games this season, which he record being disputed. Should he catch in
