

Council Bluffs RUSH ORDER ON FIRE HOUSE

City Serves Notice on Contractors that it Wants Building.

HUGHES OBJECTS TO ACTION

Mayor Maloney Will Be Completed Within a Week, But Contract Allows Him Three Months to Finish It.

Contractor George F. Hughes, who is building the new Central Fire station over Indian creek at the foot of Bryant street, was somewhat surprised yesterday morning when Mayor George H. Richmond, in his capacity as city marshal, served on him notice to the effect that if the work on the building was not rushed to completion within a short while, the city would be compelled to take hold and complete the job. This notice was served on Mr. Hughes at the instance of Councilman Jensen, who drew the plans for the building.

You Can SEE The Real Oak Leather In REGAL SHOES

—Through the "Window of the Sole"

There's a little circular slip of paper pasted on the sole of every Regal Shoe. By lifting up this "Window of the Sole" you can see the white, Live-Oak-tanned leather underneath—the finest sole leather in the world. The cheap, red, Hemlock-tanned leather in other shoes is blackened over to hide its brittle color. Hemlock leather is stiff and stiff, but Regal Live-Oak-tanned leather is flexible and wears like iron.

If you want honest sole leather—if you want shoes that will last—get Regal Shoes at our exclusive Regal agency.

Answer This Question

When shown positive and reliable proof that a certain remedy had cured numerous cases of female ill, would any sensible woman conclude that the same remedy would also benefit her if suffering with the same trouble?

Here are two letters which prove the efficiency of Lydia E. Pinkham's Vegetable Compound.

Red Banks, Miss.—"Words are inadequate to express what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered from a female disease and weakness which the doctors said was caused by a fibroid tumor, and I commenced to think there was no help for me. Lydia E. Pinkham's Vegetable Compound made me a well woman after all other means had failed. My friends are all asking what has helped me so much, and I gladly recommend Lydia E. Pinkham's Vegetable Compound."—Mrs. Willie Edwards.

Hampstead, Maryland.—"Before taking Lydia E. Pinkham's Vegetable Compound I was weak and nervous, and could not be on my feet half a day without suffering. The doctors told me I never would be well without an operation, but Lydia E. Pinkham's Vegetable Compound has done more for me than all the doctors, and I hope this valuable medicine may come into the hands of many more suffering women."—Mrs. Joseph H. Dandy.

We will pay a handsome reward to any person who will prove to us that these letters are not genuine and truthful—or that either of these women were paid in any way for their testimonials, or that the letters are published without their permission, or that the original letter from each did not come to us entirely unsolicited.

What more proof can any one ask?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ill. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

Enforcing Milk Ordinance.

The city is now prepared to enforce the provisions of the recently passed pure milk ordinance and it will now be seen whether the dairymen will make a fight against the measure and take it into court, as it was declared they would or whether they will submit to the inspection of their cows, premises, etc.
