The Art Dept. Says Prepare for the Holidays Reindeer Fabric Gloves

We are Omaha's selling agents for the Chas. A. Harrison Fabric Gloves and ask our customers to investigate this glove if you have never seen them. "After first time on the hand it will be found this fabric becomes as soft as velvet and as pliable as Suede, giving freedom to the fingers." This glove also has the appearance and effect of real Reindeer and wears and washes splendidly.

We believe these gloves to be one of the greatest successes in glove making.

What attitude the vatican assumed toward the Ferrer case cannot be learned. The officials will neither deny nor affirm that any step looking to a pardon for the revolutionist was taken, but it is understood that if anything was done the negotiations were carried on directly between the pope and King Alfonso.

WORTH MOUNTAINS OF GOLD. During Change of Life, says Mrs. Chas. Barclay. Grantville, Vt.—"I was passing through the Change of Life and suffered from nervousness and other annoying symptoms, and I can truly say that Lydia E. Pinkham's Vegetable Compound has proved worth mountains of gold to me, as it restored my health and strength. I never forget to tell my friends what Lydia E. Pinkham's Vegetable Compound has done for me during this trying period. Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my trouble public so you may publish this letter."—MRS. CHAS.
