CHICAGO, Oct. 10.—The Chicago team of the American league won their first game of the series for the city championship here today from the Chicago National league club, 2 to 1.

The Nationals were the first to score. Pitcher Walsh walked the first two men, and the third man up sacrificed after Evers had stolen a base. Chance followed with a sharp hit to right field and Sheppard and Evers started for home. Atitzer threw, however, caught Evers, but Sheppard scored. Walsh then settled down and held his opponents safe the remainder of the game.

The American leaguers started the second with two singles and a base on balls, which filled the bases. Sullivan's long fly to left field scored Dougherty. They had several other chances to score, but none matured until the ninth inning. Walsh retired and Atitzer was given a base on balls. Schulte caught Isbell's long fly and Cole followed with a single. Dougherty received a base on balls and the bases were all occupied. Purrell was at bat and Reulbach was preparing to deliver the ball, when Atitzer started to steal home. Reulbach's attention was called to the man at third, but the pitcher did not deliver the ball. Umpire O'Day called a balk and Atitzer scored the run which won the game.

Ground rules, making a hit into the crowd good for two bases, prevailed. Rain began to fall in the fourth inning and continued throughout the game. The crowd, which was one of the largest ever within the West Side enclosure, remained throughout the contest.

The paid attendance was given out as being \$2,044; the gross receipts were \$16,127.5, of which the national commission received \$1,612.57; the players, \$8,728.42 and each of the clubs will receive \$2,892.43. Score:

KEEN INTEREST IN BIG GAMES

Local Fans Are Wrought Up Over Three-Cornered Base Ball Fight.

Interest in the three great base ball contests has been whetted to a fine point by the close fighting of the various teams. The Pittsburgh and Detroit have a victory apiece, so have the New York Nationals and Boston Americans, while the Cubs have won two and the Sox one. This makes it about as interesting as could well be and the results of this week will be watched with an eager eye.

In the New Boston race there is no such great interest out west as there is in the other contests, but fans are willing to bet the returns just to see how the Nationals and Americans are going to complete this three-cornered fight for supremacy.

Outside of the mere fact that the Tigers and Pirates are fighting for the world's championship, the greatest interest locally centers in the race between the two Chicago teams and betting has been favorable to the Cubs. Now that the Sox have won a game this interest will be keener.

The Sox, and especially the old Roman personally, have scores of friends and admirers in Omaha and vicinity who are boosting for them. The Cubs are popular locally, but their owner, Murphy, is as unpopular here as he is everywhere else in the country. But the fact that so many Omaha fans have gone to the Cubs favorite, Jack Pfeiffer, but to for at least one game against the Sox.

If Sam Crawford does not get inspiration from the "folks at home" in these Detroit-Pittsburgh games it will be because the folks are not boosting for him. Wahoo is as faithful as ever. At the end of every three innings the detailed score is bulletined by Dvorak of this town and the fans gather around to see what Sam has done. When the returns of Saturday's game showed Sam had driven the ball to the outfield for two bases there was great hilarity in Wahoo, where this same Sam lives when at home.

State Base Ball League.

GRAND ISLAND, Neb., Oct. 10.—(Special.)—The Grand Island base ball enthusiasts are heartily in favor of a state league. Mr. Brewer, of Hastings, who was in the city this week in furtherance of the state league idea, was well satisfied with the equipment found here. A committee has been appointed to canvass the situation for the necessary financial support and little doubt is felt that this work is forthcoming. Nebraska City and South Omaha have also indicated a readiness to enter and a six-

NEBRASKA'S HOPES ARE RISING

Showing Made Against Knox Encourages Rooters that Team May Surprise the Gophers in Omaha Saturday.

Table with 4 columns: At. R. H. O. A. E. Earl O. Eager, manager of the Cornhuskers, brought the reserved seat tickets for the Nebraska-Minnesota game to Omaha yesterday and they will be put on sale this morning at the Myers-Dillon store.

Sixteenth and Park streets. The demand for seats seems to be unprecedented, judging from the mail orders which have been coming in since the announcement was made as to where the tickets were to be sold.

An enormous crowd will surely be on hand long before time is called for the big Cornhusker-Gopher battle Saturday. To handle this large number of people Mr. Eager has arranged to have fifty Omaha High school cadets in uniform as ushers and besides a large number of police. Seats will be provided for over 6,000 people and the remainder will have to stand along the side lines.

Governor Shallenberger notified Mr. Eager Sunday that he would be on hand with a party and asked that seats be reserved for him. This will be done. Mayor Love of Lincoln will also be present in another box with a large party of Lincoln officials. Ex-Mayor Brown of Lincoln, who is also a strong rooter for the Cornhuskers, has already secured a box. Mayor Dahlman of Omaha will also witness the game and may make the first kickoff if he has time to practice up a little this week.

A block of seats was put on sale Saturday afternoon at Lincoln and a long line of buyers stood in front of the chart all afternoon, indicating a large sale from that city. Not only will a couple of thousand students be on hand, but also large numbers of citizens of Lincoln.

Cornhusker Camp Brighter.

Nebraska's crushing defeat of Knox yesterday has thrown the Cornhusker camp into a joyful mood and many of the stars are encouraged to believe that their eleven stands a good chance of holding Minnesota to a low score in the annual clash at Omaha next Saturday.

The easy time the Gophers had in defeating Ames at Minneapolis yesterday, though, has again warned "King" Cole that Minnesota is a powerful foot ball aggregation this season and that it will take a marvelous defeat to prevent an extraordinary amount of cheering money, and much is being wagered that Ketchel will get the decision.

Despite the defeat in the heavyweight class, the Michigan pugilist has a large following in this city. There seems to be a feeling of sympathy for the Michigan man, and much is being wagered that Ketchel will get the decision.

Both contenders are training hard for the contest. The negro, having exhausted his supply of fighting timber, has announced that he will meet all-comers until he completes training.

Base Ball by Electric Light. LOS ANGELES, Oct. 10.—Four thousand people saw the first night base ball game ever played in the city under the lights of the regular San Francisco and Los Angeles Pacific Coast league teams. The result was a victory for the visiting team by a score of 11 to 11. The lightning of the park was a success and the big diamond and outfield were brilliantly illuminated. Scores of spectators were attracted and several big theater spot lights were used to follow the course of the ball and the base-runners.

Excels Neighbors on North and East in Amount Raised on Per Capita Basis. PIERRE, S. D., Oct. 10.—(Special.)—Doane Robinson, of the state statistical department has been making comparative figures on production of new wealth in the northwestern states, and by the government figures, on which his calculations are based, hold its lead in production of new wealth, hold its lead in production of new wealth, hold its lead in production of new wealth.

These figures show that South Dakota continues to hold the lead for production of new wealth among the different states of the northwest, and with the increased area opened to production the last few years, will no doubt, hold it for some time to come.

Missionary Meeting in Dakota. SIOUX FALLS, S. D., Oct. 10.—(Special.)—The principal events of the first day's meeting of the third annual council of the Fifth Missionary department of the Protestant Episcopal church of the United States, which convened here today, was a missionary mass meeting held at the New theater, commencing at 3:30 o'clock this afternoon. The department embraces the states of Colorado, Iowa, Minnesota, Montana, Nebraska, North and South Dakota, and Wyoming—the fields of twelve bishops of the church, all of whom, with one exception, will take part in the deliberations of the council.

At the services held this forenoon at 11 o'clock and at 7:30 this evening in Calvary cathedral, thirteen bishops, seventy-five white clergymen and twenty-five Indian clergymen of the church were vested in and in the procession, making the most distinguished church gathering in the history of Sioux Falls or South Dakota.

American Agronomy Society. The American Agronomy Society will meet in Omaha the same week as the breeders' society. This will bring a large number of men connected with agricultural colleges, experiment stations and departments of agriculture to Omaha. The meeting probably will be held Monday and Tuesday, Tuesday and Wednesday of the week of the breeders' convention.

CHAMPION SARGENT BEATEN

Golf Expert Meets Three Local Players, Playing in the Rain. George Sargent, open golf champion of the city, was in Omaha Sunday, playing in a foursome at the Omaha Country club in the morning and at the Omaha Field club in the afternoon.

In the morning he played against the best ball of Sprague Abbott, W. J. Foye and Sam Starks. The local players and Sargent won the match. The best ball was played in a drizzling rain. The best ball was played in a drizzling rain. The best ball was played in a drizzling rain.

In the afternoon Sargent and Dick Steinfeld played Watson and Dow. The two Field club experts, and Mr. Sargent made a 75, which was very remarkable considering the day and also the fact that it was his first time he had been over the course.

Those who watched Mr. Sargent play say that the best part of his game is its consistency. He hits true and all his shots are straight to the mark. His shots are all pretty, but not necessarily far. He hits short and hits it right. The short work is strong. He does not run any of his shots, but pitches out the green and at this part of the game is most effective.

Mr. Sargent is enroute to San Francisco, where he entered in an open tournament in which the Omaha stakes are high. He will stop in Omaha on his return. He has been in charge of golf at the Chevy Chase club in Washington, D. C.
