Next time you buy flour

don't just order "a sack of flour"—be particular—tell the grocer to send you a sack of

Sunkist

The Flour of Perfect Purity

Sunkist Flour is made from plump, sweet wheat berries—from the very pick of Nebraska's wealth of sun-ripened golden wheat. That's what gives Sunkist its rich creamy color and its fine wheaten flavor.

Sunkist is worth 25 cents a sack more than ordinary flour, yet it costs you no more.

Omaha Hospital Gets a Legacy

First Methodist Remembered in Will of Armenian Who Dies at Norfolk.

NORFOLK, Neb., Oct. 14.—(Special Telegram.)—Without a relative in the world, M. Gregoris, an Armenian, who came to this country twenty-six years ago and who by day labor saved $4,000, has just died and willed his money to three hospitals, two in New York and one in Omaha. They are the Methodist hospital, Omaha, and the Presbyterian hospital and the Society hospital of New York.

Gregoris lived all alone. He was paralyzed three weeks ago.

PRESBYTERIANS IN FEDERATION

Some Work Can Be Done Better by United Effort.

MINDEN, Neb., Oct. 14.—(Special Telegram.)—The morning session of the Presbyterian synod was taken up largely in hearing reports from the various committees. The important matter acted upon this morning was the adoption of the constitution of the Nebraska Federation of Churches. This federation has for its object the promotion of the work that can better be done in union than in separation in establishing the kingdom of God on earth.

The afternoon session was addressed by F. W. Russell of St. Louis. Among other things he emphasized the growing tendency to adopt and preach the Unitarian idea in churches and warned the Presbyterian church against any such encroaching upon its doctrines. He congratulated the church and its ministry on the fact that he had found no such conditions to exist in the Presbyterian church.

Troops Camp at Springfield.

SPRINGFIELD, Neb., Oct. 14.—(Special.)—Four troops of the Seventh cavalry and Battery E of the Sixth field artillery, consisting of 350 men and 600 horses and mules, returning to Fort Riley, Kan., from Omaha, went into camp here yesterday and remained until this morning. The troops were under the command of Captain Tompkins, a veteran who has been in Seventh cavalry twenty-two years. The command was accompanied by a pack train and a machine gun platoon. Several companies of infantry on the way to Fort Leavenworth will camp in Springfield Friday.

Paisley Will Contest.

OSCEOLA, Neb., Oct. 14.—(Special.)—District court convened here yesterday, with Judge Hollenbeck of Fremont holding the term in place of Judge Good, who has been at home sick for several days. The most prominent case of the term and the one now being heard is the Paisley will contest. A jury was secured yesterday afternoon and today has been spent in examining witnesses for those heirs who wish to break the will. The deceased left all his property to his wife, to whom he had been married but a few days prior to his death. He was an old man when he married his surviving widow and the contest centers over whether or not he was capable of making a will. There is over $25,000 worth of property involved.

SHRINERS GATHER AT M'COOK

About Two Hundred Help Thirty Over the Sands.

M'COOK, Neb., Oct. 14.—(Special Telegram.)—Today marked an epoch in southwestern Nebraska Masonry in the presence here of about 200 Shriners and the initiation into the Mystic Shrine of some thirty candidates by the officers and members of Sesostris shrine of Lincoln, headed by their famous loving cup winning patrol of twenty members.

A great parade and drill were among the features of the afternoon and a banquet with 200 plates the concluding act of the great gathering at night.

McCook gave the Shriners a most hospitable welcome. There were both day and night decorations, the new $80,000 temple being specially featured.

"Died of Pneumonia"

is never written of those who cure coughs and colds with Dr. King's New Discovery. Guaranteed. 50c and $1.00. Sold by Beaton Drug Co.

Ronald Buys Mitchell Paper.

MITCHELL, S. D., Oct. 14.—(Special.)—The announcement was made today of the sale of the Mitchell Daily Republican to W. R. Ronald, editor of the Sioux Falls Press, the transfer being made by A. E. Dean, business manager of the Republican, who has guided its destinies for the last twenty-six years. Mr. Ronald takes possession of the paper on November 1. Mr. Ronald was formerly associate editor of the Sioux City Tribune and went from there to the editorship of the Sioux Falls Press. The politics of the Press, while republican, have been of the progressive or insurgent type and his purchase of the Republican, which has been a supporter of the stalwart faction, at once leads to the supposition here that under the new management the paper would espouse the cause of the insurgents. In a statement Mr. Ronald said that the purchase of the Republican was accomplished without the knowledge of any of the South Dakota politicians and that none was interested to the slightest degree. Concerning the politics of the paper he stated that it would not take up with either faction of the party, but that it will be conducted conservatively as an independent republican paper. Mr. Ronald will come to Mitchell October 30.

The Honest Proprietary Medicine

fills a national need in the land and it will take more than the cry of "fraud" and "fake" from the avaricious, overreaching physician to overthrow an honest, reliable and standard preparation like Lydia E. Pinkham's Vegetable Compound, which is made from the roots and herbs of the field, and has cured more women of female ills than any other remedy we know of.

Chaotic Kearney Politics.

MINDEN, Neb., Oct. 14.—(Special.)—Politics is in a peculiar shape in Kearney county. G. L. Godfrey, defeated in the primary for the nomination of county judge, and ex-chairman of the republican county central committee, has filed by petition. The same is true of Johnson Slack for sheriff on the democratic ticket. Andrew Juel, a socialist, has filed by petition for sheriff. I. J. Thompson is running against J. H. Jensen for county clerk. J. H. Jensen is running on the fusion ticket and much is said against him on the ground that he sought the nomination on the republican ticket at the primary by circulating a petition to be placed on the republican ticket. He had the petition ready when suddenly he withdrew the same and did not ask to be placed on the ticket.

THE BEST "APENTA" NATURAL APERIENT WATER

BOTTLED AT THE SPRINGS, BUDA PEST, HUNGARY.

Baptists Meet at Mitchell

Society of South Dakota Reports Erection of Several New Churches During Year Just Passed.

MITCHELL, S. D., Oct. 14.—(Special.)—There are about 150 delegates in attendance at the twenty-eighth annual convention of the South Dakota Baptist association, which convened in this city, made up of pastors of churches and women of the missionary societies. The convention will be in session until Sunday evening, and an extensive program has been outlined for the week. Rev. W. C. King of Sioux Falls, the state missionary, will outline in his report a very fine condition among the Baptist churches of the state, showing the erection of several new churches, most notable of which is the new edifice at Aberdeen, the cornerstone of which was laid this week. The missionary spirit of the Baptist women was displayed today when their first session was held, with Mrs. C. F. Hackett of Parker in charge. Saturday evening Mr. Harry W. Jones of Minneapolis will deliver an address before a banquet of men at the Congregational church. Another feature will be the memorial exercises in honor of the late Rev. T. M. Shanafelt, which will be held Sunday morning and the address will be delivered by Rev. A. R. Button of Bradley, who was associated with Mr. Shanafelt in much of his work around the state.

Your complexion as well as your temper is rendered miserable by a disordered liver. By taking Chamberlain's Stomach and Liver Tablets you can improve both. Sold by all druggists.

Requisition for Rustler.

PIERRE, S. D., Oct. 14.—(Special Telegram.)—Governor Vessey today granted a requisition on the governor of Illinois for the custody of Henry Hall, who is wanted in Brule county on a horse rustling charge and is under arrest in Illinois.

Fall colds are quickly cured by Foley's Honey and Tar, the great throat and lung remedy. The genuine contains no harmful drugs. Sold by all druggists.

The Weather.

WASHINGTON, Oct. 14.—Forecast:

For Nebraska, Montana, North and South Dakota, Kansas and Missouri—Fair Friday and Saturday; Colder Friday.

For Illinois—Fair Friday and Saturday; colder Friday, brask northwest winds.

For Iowa—Fair Friday with colder in west and central portions; Saturday fair and cool.

For Wyoming—Fair Friday and colder.

For Colorado—Partly cloudy and colder Friday; Saturday fair.

WOMAN'S CLUB OFFICIALS

Mrs. F. H. Cole of Omaha Unanimously Re-elected President.

SEWARD WOMAN ALSO HONORED

Other Officers Are Chosen, Including One Vice President for Each District and Delegates to General Meeting.

(From a Staff Correspondent.)

LINCOLN, Oct. 14.—(Special Telegram.)—The State Federation of Women's Clubs unanimously re-elected Mrs. F. H. Cole of Omaha as president and Mrs. F. C. Carscadden of Seward as vice president today. The other officers elected are:

Vice President—Mrs. May Hostetler, Shelton.

Corresponding Secretary—Mrs. C. H. Schindell, South Omaha.

Treasurer—Mrs. C. A. Yoerran, Elwood.

Auditor—Mrs. J. E. L. Carey.

Recording Secretary—Mrs. Corbitt, Atkinson.

General Federation Secretary—Mrs. H. M. Bushnell, Lincoln.

DISTRICT VICE PRESIDENTS.

First—Mrs. H. C. Lindsay, Lincoln.
Second—Mrs. W. H. Davidson, Springfield.
Third—Mrs. O. N. Needham, Albion.
Fourth—Mrs. L. I. Cowan, Ashland.
Fifth—Mrs. J. I. Rhea, Holdrege.
Sixth—Mrs. L. G. Simon, Sidney.

Delegates to Annual Meeting at Cincinnati—Mrs. F. H. Cole, Omaha; Mrs. L. D. Simon, Sidney; Mrs. T. H. Glet, Falls City; Mrs. J. N. Paul, St. Paul; Mrs. W. D. Mead, York; Mrs. O. M. Stonebraker, Lincoln; Mrs. Langworthy, Ashland; Mrs. Max Hostetler, Shelton. Alternates—Mrs. W. D. Davidson, Springfield; Mrs. A. O. Thomas, Kearney; Mrs. C. B. Letton, Lincoln; Mrs. Pile, Wayne; Mrs. James S. Rhea, Holdrege; Mrs. L. I. Cowan, Ashland; Mrs. O. H. Needham, Albion.

SILICA SAND FOR THE WORLD

Furnas County's Big Bed Draws Buyers from East.

BEAVER CITY, Neb., Oct. 14.—(Special.)—The beds of silica sand near Beaver City, comprising several hundred acres, have been opened and the sand is being shipped in carload lots to Cambridge, Mass., where it will be used by a large manufacturing concern, but for what purpose has not been disclosed. These beds of silica have been known for years. In 1892 options were secured upon them by a large concern at Cleveland, O., and several carloads were shipped east, it was claimed to polish glass. This scheme was abandoned and the options expired. Later some of the silica was sent to Denver, where a soap company, under a flaming name, advertised it as a "natural soap" deposit, accidentally discovered. The beds of silica in the eastern part of the county were purchased by the Cudahy Packing company and are now being actively worked, train-loads of the stuff going to the company's plants, where it is used in the manufacture of a cleaning preparation. If the product is as valuable as claimed, Furnas county can supply the world.

Suit for Occupation Tax.

GRAND ISLAND, Neb., Oct. 14.—(Special.)—At the meeting of the city council last night, by unanimous vote, City Attorney Prince was instructed to begin suit against the Wells Fargo Express company for the recovery of $160, against the Pacific Express company for $160, the Adams Express company for $160, the Independent Telephone company for $300, the Postal Telegraph company for $240 and the Western Union Telegraph company for $360 as occupation tax due and delinquent. The council faces a somewhat peculiar situation. A total of over $1,400 in occupation taxes from these firms is due, and if this is not paid the city will be compelled to restore to the Nebraska Telephone company the sums paid for the last nine years, with interest, because of the fact that the Nebraska Telephone company seems to have paid the tax every year as called upon, while the other corporations have not paid, and the city treasurers in the past have not followed the provisions of the ordinance, levying the tax or issuing distress warrants. It thus means a matter of over $2,000 whether these suits are won or not.

Court for Issuance of License.

WILCOX, Neb., Oct. 14.—(Special.)—An application for a license to sell liquor was contested before the board of village trustees. The trial took the entire day and much feeling was displayed by those on both sides of the controversy. It was claimed by the remonstrators that Henry Ackerman, the applicant, was not the real applicant, but one J. E. Pulver was the true applicant; also that Henry Ackerman was not a man of respectable character and standing, such as is required by the law. Ex-District Judge Ed L. Adams of Minden represented the applicant and C. P. Anderbery of Minden the remonstrators. After hearing the evidence the board overruled the remonstrators and ordered the license issued. The remonstrators at once gave notice of appeal to the district court. As this is the only place in Phelps and Kearney counties where a saloon may possibly exist the outcome is watched with much interest.

Nebraska News Notes.

BEATRICE—The Beatrice and Fairbury high school foot ball teams will play here Friday afternoon.

ALBION—It is almost impossible to get cornhuskers at and price here. It is reported that some farmers are offering as high as 5 cents a bushel for husking.

ALBION—D. C. Tenny, vice president of the American Construction company, has finished remodeling the municipal gas plant, and will leave for Newton this week.

ALBION—S. G. Anderson, a civic engineer from Omaha, has just finished putting in 2,400 feet of ten and eight inch sewer in Albion. Most of the town is now furnished with sewer.

BEATRICE—James Monachan died yesterday morning at the home of his daughter, Mrs. J. F. Stokes, three miles east of Beatrice, aged 80 years. Paralysis was the cause of death.

BEATRICE—The blacksmith shop of George Brewer at Odell was destroyed by fire yesterday morning. The origin of the fire is unknown. The loss amounts to $700, partially covered by insurance.

ALBION—There is an excellent opportunity for a laundryman at Albion. There is a laundry equipped for business, but the proprietor met with a serious accident last spring, and since then all work has been shipped away.

PERU—Prof. Weeks will accompany the foot ball boys to Crete Friday afternoon, where the Normal boys will play Doane college. Prof. Weeks will officiate as umpire.

PERU—Ten requests for teachers came to the office of the normal school today. Calls are coming in daily from Nebraska, Oklahoma, California, Kansas, Missouri and other states.

PERU—A debating rally will be held in Music and Expression hall next Saturday evening. There is much enthusiasm here over the Moore gold medal, which is being offered the best debater by Superintendent C. B. Moore of Osceola.

SUTTON—A double funeral took place today at the Methodist Episcopal church. Mrs. McMillan, wife of a union soldier, died day before yesterday and her mother, Mrs. Gilbert, in the same house twenty-four hours later, both from paralysis.

KEARNEY—Miss Catherine Cole, the young woman who died so suddenly in Omaha and who resides at Lexington, graduated from the Kearney State Normal school this last year. Miss Cole, or rather Mrs. McKee, had a host of friends in this city.

ALBION, Train No. 82, out of Albion, was ditched yesterday, just this side of St. Edward. Five cars were thrown off the track and a delay of over three hours was unavoidable. No one was hurt. The immediate cause seems to have been a poor track.

Nebraska

KEARNEY—Peter Getz and George Jones returned Wednesday from a two weeks' hunting trip in the Rocky mountains. Both brought along some nice deer.

GRAND ISLAND—At the meeting of the city council a petition was presented for the construction of four-fifths of a mile of permanent sidewalk, either brick, cement or stone, in a single stretch. Of the 4,600 feet the petition bore the signatures of owners of 3,300 feet.

FREMONT—A dwelling house belonging to Cassius Reynolds and occupied by Sike Christensen, about six miles from Fremont, burned about 10:30 last night. The cause of the fire is not known. Mr. Christensen lost practically all his furniture. The house was worth about $1,500 and it and the furniture are both insured.

PERU—Prof. C. C. Danforth, former superintendent of the Tecumseh schools, and a prominent graduate of Peru, has accepted a position as professor of history in the University of California. He received his bachelor's degree from Chicago university and his bachelors degree of education from the Peru Normal this June.

PERU—Mr. Lowe of the Peru canning factory has invited the department of agriculture and the department of domestic science to inspect his factory. Miss Allingham of the Domestic Science department and Prof. C. W. Weeks of the agricultural department conducted an excursion to the factory today in response to this invitation.

OSCEOLA—The new Osceola postoffice building will be completed before the first of the coming year. The foundation has been finished during the last week and the work will move along rapidly now. It is to be a fine stone and brick building, located on the west side of the public square, and will be a credit to the builders and equipped handily for the use of the government.

BEAVER CITY—At a meeting of the republican county central committee and candidates held here today, there was an unusually large attendance. At noon dinner was served to all at the Meadows hotel and afterward the business meeting was held at the court house. Report from all precincts show that a republican victory in Furnas county this fall is assured.

OSCEOLA—The political situation in Polk county is rather peculiar. Never in recent years has so quiet a campaign been held. There has not been a meeting or public gathering, and neither of the committees is preparing to hold any meetings this year. There is but a very small amount of interest manifested by the voters and it would be very difficult to get twenty-five men out to any sort of a political gathering.

KEARNEY—John Gordon, Burlington agent at this place for the last nine years, was given a send-off last night at the Elks' club as an appreciation of his long and faithful service to the business interests in this city. Mr. Gordon is soon to leave Kearney and go to Denver and act as traveling passenger agent. Nearly every business man in the city was present, and a fine $250 diamond ring was presented the retiring agent.

KEARNEY—Motorcar No. 10 had an accident Wednesday morning that put it out of business and no train left Kearney for Callaway that morning. When the air is cold the motor has to be given a little shove with old reliable steam power, and the engine giving the motor the push this time struck the motor too hard when coupling on to it in the roundhouse, and shoved it through the wall, putting both switch engine and motor out of business. Another engine from Grand Island was sent to make the trip.

GRAND ISLAND—To his father, as his next best friend, the Burlington Railroad company yesterday paid the sum of $800 to Edmund Hodgson, the 3-year-old child which recently was run over by a Burlington & Missouri freight car and which lost part of an arm and part of a leg, besides sustaining other injuries which will leave no permanent effect. The Burlington company effected a friendly settlement at once and the matter went through the courts only because of the fact that the babe had to be represented in the settlement by one of mature years.

KEARNEY—A gang of ruffians committed depredations Tuesday evening by tearing the Corn show decorations off of the buildings and wherever they could lay their hands. The police force was asleep and the mayor was absent and nothing was done to them. About 100 bushels of corn lies scattered over the streets today. Mayor Patterson has warned members of the police force that they are strictly responsible for the acts committed and that should it occur again the whole force will be dismissed. No reason for such actions is known other than pure vandalism.

Neurasthenia

Also Known as "Nerve Tire" and "Nervous Exhaustion"

has, during the present generation, come to be known as the "National Disease" of America. So prevalent has it become that it is almost an exception to find a person without it. It is usually found associated with nervous dyspepsia, which is often the most prominent symptom. In this age of hurry, worry, hustle and the strenuous life in business many people overwork their nervous systems and put too much strain upon them, which eventually causes a partial or total breakdown. Duffy's Pure Malt Whiskey through its tonic and rebuilding constituents will cure these troublesome nervous complaints by supplying the system with those vital elements which it needs to bring about a complete restoration to health.

The processes of tearing down and building up are constantly being carried on in the body, and if nothing interferes with these important processes health results; but when something occurs to check them disease is sure to follow. Duffy's Malt Whiskey overcomes the disease by stimulating the heart and nerves, which quickens the circulation of blood, enabling the system to properly assimilate the food from the alimentary tract; also to adequately eliminate from the system through the lungs, pores, kidneys and intestines, those waste products, such as uric acid, toxins, etc., which results from the disintegration of the old tissues of the body, and the decomposition of alimentum in the alimentary canal.

If you wish to keep young, strong and vigorous and have on your cheeks the glow of perfect health, take Duffy's Pure Malt Whiskey regularly, according to directions. It tones and strengthens the heart action and purifies the entire system. It is recognized as a family medicine everywhere.

If weak and run down, take a teaspoonful four times a day in a half glass of milk or water.

Duffy's Pure Malt Whiskey is sold everywhere by druggists, grocers and dealers, or shipped on order for $1.00 a bottle.

Our Medical Department will send to every reader of The Omaha Bee advice, and an interesting, illustrated medical booklet free of charge. The Duffy Malt Whiskey Company, Rochester, N. Y.

Designed by Rosenwald & Weil, Chicago.

The Most Practical Garment

Ever offered for your approval is an "R&W" Mackinette Raincoat.

"Mackinette" Raincoats are made from woolen cloths, the surfaces of which have been chemically treated.

THE GREAT DIAMOND MAN

The above is the latest likeness of William A. Scholl who is nationally known as "Diamond Dick." The nick name was acquired some years ago when he was given great newspaper notoriety by importing into this country from France the first and only real manufactured diamond this country had ever seen. The stone baffeled American experts, and, until definite proof was given to show that it was not a natural diamond dug from the earth, but one scientifically manufactured, it seemed there would be nothing to do but pay the duty on natural diamonds. Mr. Scholl secured the entire American selling agency, and since that experience seven years ago he has never been able to supply the demand for these gems. The demonstration conducted daily at Myers-Dillon Drug Co. is attracting wide attention, and hundreds are eagerly buying the stones. Many merchants are securing the agency for their home town, and, because of the fact that these gems sell for considerably less than natural diamonds, they are easily disposed of. J. H. Kuck of 1612 South Tenth street has secured the privilege of handling them on railroads, which will undoubtedly prove a big paying move on his part.
