HILLMAN VISITS COMMISSION

Frank E. Helvey Denies He Violating the President's Order in Regard to Participating in Politics.

(From a Staff Correspondent.) LINCOLN, Oct. 6 .- (Special.)-The State Rallway commission may be forced to investigate the books and records of some of the railroads that are in federal court objecting to the enforcement of the 2-cent fare law, the Aldrich commodity rate law and the anti-pass law and other regulatory acts passed by the legislature of 1907. If this step is necessary the commission will employ an expert accountant and emdence to meet the testimony introduced by the railway companies.

C. W. Hillman of Louisville, Ky., who Nebrasks. The commission may employ

Helvey Not Yet Official. Frank E. Helvey, who is in charge of the republican state committee's press bureau, denies that he has failed to observe the direction of President Taft against census officials taking an active part in politics. Helvey declares that the rule merely forbids such participation during his term of office, which, according to his understanding, has not yet begun. Until he actually starts working for the government, he does not consider that his term of office PLATTSMOUTH, Neb., Oct. 6 .- (Special.) has commenced, and therefore he considers Senator Burkett has been notified from that he has the right to hold a position Washington to recommend a successor to with the state committee. This view is Chester H. Smith, postmaster in this city, also held by Chairman Hayward.

which is understood to mean that the It all depends on when the term of office present incumbent is to be dismissed and a begins. Helvey received his commission successor at once appointed. Mr. Smith as census supervisor for the First Newas recently indicted by the federal grand braska district a week or two ago, which jury on the charge of having received a was official notice that he would be notiportion of the pay of his assistant, fied when to take up the work. He is not necessitates some tearing up in the baseamounting to \$1,395.83, and is charged with expecting this to be before the first of the ment, where the cells are, and the prisoners at liberty to remain in the state commit- planning their "get away." News From Peru Normal

PERU, Neb., Oct. 6.-(Special.)-J. D. Calhoun, formerly of Lincoin, visited Peru Pickrell. The church assumed charge of yesterday. He spoke at the convocation the hospital last spring and is building up hour on the subject, "Our Educational a spiendid business in Nebraska and Kan- Growth." In closing he said: "I was in Peru forty years ago. Since then the school has grown twentyfold. I predict it will grow tenfold more in the next forty years. This means that we are pioneers in educational work and have a wonderful opportunity to perform a valuable service to society by making our work here of the very highest standards."

This year's senior class, of which Prof C. F. Beck is the adviser, has bought and is having placed in the normal chapel a large statue of Horace Mann, the founde of normal schools in America.

Miss L. Nemaha Clark of Auburn, one of the most prominent members of last year's graduating class and one of the strongest graduates of the Normal, was visiting in Peru yesterday. Miss Clark is candidae for county superintendent.

Prof. Brownell's text book on experimental chemistry is now in print and is being used by the classes in chemistry in the Normal. Many of the high schools throughout the state are also using this text. Other members of the Normal faculty who have recently written books are as follows: President J. W. Crabtree, "School Management;" Prof. J. M. Howe, "Plane Geometry;" Prof. F. M. Gregg.

"Manual of Parliamentary Law." 'Do your bowels move regu- university are Peru graduates, showing If your answer will be "No," that there is a strong tendency for the Not Normal graduates to continue their edumore serious disorders of the blood and ment started by President Crabtree sev

HERMAN-There seems to be no end to HERMAN-There seems to be no end to the amount of winter apples here this year. An apple buyer is buying a car load for shipment here now and farmers brought them in by the wagon load. He is paying it per hundred pounds for them. One farmer says he has over 500 bushels for sale and any amount of them have from 100 to 200 bushels.

NEBHASKA CITY-From two to five are of apples are being shipped out of here daily. Many of them are going to here daily. Many of them are going to northern and western points and some have been shipped to points where they will be placed in cold storage. One firm will put 1,000 barrels in cold storage at Omaha, Lin-coln and other points. The crop has been very fair and about half of the late crop has been gathered.

has been gathered.

NEBRASKA CITY—The body of Mrs.
Henry Landeberger, who died from gangrene, was brought to her home in North
Branch precinct today for interment. She
had one of her legs amputated with a hope
of saving her life, but it attacked her left
leg and right arm and she refused to have
them operated upon. She preferred to die
with the disease rather than to live minus
all limbs but one arm. She leaves a husband and a family of grown children.
