Charming Styles in the New Fall Millinery

No stone has been left unturned to bring the millinery salon to its richest brilliancy. The hats have never shown such varied types of beauty. As to colors, copper shades are very much in vogue and are shown in practically all materials as well as in trimmings. Their characteristics this season are the reddish tones, and these are much more pronounced than the ones favoring brown and yellow which make them handsomer and softer. The woman who wants a practical hat to go with everything will be specially interested in our $8.00, $10.00 and $12.00 hats.

faction. The attractions were superior in many ways. The shows were furnished by the United Fairs Booking association of Chicago and they were pleasing.

At no time were the police called upon to close up any of the attractions and at no time was the crowd unduly hilarious. Over $800 worth of confetti was sold in 5-cent packages and confetti throwing indicates the humor of the crowd.

A noticeable feature of the carnival this year was the unusually large number of children who have passed through the gates. Old-timers say there were more children in attendance than in any previous year and no accident to a child was reported to the police.

While the home people patronized the carnival in great numbers, the grounds took on a carnival aspect when the country cousins came to town. It was their carnival and they carried it through to a success.

Douglas County Fair Prizes.

The Douglas county fair, which came to a close with the lowering of the flag over the King's highway was a most pleasing feature of Ak-Sar-Ben. Competition for prizes was intense and the exhibits that carried off first premiums were the best in the state for some of the products shown participated in the capture of the first prize at the state fair. Prizes for the best collective exhibit were awarded as follows:

Union precinct first, $120; Elkhorn second, $110; Jefferson third, $100; Waterloo fourth, $80, and Douglas fifth, $50. Charles Grau won first prize for the largest yellow corn; William Lingeran first prize for the best white corn. The same men won the first prize in the special corn contest for yellow and white corn.

Union precinct won first prize in the most varied exhibit; Elkhorn first in the sheaf exhibit; Waterloo first in the wild hay contest; Elkhorn first in small grain; Jefferson first in grass seed contest.

Mrs. M. Kahn, 523 South 29 street, first for the largest exhibit of canned fruit and jellies; Mrs. K. Randolph, South Omaha, best pickles; Mrs. Weyerman, best cake; Mrs. McArdle, Elk City, best preserves; Mrs. Grau, Washington, jellies and fruit; Miss Ada Maginn, preserves and pickles; Mrs. J. L. Maginn was the superintendent of the exhibit and the great success of the affair was due largely to her untiring energy.

Brother Asks Brother's Pardon.

SIOUX FALLS, S. D., Oct. 9.—(Special.)—Efforts are being made to secure a pardon for Andrew Galer, formerly of Dubuque, Ia., who is serving a term of eighteen months in the Sioux Falls penitentiary for assaulting John O'Leary, town marshal of Emery, S. D. Galer was lodged in the penitentiary last winter, immediately following his trial. The movement seeking to have him pardoned was inaugurated by his brother, E. L. Galer of Dubuque, who a day or two ago visited Emery and other places for the purpose of securing signatures to the application for the pardon of his brother. The prisoner's health is failing. Because of this and the further fact that he has been a model prisoner and the people of Emery believe he has been punished enough, the petition was quite generally signed by the residents of Emery and vicinity. The petition will be filed with the state board of pardons, and it is expected it will be acted upon at the next meeting of that body.

DIRIGIBLE BALLOON COLLAPSES, AERONAUT HURT

William Mattery Falls Hundred Feet and Wrists Are Fractured as Result.

SOUTH BEND, Ind., Oct. 9.—William Mattery's dirigible balloon, the America, collapsed last night at a height of 100 feet. Mattery's wrists were fractured. The machine was destroyed. When Mattery started the motors of his airship a great crowd pressed around him and he was obliged to steer at a sharp angle. The propeller caught the rear of the gas bag and tore it open.

PURDUE MAKES TOUCHDOWN

Northwestern Fails to Keep Aggies from Scoring.

LAFAYETTE, Ind., Oct. 9.—Purdue was defeated by Nortnwestern on Stuart field today by a score of 14 to 5. Northwestern made two touchdowns and a drop kick. Johnson made two touchdowns in the same manner, getting the ball by intercepting forward passes and running seventy yards for touchdowns. Purdue's only touchdown was made in the second half after Goebel had made some sensational quarterback runs and Eisensmith some long forward passes.

Kasselbaum went in for Smith at fullback and made long gains through the line. Urwitz went over for Purdue's touchdown from the one-yard line and Goebel failed to make goal. Purdue had the ball on Northwestern's five-yard line when the game ended.

much so, in fact, that when he reached here at 5:15 p. m., after a sixteen-mile stage ride, he declared he was ready to begin the day all over again. The president took luncheon with Major Forsythe, superintendent of the park.

A forty-ton boulder of granite fell down the mountain last night and landed directly in the road over which the president traveled Thursday when he entered the Yosemite park, and he passed the spot again today on his way back to El Portal. The rock was blasted off the roadway this morning by a gang of park laborers.

CHILDREN PLAY IN ROYALTY

(Continued from First Page.)

Tokio"—who brought Cinderella into fame last year, was the able director of dances.

He was ably assisted by a committee headed by Mrs. W. A. Paxton, jr. From the assembling of the Japanese, the first number on the program, to the final cotillion, Directors Chambers showed himself the master of the dance. Every number was performed with perfect grace. The little children carried out every figure, many of them intricate and complicated, without an error. The various dances of the nations, given on the stage by groups of dancers in typical costumes, were heartily applauded.

One of the most spectacular scenes was the Japanese dance and tea. Spotlights were brought into play, giving a pleasing effect. The girls—hundreds of them—were seated in groups about the auditorium when, to the strains of weird Japanese music, the tea maids appeared and served the delicious beverage to the squatting guests. All the dances, the assembly of the nations and the various figures, with the music accompaniment, were arranged by Director Chambers.

Plays Popular Airs.

Following the tea party, Dimick tuned up his orchestra to suit the popular demand, and the little ones danced to their hearts' content. They waltzed and two-stepped and did the barn dance to the delight of themselves and the spectators.

The 1909 Children's day was a success in every way. The people who paid their yen or their 50 sen to view the function were satisfied that they had seen one of the prettiest children's carnivals ever presented in Omaha.

BISHOP HARE ILL IN EAST

Bishop Millspaugh of Kansas Will Preside Instead at Missionary Council.

SIOUX FALLS, S. D., Oct. 9.—(Special.)—Arrangements now have been completed for the entertainment of the delegates to the third annual council of the Sixth Missionary department of the Protestant Episcopal church of the United States, which convenes in Sioux Falls next Sunday morning and remains in session until Tuesday evening of next week.

Right Rev. William Hobart Hare, the venerable bishop of the Episcopal church of South Dakota, who would have presided, will be unable to be present, illness preventing his return from the east, where he has been since early last spring. Right Rev. Frank Millspaugh, bishop of Kansas, has notified Dean Biller of his intention to attend the council. Bishop Millspaugh was at one time rector of a parish in Minneapolis and is quite well known throughout the northwest. Neither Bishop Tuttle nor Bishop Millspaugh will come as a delegate, but they are expected to take an active part in the council proceedings.

One of the principle addresses at a big mass meeting at the New theater on Sunday afternoon at 3:30, will be delivered by the presiding bishop, Right Rev Dr. Brewer of Minnesota. The mass meeting will be one of the features of the council. Right Rev. Frederick Foote Johnson, assistant bishop of South Dakota, will preside at the mass meeting. The address of welcome will be made by Mayor Burnside, and following this addresses will be made by Bishop Mann of North Dakota, Clement Chase of Nebraska, Judge Lightner of Minnesota and Bishop Tuttle of Missouri.

FIGHT ON TAMMANY HALL

(Continued from First Page.)

posterous. Bannard was in the race to stay, they said, and would win.

Charles F. Murphy and other Tammany leaders continue to brand the entrance of Hearst as a "deal," but at the same time say that Justice William B. Gaynor will be victorious. Tammany, according to a report today, having already absorbed the old Independence league machinery, tried to take the name and emblem of the new civic alliance today by filing a petition under that name with the board of elections. Under the law, the first party filing such a petition has a right to assume the title and emblem, but if this disrupts the plans of the new Hearst party no announcement to this effect has been made.

Gaynor Returns Money.

Judge Gaynor's principal contribution to the situation today was an announcement that he had decided not to use a dollar in advocating his candidacy and would return all gifts of money proffered him for campaign purposes. He returned two such contributions—one of $500 and the other of $1,000—today with letters explaining his attitude.

As had been predicted for several days, William Travers Jerome issued a statement tonight formally withdrawing from the contest for re-election as district attorney as an independent. His statement says:

"After a careful reflection it seems to me I ought no longer to continue as a candidate for election to the office of district attorney of New York county and I have today filed my declination of nomination as a candidate for that office."

Deal with Tammany.

The charges of an alliance between Tammany hall and upstate members of the republican organization recently made by Herbert Parsons, chairman of the republican county committee, were corroborated and expanded tonight by William H. Warhams, who, under appointment by Governor Hughes, is investigating charges against William Leary, state superintendent of elections. Mr. Parsons has insisted in the face of repeated denials that republican votes at Albany were traded to help Tammany defeat suffrage reforms in New York City in exchange for Tammany votes at Washington to support Speaker Cannon in his contest in the house over the committee on rules.

Mr. Warhams said tonight: "Mr. Parsons has told you something of this shameful deal, but not all about it. I have no doubt that an agreement was reached whereby upstate republicans sold their votes to Tammany hall in exchange for Tammany support for Speaker Cannon. The deal embraced the defeat of the direct primaries bill, public service measures, the New York City charter and the ballot laws, all measures for the good of the people of New York."

PRACTICE GAME AT WESLEYAN

Varsity Has a Game with the Scrub Team.

UNIVERSITY PLACE, Neb., Oct. 9.—(Special.)—The first practice game of the Wesleyan foot ball team was played today on the new athletic field. The team has been doing scrimmage work for the past two weeks, but on account of the fact that no practice games could be secured, a regular game was slated for yesterday afternoon between the 'varsity and the scrubs.

The stands were partly filled by an enthusiastic bunch of rooters who witnessed an interesting contest.

During the first half, although the ball was almost entirely in the scrubs' territory, the 'varsity failed to score. In the second session, Lehman scored for the scrubs by intercepting a pass and running half the length of the field for a touchdown. This seemed to put real fighting spirit into the varsity for they followed quickly with three touchdowns, making the final score, 17 to 5. The work of Captain Simonds at quarter was of the stellar order, for he not only ran his team well, but was a good ground gainer and handled the forward pass well. Sutton at fullback made his distance regularly when called upon. Meyer showed up well, while Swan and Beck played strong games on the ends. Lehman, Hull and Cole did the best work for the scrubs.

Wesleyan plays Bellevue here next Saturday and the rooters are awaiting the game with much interest. Coach Clevenger is quite optimistic about the game although no definite line can be had on the strength of the Bellevue team.

PRINCETON PLAYS POORLY

Orange and Black Narrowly Misses Nothing to Nothing Score.

PRINCETON, N. J., Oct. 9.—Princeton had a narrow escape from being held to an 0 to 0 score today. Cunningham's drop kick in the last minute of play giving the locals a victory by a score of 3 to 0. The Fordham back field was easily superior in end running, long gains were made with the forward pass and Fordham's players took advantage of Princton's many fumbles.

On the whole it was the poorest exhibition of foot ball by a Princeton team seen here in years. Princeton kept the ball in Fordham's territory entirely in the second half, but tried forward passes, short kicks and tricks to no avail. Finally, when White for Fordham fumbled on the twenty-five-yard line, C. McCormick of Princeton fell on the ball and Cunningham kicked a goal from the field, time being called on the next play.

MISS CAMPBELL WINS TITLE

Scotch Woman Is Now Golf Champion of United States.

PHILADELPHIA, Oct. 9.—Miss Dorothy Campbell of Scotland defeated Mrs. R. H. Barlow of Philadelphia today in the final match of the woman's national golf tournament on the Merion links at Haverford by 3 up and 2 to play after one of the most thrilling struggles ever seen in the vicinity of Philadelphia.

By her victory today Miss Campbell adds the national title of America to her already long list of championships, she still being the woman's open champion of England and having been three times the champion of Scotland.

With the result once settled, the true sportsmanship of an American crowd showed itself and Miss Campbell was as heartily congratulated as if she had been representing this country.

Speaking of this reception afterwards she said: "Never have I been more sincerely congratulated for a victory even when I brought the woman's championship title back to Scotland."

NAVY DEFEATS RUTGERS

Middies Fail to Keep College Boys from Scoring.

ANNAPOLIS, Md., Oct. 9.—The Navy defeated Rutgers this afternoon by a score of 12 to 3. Although a victory, the game was not one in which the midshipmen could take great pride. Rutgers' one score was tallied on a neat drop kick by Alverson from the twenty-yard line. The Navy's two tauchdowns were due to greater weight in the back field.

"Can be depended upon" is an expression we all like to hear, and when it is used in connection with Chamberlain's Colic, Cholera and Diarrhoea Remedy it means that it never fails to cure diarrhoea, dysentery or bowel complaints. It is pleasant to take and equally valuable for children and adults. Sold by all druggists.

The Modern Savage.

Tourist—So they buried the old chief according to the customs of his tribe?

Native—Yep. Three whole days of it. His college class had charge of the ceremonies. They had a foot ball game with the Choctaws on Wednesday, a Marathon race on Thursday, and on Friday released seventeen assorted press dispatches of uprisings, including rumor, confirmation and denial, and paid the funeral expenses by selling the magazines photographs of the snake dance, and as soon as the moving picture concern gets the film of the funeral in shape the widow will draw $100 a month royalty. Not a bad sendoff for the old man, eh?—Puck.

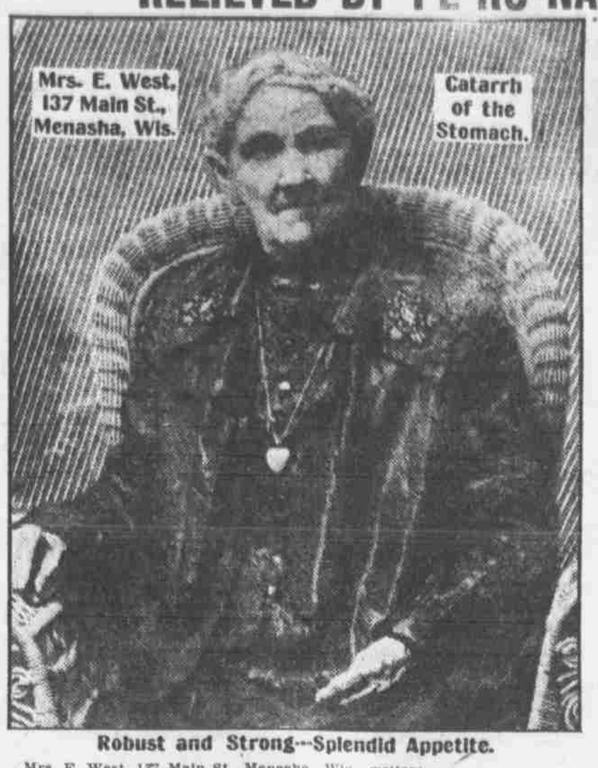
DOCTORS SAID INCURABLE—RELIEVED BY PE-RU-NA.



Robust and Strong—Splendid Appetite.

Mrs. E. West, 127 Main St., Menasha, Wis., writes:

"We have used Peruna in our family for a number of years and when I say that it is a fine medicine for catarrh and colds, I know what I am talking about.

"I have taken it every Spring and Fall for four years, and I find that it keeps me robust, strong, with splendid appetite, and free from any illness.

"A few years ago it cured me of catarrh of the stomach, which the doctors had pronounced incurable.

"I am very much pleased with Peruna."

Bowels and Stomach

Miss Mary Jones, 7918 Reynolds Ave., Chicago, Ill., writes:

"I can recommend Peruna as a good medicine for chronic catarrh of the bowels and stomach. I have been troubled severely with it for over three years.

"One year ago I began to take Peruna, the wonderful tonic for women, and I noticed a wonderful improvement at once. I took six bottles in succession and I always have it on hand to take some now and then when my cough is bad.

"Words cannot express my praise for your tonic. I weighed only ninety pounds before taking Peruna, now one hundred nineteen pounds."

Catarrh of Internal Organs

Mrs. B. H. Jackson, R. F. D. 5, Newman, Ga., writes: "I have had catarrh of the internal organs for more than a year. I tried other medicines without any benefit.

"I was persuaded to give Peruna a trial, and the first bottle proved a god-send, and after taking ten bottles I have received a permanent cure."
