cinim this after-season series is noth ing but a fixed-up fight. You'll hear all kinds of theories of just how each game was won; how each team played horse in turn, how each misplay was dans. They'll tell you how Mans Wagner could have hit in every pinch; how Gibson let Ty Cobb steal bases to make the game s cinch. Now the pitchers ware instructed to go easy with their steam, so the wins would alternate between each opposing team. They say it means more shookols for the players in the fray, gives them more spending money for the long, cold, wintry day. They wonder why so many fans are anglons to be 'miked,' and why these base ball robbers continue to be liked. Let the knockers have their say, but fol-low them around next base ball season and you'll find they never see a base ball ground. . They hang onto their quarters like a schoolboy does a band. The only sporting news they get is from the penny news stand, S. M. BROWN.
