Women's Apparel of Surpassing Beauty

In the realm of fashion there are no more charming creations in women's apparel than we display these October days.

Not the slightest difficulty in finding a suit, or dress, or long coat to please your fancy if you come here.

Even to our most inexpensive lines the element of superior value and style has been carried to a surprising degree. Comments on the broad variety and the moderateness of the prices are of daily occurrence, while the ever increasing business is proof positive that our garments excel.

Women's Tailored Suits—\$15, \$19.50, \$25, \$29.50, \$35

Women's One-Piece Dresses—\$15.00, \$20.00 and \$25.00

Women's Long Coats—\$7.50, \$15, \$20, \$25 and \$35

There's a distinguishing custom tailored tone to our garments that discriminating women are quick to recognize. They are molded and fashioned by expert tailors, giving attention to all the little details of form fitting that mark the most successful styles and which are woefully lacking in ninety per cent of the lines one sees ordinarily.
