COULD NOT REACH CAUSE OF DISEASE Iowa Woman Tells Why Ordinary Doctors Failed to Cure Her Rheumatism.

THEY ONLY TREATED SYMPTOMS. She Got No Relief Until the Cause Was Removed by United Doctors' Treatment.

Here is a Iowa woman who tells the true cause why so many doctors fail to cure sick people. She says that in her case they were unable to reach the cause or give her any satisfaction as to what was the matter with her.

When I came to the United Doctors, the doctor examined me and told me what was the matter with me and how I felt and that he could cure me in a short time.

When I came to the United Doctors, the doctor examined me and told me what was the matter with me and how I felt and that he could cure me in a short time. I at once began treatment and now feel like a new woman.

across the mountains. The Indians knew it and settled down to besiege us. Written on a Drumhead. Second day a Pueblo Indian came down off the mountains on a burro.

Which we did, taking the strip from the snare head, and the drum could still be played. But it would be a week or more before we could expect relief.

"Well sing and dance around our fires, pretending to be very jolly and merrymen in fun," said Schwartz, "and after a bit most of us will sneak out and get behind 'em and attack."

"Asking the captain's pardon and the other officers' pardons," suddenly said Murphy, saluting at least three times. "Knowing it is the part of a private, and I didn't seem Anglo-Saxon to let even 60 Indians bottle us up without making some attempt to get out.

A night attack, a rear or flank attack, is always disconcerting, even to civilized troops, and it is completely demoralizing to uncivilized ones.
