Y. M. C. A. IS PROSPERING

Subscriptions to the Building Fund Being Paid Promptly.

MOST OF DORMITORY FURNISHED

Present Plans Are to Have the Formal Opening of the Building Held on the First of November.

Of the \$20,000 subscribed to the Young Men's Christian association building fund \$4,500 has been paid in, and Robert B. Wallace, treasurer of the association, stated yesterday that he was confident that the balance of the amount pledged would soon be collected. In the payment on the building fund, Treasurer Wallace reported yesterday that \$750 had already been paid into the association treasury in membership dues.

"The outlook is certainly most encouraging," said Mr. Wallace. "Subscribers to the building fund are paying their pledges promptly in response to the call issued by the board of directors. When it is taken into consideration that there were between 2,200 and 2,300 subscribers, and that only \$14,000 remains yet to be collected, I think the association is to be congratulated."

But few of the dormitory rooms remain to be furnished by contribution. The Woman's Christian association has offered to bear the cost of furnishing one of the rooms and other contributors are Captain O. M. Brown of the Burlington ticket office, Mr. and Mrs. Lewis Cutler, the Pioneer Implement company, the Peterson and the Knapp companies.

The Council Bluffs chapter of the Daughters of the American Revolution and the Woman's Christian Temperance union.

Plans for the Future.

John A. Goodell of Des Moines, acting secretary, and Fred M. Hansen, secretary of the department of county work of the State Young Men's Christian association, were here Tuesday and yesterday conferring with F. E. Pierson, the physical director and acting secretary of the local association. Mr. Goodell expressed himself as much pleased with the situation in Council Bluffs and the progress which Mr. Pierson is making towards getting the building ready for occupation and the starting of the work of the different departments.

The membership committee, of which C. A. Chapman has been made chairman, is now out after an enrollment of 700. In order to arouse enthusiasm and insure active work among the members of this committee, and the campaign is to be wound up with a banquet and other festivities at the November housewarming.

It is now planned to have the building formally opened November 1, and work to this end is being pushed. The apparatus for the gymnasium has arrived, but Director Pierson will not have it installed until the baths are ready for use and the interior work of the other part of the building is completed.

Mr. Pierson is preparing an interesting program for the meeting next Sunday afternoon, which will probably be in the nature of a membership rally.

MATTERS IN THE DISTRICT COURT

Carl Fisher Convicted of Attempt to Commit Murder.

Carl Fisher, the Omaha negro charged with shooting at Gertrude Broomfield, a colored woman, who also claimed Omaha as her residence, was found guilty yesterday in the district court yesterday of assault with intent to commit murder. The maximum penalty under the conviction is thirty years in the penitentiary.

The Broomfield woman was walking on Avenue B one evening during the latter part of August in company with Fred Stone, a colored man who was formerly city poundmaster, when Fisher came up behind them and asked if they knew where Minnie Smith lived. They replied they did not and then Fisher, it is charged, drew a revolver and fired at the woman, but the bullet went wide of its intended mark.

On the stand Fisher admitted the shooting, but in excuse said he was intoxicated at the time and that he only shot in the air with the intent of scaring the woman and that he was afraid of her.

He testified that he was in the company of Minnie Smith, a young colored woman with whom he is said to have been keeping company in Omaha, to come to Council Bluffs to live. Fisher is 28 years old.

At the close of the Fisher case, the trial of Mrs. Emma Metcalf, charged with murdering a house of ill fame on Broadway in the western part of the city, was begun.

ORDER TO MILWAUKEE ROAD

Iowa Commission Insists Shipper Shall Be Allowed to Reconsign Coal from Illinois.

(From a Staff Correspondent.)

DES MOINES, Ia., Oct. 6.—(Special.)—Orders have been given to the Chicago, Milwaukee & St. Paul railroad by the State Railroad commission to receive carload shipments of coal at Davenport for Iowa points. The company has not complied thus far and the commission may ask the attorney general to enforce its order.

Coal shipments have been made from Illinois points to Davenport by the local Illinois state rate, and from Davenport to Iowa points by the local Iowa distance tariff, the shipment being reconsigned at Davenport because the low Iowa rates made the late less to ship by the two states than by the interstate route.

The Milwaukee balked and refused to receive such consignments unless reloaded into Milwaukee cars. This would force the shippers to ship by interstate rates. Complaints were made to the commission by the Clark Coal and Coke company and by the State Board of Control against this action on the part of the railroad.

According to the tentative arrangements the club will be after the style of the Black Friars at the University of Chicago. The play will be written and played by undergraduate men and it is planned to make the event one of the leading features of the school year.

The University School of Music and the manager of a private school of music this year here will probably write the music and Clarkson Miller, a member of the student body will be one of the authors of the play. Miller was a name for himself in the east Des Moines high school and he is a prominent in local theatricals two years ago.

BRITISH WOMEN PLAY WELL

Indications that National Golf Title May Go Abroad.

PHILADELPHIA, Oct. 6.—Developments today in the women's annual national golf championship had a distinctly British cast, and many observers at the links of the Merion Cricket club are beginning to think that the title will be carried abroad.

Two of the four British women who qualified Monday for the title were put out today in the second round of match play, but the most skillful and prominent of the visiting delegates, Miss Dorothy Campbell and Miss Frances Teacher, remain. As both are in the top half of the draw, should both win tomorrow, they will meet in the semi-final, so the spectacle will be spared of two foreign players contending against each other in the final for the championship of the United States.

Mrs. Charles T. Stout of New York, ex-national and Metropolitan champion, held herself to reserve today in beating Miss Frances Grison, Philadelphia, another former title holder, feeling in advance that the must meet the British champion tomorrow. Miss Campbell had a much harder task to defeat Mrs. E. H. Fitter, Philadelphia, who never played so well before. Miss Teacher showed the best quality of the "invaders" to date by handily beating Miss V. L. Llewellyn, another champion, although luck was rather on the Chicagoan's side.

Mrs. Cath Fox, Philadelphia, won on the home hole from Miss Mary Adams, Boston, eastern champion, after an amusing round, in which both took practically three putts at every hole. Miss Margery Phelps, Boston, had to play out the home hole to win from Miss Temple of England, but added to keep her nerve at the critical point. The only extra hole match was that in which Miss Isabella Smith, Chicago, Miss Elizabeth Porter, Boston, on the nineteenth, with high scoring. Miss Jane Spence of England pushed Mrs. Ronald Charlton, former Philadelphia district champion, the full round for a decision, an unexpected development, as this is Mrs. Barlow's home course. Miss Noble of Wilmington, had the easiest match of the day.

This afternoon was devoted to the driving and approaching and putting contests, both of which went to the Britishers. Miss Dorothy Campbell, Scotland, title holder of Great Britain, led the driving, her total being 54 yards two feet at three tries, 100 yards two feet, 181 yards one foot. Miss Temple of England, who was best in the approaching and putting at 5 points, making 2, 3 and 4, respectively. Miss Florence McNeely, Philadelphia, scored 19 points, consisting of 4, 3 and 2. Miss Mary Ames, Boston, third at 11 points, made up of 3, 3 and 5. Nebraska, Wails, Boston, fourth at 12 points, consisting of 2, 4 and 5.

MANAGER CARR IS CONVICTED

Indianapolis Player Found Guilty of Playing on Sunday.

INDIANAPOLIS, Oct. 6.—The jury in the case of Charles Carr, manager of the Indianapolis Base Ball club, charged with having played professional base ball on Sunday, returned a verdict of guilty tonight. The proceeding was brought to test the constitutionality of the law permitting Sunday base ball.

The case against Carr, will be appealed to the Indiana supreme court unless Judge Pritchard of the criminal court, sustains a motion to arrest judgment, according to the statement of Carr's attorney's tonight.

The jury deliberated for twenty-seven hours. For a greater part of the time it is said, the ballot stood 8 to 4 for Carr's acquittal. At 1 o'clock this afternoon, the jurors reported to the bailiff that they were unable to agree. But Judge Pritchard ordered them back to the jury room for the night. In a few hours the verdict of guilty was returned.

The prosecution contends that the law passed by the last state legislature is unconstitutional. It is declared to be class legislation as it permits professional base ball players to follow their vocation on Sunday contrary to the Sunday desecration law of this state.
