COOK IS GRANTED NO RELIEF

Veterinarians All Agree Horses Have Glanders. According to word received yesterday by Dr. P. H. Hollingsworth of this city, assistant state veterinarian, Governor Carroll has declined to interfere in the matter of the quarantine of horses on the D. E. Cook farm in Hazel Dell township for suspected glanders.

The animals were quarantined by Dr. Hollingsworth some time ago and have been kept in quarantine because of Cook's refusal to have them subjected to the mallein test. Seven head of horses, including colts, which Dr. Hollingsworth says show symptoms of the disease are included in the quarantine.

Dr. Koto, state veterinarian, some time ago sent his assistant, Dr. Henry E. Talbot of Des Moines to inspect the animals and Dr. Talbot confirmed and approved of what Dr. Hollingsworth had done. Cook was not satisfied and appealed to the governor. Dr. Fred E. Brazeal of Harlan, an assistant state veterinarian, was ordered here by Dr. Koto and inspected the animals Sunday. Dr. Brazeal's conclusions were the same as those of Drs. Talbot and Hollingsworth.

It is now up to Cook to have the animals subjected to the test or to have them remain in quarantine. Barler oil heaters, no smoke, no smell, will heat your cold room. \$4.50, \$5.00, \$6.00. C. DeVol Hardware company, 504 Broadway.

Club Banquet. The Commercial club banquet to be held Wednesday evening at the Grand hotel promises to bring out a large attendance, judging from the demand for tickets. The gathering will be entirely informal, the intention being to get the members together for mutual discussion of the club's affairs.

The effort to secure an out-of-town speaker for the occasion, which was suggested when the dinner was planned, has been abandoned. The speakers will be Hon. William Grigneweg, Hon. J. T. Brooks and H. W. Binder, all of this city. The work of the Commercial club in the past, what it should accomplish in the future and how it should be done, will, in brief, be the theme of the speakers. The dinner is announced for 7:30 o'clock.

Ministers Asked to Help. Mrs. E. F. Field of Omaha, president of the Nebraska Woman's Christian Temperance union; Mrs. Clara Burbank, also of Omaha, and Mrs. O. G. O'Sham, president of the local union, called on the Council Bluffs Ministerial association at its meeting yesterday and asked the assistance of the local ministers in organizing the temperance parade to be given October 23, during the national convention of the Woman's Christian Temperance union in Omaha. No action, however, was taken in the matter by the association, owing to the fact that there was no quorum present at the meeting.

Not Sisters. Now and again you see two women passing down the street who look like sisters. You are astonished to learn that they are mother and daughter, and you realize that a woman at forty or forty-five ought to be at her finest and fairest. Why isn't it so? The general health of women is so intimately associated with the local health of the essentially feminine organs that there can be no red cheeks and round form where there is female weakness.

Women who have suffered from this trouble have found prompt relief and cure in the use of Dr. Pierce's Favorite Prescription. It gives vigor and vitality to the organs of womanhood. It clears the complexion, brightens the eyes and reddens the cheeks.

No alcohol, or habit-forming drugs is contained in "Favorite Prescription." Any sick woman may consult Dr. Pierce by letter, free. Every letter is held as sacredly confidential, and answered in a plain envelope. Address: World's Dispensary Medical Association, Dr. E. V. Pierce, Pres., Buffalo, N. Y.
