Hard Fought Game in Which Each Team Uses Two Pitchers Goes to the Bookworms Nine to Seven.

BOSTON, Sept. 20,-The fight for the American lengtie pennant is over. Detroit has won again, making it three straight championships and a record for the league. The champions lost their game here today, 9 to 7, but as Philadelphia lost twice to

Chicago the Detroits are sure of the flag. Today's game was hard fought, both teams using two pitchers. Mullin was batted hard in the first inning and part of the second. Willett also was hammered but Hall held the visitors scoreless. Three runs tallied in each of the first two innings by the home team made it look as though Boston was going to win easily. Detroit was not long in getting started, however, and by fast work on the bases and timely hitting was soon leading by one run. Boston won the game in the eighth inning with two out. With men on second and third French singled, scoring two runs. Another hit sent in an additional run, giving Boston a total of nine.

The champions this year had to make the hardest kind of a fight to win and up to last weak the result was in doubt. Detroft started off well and remained at the top for weeks, mainly through the remarkable work of its pitchers. A setback came able work of its pitchers. A setback came toward the middle of the season, however, and at one time the champions dropped as low as third place. They did not stay there long, bracing up considerably and passing Philadelphia and Boston, who were in first and second place, respectively. IOWA SQUAD LEAVES FOR NORTH

Nineteen Men Go to Minneapolis for Saturday's Game.

Nineteen strong the lowa varsity foot ball squad left tonight for Minneapolis, where the team will rest all day Friday at the Hotel Plaza in Minneapolis preparatory is meeting the Minnesota eleven on North-rop field Saturday afternoon.

The exact makeup of the squad will be uncertain up to the time the train leaves, practically because of returns from special examinations taken by members of the foot ball team and upon which depends their eligibility. It is expected, however, that all of the regulars will be scholantically prepared for the trip with the exception of quarterback Fee, whose case has been temporarily settled.

Joe Carroll, the Seattle promoter, who brought Warner to town for the match, also made a signed statement admitting It might be of interest to Omaha fans

to know that Jack Curley of Chicago, who was interested in the fake between the Turk and the big Frenchman at the Auditorium last winter, was also mixed up in this Seattle fake. The story as published in the Seattle

Star says that the frame-up fake was so palpable and crude that the crowd began to yell "fake" long before it was over, and hissed Roller and his gang out of the building. Now, since this effective exposure, the Star says that the Ordeman-Roller match a few weeks ago, that apparently ended

because Roller was injured, was another fake. Ordeman was to win by an injury to Roller. It came out that way. Roller began to rough it and Ordeman grabbed him, threw him on his head and Roller was carried to his dressing room apparently unconscious, the match woing to Ordeman. Long ago it became known that Roller

was a faker. Certain well known wrestlers have gone to Seattle and lost to him, who in a dozen years on the square. It is said that plans are on foot for a

It is to be hoped that this exposure in Seattle will run Roller out of the wrestling game and make him so any merit and care anything for their reputations won't dare to meet him.
