Costs Less at Bennett's

\$5, \$7.50, \$10, \$15

At this figure we show you all the style and beauty that America's cleverest designers can produce. Bennett Millinery is this season more prominently in the public eye than ever, and a larger volume of business is being done than in the history of the store.

Your idea of a fall hat finds its best expression at Bennett's. We have hundreds of practical and becoming styles at "common sense" prices. That's why this is the always busy millinery store and why the lion's share of the fall hat selling comes here. Run in and see. It's to your own interests. A particularly strong showing is made for Ak-Sar-Ben visitors.

## Reline Your Old Jacket

We make a specialty of relining jackets, and, although our prices are only one-half to two-thirds what the tailors charge, our work is just as good, and sometimes much better. We guarantee satisfaction.

Our price for putting in new linings is from \$2.50 to \$3.50, when you furnish the material; if we furnish it we add the cost of the goods.

We also make alterations and put on new silk or velvet collars and cuffs. Consult us about your fall and winter clothes.
