KILLIAN DOES BRILLIANT WORK

Two of Home Team Pitchers Are Driven from the Box-Crawford Knocks Ball Over the Pence.

BOSTON, Sept. 29 - Detroit by winning both games of a double-header from Boston this afternoon, the first by 5 to 0 and the second \$ to 3, while Philadelphia was breaking even with Chicago, now has a lead of three and a half games over the nearest contenders for the pennant and pires Sheridan and Kerin. the champions have but to win their two remaining games here to make sure of the

The visitors today looked as if they were very capable of doing this, as two of Boston's most effective pitchers were driven from the box, and Detroit, outside of one inning in the first game, used but one pitcher, Killian. His masterful work was the brilliant feature of the two games In the opening contest the locals got but two hits, their first one coming in the eighth inning. Both on the offensive and defensive the champions outplayed the home team. They did not get started in

passes and a single in the fourth inning gave Detroit its other two runs.

After resting one inning Killian started the second game for the visitors, being opposed by Cicotte. Boston scored a run in the first inning by good hitting, three singles coming in a row. With two out and a man on second in the fifth, a passed ball by Donahue that let in the run seemed to unnerve Cicotte and two bases on bulls

fielding by Cobb and Killian's effective ness stopped them. Score, first game;

home team. They did not get started in the second game until it was half over, but then they made the result sure.

In the initial inning of the first game Crawford hit the ball over the right field fence for a home run, with two men on bases, giving his team enough runs to win. Karger took Arellane's place in the second inning and did fair work. Three passes and a single in the fourth inning.

Washington Wins Two. The home players never looked dangerous. One unfortunate incident was the crippling of Siahl. He was hit on the head by a swift insheot in the fifth inning and, although not badly hurt, had to leave the game.

WASHINGTON, Sept. 12.—Washington the defeated Cleveland today in both games of the double-header, 2 to 1 and 7 to 3. S.S. DRIVES OUT

Rheumatism is due to an excess of uric acid, an irritating, inflammatory accumulation, which gets into the circulation because of weak kidneys, constipation, ladigestion, and other physical irregularities which are usually considered of no importance. Nothing applied externally can ever reach the seat of this trouble; the most such treatment can do is soothe the pains temporarily; while potash and other mineral medicines really add to the acidity of the blood, and this fluid therefore continually grows more acrid and vitiated. Then instead of nourishing the different muscles and joints, keeping them in a normally supple and elastic condition, it gradually hardens and stiffens them by drying up the natural oils and fluids. Rheumatism can never be cured until the blood is purified. S. S. thoroughly cleanses and renovates the circulation by neutralizing the acids and driving the cause from the system. It strengthens and invigorates the blood so that instead who write.
