November 12. In his amended petition Doyle sued in all for \$76,135. The trial was concluded December 29, 1901. On December 28 a motion for a new trial and arrest of judgment was filed and the hearing on the motion held February 16, 1902, during recess. It was overruled and on April 8, 1902, or more than four years after the suit was begun judgment was entered against Burns, who filed a supersedeas bond in the sum of \$550,000, furnished by three eastern bonding companies and the case was taken to the supreme court, which on April 9, 1904, set aside the verdict and sent the case back for retrial on the ground that the measure of damages was excessive.

On March 8, 1905, the second trial of the case was begun in the district court here and on April the jury returned a verdict in the case back for retrial of the case was begun in the district court here and on April the jury returned a verdict in fact that the first court here and on April the jury returned a verdict in fact the case was begun in the district court here and on April the jury returned a verdict in fact to be supplied; District—J. On March 8, 1906, the second trial of the case was begun in the district court bere and on April the jury returned a verdict in favor of Burns. On March 6, 1908, Doyle's motion for a new trial was sustained by Judge Thornell and on April 14 Burns filed notice of appeal. On December 16, 1907, the order of Judge Thornell granting a new trial was confirmed by the supreme court. Early last year Burns filed a motion for a sheange of venue, which was sustained and the case was ordered removed to the district court of Mills county where the third trial was assigned for next Monday.

Nature's way of heating

You cannot improve on nature's way. The most successful devices for the added comfort of mankind are those relying in their operation upon the simple, direct, unerring principles of nature. Our way of Hot-Water heating a building is like sending blood through heart and arteries to keep the body warm.

will keep your rooms as accurately at 70 degrees as the human body is kept at the temperature of 983 degrees. Why not heat your building as nature heats your body? It's the least expense, with least care, and

is the most healthful known—that is why IDEAL Boilers and AMERICAN Radiators are used exclusively in hospitals, sanitariums, greenhouses, laboratories, barracks, palatial homes, etc.

From Annual Report of the U. S. Quartermaster-General:

'All hot-air furnaces as they become worn out are being replaced by modern Steam and Hot-Water systems. Upon the recommendation of the Surgeon-General, the use of Hot Water is retained for all hospitals, whatever the latitude

IDEAL Boilers and AMERICAN Radiators are now made in all sizes to fit smallest cottages, houses, stores, churches, schools, etc.-OLD or new-FARM or city. Prices are now so attractive and results so economical, that no one can longer afford to put up with the nuisance or run the risk of old-fashioned heating.

17-3-W IDEAL Boiler and 300 ft. of AMERICAN Radiators, costing the \$145, were used to Hot-Water AMERICAN Radiators, costing the owner \$210, were used to Hot-Water heat this At these prices the goods can be bought of any reputable, competent fitter. This did not include cost of labor, pipe, valves, freight, etc., which installation is extra and warles according to climatic and other conditions.

These outfits save so much in coal and cleaning, in time and temper, that they soon pay for themselves.

Will not rust out or wear out-are therefore an investment, not an ex-

GAVE UP HOPE

After Suffering a Year with Raw, Watery Humor on Hands and Face - Prescriptions Did Not Do a Bit of Good-Scratched Till Blood Came and Had to Quit Work.

COMPLETELY CURED BY CUTICURA REMEDIES

"I suffered with eczema for one year and had two of the best doctors in town, but their medi-cine did not help me, First of all there were small white pimples on my left hand and I had to scratch until 司司 the blood came. Then they would puff up and water would run out. Wherever this water would run there would be more pimples until my whole left hand was a mass of sores. Then my other hand became affected and they

were like a piece of raw meat. Then it came on my face, neck and under my right arm so that I was unable to raise right arm so that I was unable to raise
my arm for two weeks. It became so
bad that I was obliged to give up work.
"About four months ago I started to
doctor and the doctor told me it was
exema. So he told me to get
ointment and soap. I used them for a
month and they didn't do me one bit
of good so I tried another doctor. He
save me three different kinds of medigave me three different kinds of medicines, but I was very much put out when these remedies did not help me. I was unable to sleep at night and I gave up all hope until I decided to try the Cuticura Remedies. I used two cakes of Cuticura Soap, two boxes of Cuticura Ointment and three bottles of Cuticura Resolvent and I am glad to say I are exceed. Miss Novas Shultz to say I am cured. Others Get Into Telephone Fight

Holders of Service Stock Joining to Prevent Consolidation of Companies.

(From a Staff Correspondent.) DES MOINES, In., Oct. 5 .- (Special Telegram.)-Three Des Moines business concerns holding service stock in the Mutual Telephone company filed petitions of intervention as plaintiffs in the suit started in district court yesterday to enjoin the consolidation of the Mutual with the Iowa, and t is probable that a larger portion of the hearing of the case October 18. It was dis- gold by all druggiets. closed today that the officials of the independent telephone companies at Council Bluffs and Sloux City and the officers of the Independent State and National associations are in the suit because with the Mutual gobbled up at this place their long distance service would be crippled and further as a test of the law. It is claimed the Illinois court a few months ago refused to allow such a sale and consolida-

Dennis Sweeney, brother of State Mine Inspector Ed Sweeney, shot his wife and then shot and killed himself early today at New Saylor. They had been divorced three weeks. He went to her home and waited until she came out to milk the cow, when he shot her. She may live.

Button Industry Spreads. IOWA CITY, Ia., Oct. 5 .- (Special.)

That the pearl button industry so long confined to Muscatine and vicinity is spreading in this state is evidenced by the fact that a factory will soon be built in this city. Having discovered that lown City will prove a good location for the manufacture of the pearl buttons, moneyed interests in eastern Iowa recently announced that work on a building will be started this fall.

Iowa News Notes.

BELMOND—David Allison, a lineman for the Helmond Telephone company, received what the physcians declare were fatal in-juries, when he fell from the top of a twenty-four foot pole today while repairing

SPIRIT LAKE—While accompanying her sun, A. M. Johnson, jr., and his bride, who were married September 30, while on their wedding irip in a touring car, en route to Minneapolis, Mrs. A. M. Johnson, the wife of a well known business man of this place, was killed near Lasure, Minn. DIKE-Belleved to have been slugged and thrown from a Northwestern train near here. Charles Rott, a freight brakeman, was found seriously and perhaps fatally injured and in an unconscious condition alongside of the tracks this morning.

REDFORD-Flying blindly against a lantern, upsetting it and setting fire to the barn, which with all of its contents was destroyed, is what the antics of an owl, which made its roosting place in the E. M. Stithem barn near here, cost Mr. Stithem. The igne was \$1,000 with insurance of \$400. SALEM-Plans are now being made to open a school for the worthy and needy children by the Friends church of Iowa. The school is to be founded at the denomination's industrial farm of the lowa yearly meeting, near this place and Rev. W. J. Hadley of Marshalltown, superintendent of

pastoral and evangelistic work of the four sons-Weir Marston, an officer in the yearly meeting, is in charge of the arregular army; Mark Marston of Dakota, rangements. It is not likely that the school will be ready for pupils until next spring.

DENISON—The evangelist campaign being conducted by Dr. Ostrom here is arousing intense interest. With a view of widening its influence, some 200 invitations were issued to pastors, and Sunday school workers living within thirty miles, to be at Denison Wednesday for an all-day conference as to religious work. The church people here are deeply silve and converts, young and old, are being made at every meeting. The music is a strong feature, led by Hillis of Washington City. This part of the meetings will be made more attractive this week by the presence of a cornet soloist, Mrs. Pauline Glidden Chapman. Sunday, October 10, will be Dr. Ostrom's last Sabbath here. He visits Grinhell, Ia., next.
